## Statement on Action To Protect Retirement Plan Savings

*December 11, 1995*

Hard-working Americans are doing their part to save for the future. Americans who work to support their families and save for retirement should not have to worry that the money they earned won't be there when they need it most.

Today my administration is taking action to give the Government the tools necessary to assure American workers they can put their 401(k) savings into a system that is as safe as Fort Knox.

Every American should be encouraged to set aside money for their retirement and make investments in their economic future. Our action will assure millions of Americans that they can put their savings and their trust into a financially sound retirement plan. My administration will continue to do its part to stand guard over Americans' retirement funds.

## Letter to Senate Democratic Leader Thomas Daschle on the Plan for Implementation of the Balkan Peace Agreement

*December 11, 1995*

*Dear Mr. Leader:*

Just four weeks ago, the leaders of Bosnia, Croatia and Serbia came to Dayton, Ohio, in America's heartland, to negotiate and initial a peace agreement to end the war in Bosnia. There, they made a commitment to peace. They agreed to put down their guns; to preserve Bosnia as a single state; to cooperate with the War Crimes Tribunal and to try to build a peaceful, democratic future for all the people of Bosnia. They asked for NATO and America's help to implement this peace agreement.

On Friday, December 1, the North Atlantic Council approved NATO's operational plan, OPLAN 10405, the Implementation of a Peace Agreement in the Former Yugoslavia. On Saturday, General George Joulwan, Supreme Allied Commander Europe, who will be commanding the NATO operation, briefed me in Germany on the final OPLAN.

Having reviewed the OPLAN, I find the mission is clearly defined with realistic goals that can be achieved in a definite period of time. The risks to our troops have been minimized to the maximum extent possible. American

troops will take their orders from the American general who commands NATO. They will be heavily armed and thoroughly trained. In making an overwhelming show of force, they will lessen the need to use force. They will have the authority, as well as the training and the equipment, to respond with decisive force to any threat to their own safety or any violations of the military provisions of the peace agreement. U.S. and NATO commanders believe the military mission can be accomplished in about a year.

A summary of the OPLAN is attached. Of course, members of my staff and the Administration are available to answer your questions and further brief you on the OPLAN as you require.

I consider the Dayton peace agreement to be a serious commitment by the parties to settle this conflict. In light of that agreement and my approval of the final NATO OPLAN, I would welcome a Congressional expression of support for U.S. participation in a NATO-led Implementation Force in Bosnia. I believe Congressional support for U.S. participation is immensely im-
