

beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the emergency declared with respect to the National Union for the Total Independence of Angola ("UNITA") is to continue in effect beyond September 26, 1998, to the *Federal Register* for publication.

The circumstances that led to the declaration on September 26, 1993, of a national emergency have not been resolved. The actions and policies of UNITA pose a continuing unusual and extraordinary threat to the foreign policy of the United States. United Nations Security Council Resolutions 864 (1993), 1127 (1997), 1173 (1998), and 1176 (1998) continue to oblige all

member states to maintain sanctions. Discontinuation of the sanctions would have a prejudicial effect on the Angolan peace process. For these reasons, I have determined that it is necessary to maintain in force the broad authorities necessary to apply economic pressure to UNITA to reduce its ability to pursue its aggressive policies of territorial acquisition.

Memorandum on the Presidential Design Awards Program September 23, 1998

*Memorandum for the Heads of Executive
Departments and Agencies*

Subject: Presidential Design Awards Program

The strength of our economy and quality of life in America owe much to the genius and creativity of designers. From using simple brick and mortar to developing sophisticated computers, designers have turned the dreams of the Nation into reality.

As the single largest purchaser of design services, the Federal Government has been a leader in fostering design excellence. Begun in 1983, the quadrennial Presidential Design Awards Program recognizes successful achievements in Federal design and promotes standards of excellence throughout the Federal Government. By this memorandum, I am pleased to announce the

call for entries for the next round of awards. This round will include special Presidential Design Excellence Millennium Awards in recognition of Federal design projects that have made a significant contribution to the environment and quality of life of the Nation during this century.

The National Endowment for the Arts and the General Services Administration will implement the Presidential Design Awards Program. Please designate an individual with an appropriate background and position to serve as your liaison to ensure the success of this important program. Good design combines problem solving with cost-effectiveness and performance with beauty, and I urge all agencies to integrate good design into their programs.
