Statement on Signing the Needlestick Safety and Prevention Act
November 6, 2000

Today I am pleased to sign into law H.R. 5178, the Needlestick Safety and Prevention Act. This legislation requires changes in the bloodborne pathogens standard in effect under the Occupational Safety and Health Act of 1970. Supported by healthcare workers and their unions, as well as a bipartisan group of Members of Congress, this bill will help to ensure the safety of health care workers who may be exposed to disease while handling certain medical devices. The Needlestick Safety Act makes clearer the responsibility of employers to lessen the risk of injuries to workers from contaminated sharp devices. It also encourages manufacturers of medical sharps to increase the number of safer devices in the market. This legislation will help to make health care occupations safer.

NOTE: H.R. 5178, approved November 6, was assigned Public Law No. 106–430.

Letter to Congressional Leaders Transmitting a Report on Cyprus
November 6, 2000

Dear Mr. Speaker: (Dear Mr. Chairman:)

In accordance with Public Law 95–384 (22 U.S.C. 2373(c)), I submit to you this report on progress toward a negotiated settlement of the Cyprus question covering the period August 1–September 30, 2000. The previous submission covered events during June and July 2000.

The United States has remained steadfast in its efforts to bring about a negotiated Cyprus settlement based on a bizonal, bicomunal federation. I conveyed our views to Turkish President Sezer during a meeting at the United Nations Millennium Summit, emphasizing the importance of a just and lasting solution for all Cypriots. Secretary Albright delivered a similar message to her Greek and Turkish counterparts during the United Nations General Assembly.

Special Presidential Emissary Alfred Moses, Special Cyprus Coordinator Thomas Weston, and U.S. Ambassador to Cyprus Donald Bandler continued to provide diplomatic support to the United Nations-sponsored proximity talks in July and early August in Geneva and again in September in New York. The United Nations reports that this process has taken a “qualitative step forward” and was scheduled to resume in Geneva on November 1.

Sincerely,

WILLIAM J. CLINTON

NOTE: Identical letters were sent to J. Dennis Hastert, Speaker of the House of Representatives, and Jesse Helms, chairman, Senate Committee on Foreign Relations.
