Statement on Senate Confirmation of Michael V. Hayden as Director of the Central Intelligence Agency

May 26, 2006

I commend the Senate for confirming Michael Hayden as Director of the Central Intelligence Agency by a bipartisan majority. Winning the war on terror requires that America have the best intelligence possible, and his strong leadership will ensure that we do. General Hayden is a patriot and a dedicated public servant whose broad experience, dedication, and expertise make him the right person to lead the CIA at

this critical time. I look forward to working with Ambassador Negroponte, General Hayden, and the other leaders of our intelligence community as we continue to address the challenges and threats we face in the 21st century. I congratulate General Hayden and his family on his confirmation and thank him for his continued service to our Nation.

Statement on Senate Confirmation of Brett M. Kavanaugh as a United States Circuit Judge for the District of Columbia

May 26, 2006

I applaud the Senate's vote to confirm Brett Kavanaugh to the U.S. Court of Appeals for the District of Columbia Circuit. Brett Kavanaugh is superbly qualified for the Court of Appeals and will be a brilliant, thoughtful, and fair-minded judge. I appreciate his distinguished service in the execu-

tive branch for the last 5 years, as Associate Counsel and then Senior Associate Counsel to the President, and since July 2003 in the vital role of Staff Secretary. I congratulate Brett and his family on today's confirmation and thank him for his continued service to the law and our Nation.

Statement on Senate Confirmation of Dirk Kempthorne as the Secretary of the Interior

May 26, 2006

I applaud the Senate for confirming Dirk Kempthorne as Secretary of the Interior. Dirk has an abiding love of nature and the outdoors and is dedicated to conserving our natural resources. He will continue my administration's efforts to effectively man-

age our national parks, support historic and cultural sites through our Preserve America Initiative, and pursue environmentally responsible energy development on Federal lands and waters. He will also work to
