An Act  

June 27, 1990  
[S. 286]  

To establish Petroglyph National Monument and Pecos National Historical Park in the State of New Mexico, and for other purposes.  

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,  

TITLE I—PETROGLYPH NATIONAL MONUMENT  

SECTION 101. SHORT TITLE AND CONGRESSIONAL FINDINGS.  

(a) This title may be cited as the “Petroglyph National Monument Establishment Act of 1990”.  

(b) The Congress finds that—  

(1) the nationally significant Las Imagines National Archeological District on Albuquerque’s West Mesa Escarpment contains more than 15,000 documented and prehistoric and historic petroglyphs;  

(2) the district also contains approximately sixty-five other archeological sites;  

(3) the West Mesa Escarpment and the petroglyphs are threatened by urbanization and vandalism, and hundreds of petroglyphs have already been destroyed;  

(4) the State of New Mexico has shown great leadership by recognizing the importance of the archeological resources of the West Mesa Escarpment through the establishment of the Las Imagines National Archeological District;  

(5) the city of Albuquerque has played a significant role in the preservation of the natural, cultural, and recreational resources of the West Mesa Escarpment;  

(6) the Middle Rio Grande Pueblo Tribes have shown a strong and sincere interest in the preservation of their heritage through protection of the West Mesa Escarpment;  

(7) the Atrisco Land Grant, now held by Westland Development Company, Incorporated, a corporation whose stock is owned primarily by heirs of the Atrisco Land Grant, has played a significant role in the settlement of the West Mesa area since 1692, and the corporation’s shareholders have shown a strong interest in the preservation of their traditional lands;  

(8) the National Park System has no unit established for the specific purpose of protecting, preserving, and interpreting prehistoric and historic rock art; and  

(9) in light of the national significance of the West Mesa Escarpment and the petroglyphs and the urgent need to protect the cultural and natural resources of the area from urbanization and vandalism, it is appropriate that a national monument be established in the West Mesa Escarpment area, near Albuquerque, New Mexico.
SEC. 102. ESTABLISHMENT OF PETROGLYPH NATIONAL MONUMENT.

(a) In order to preserve, for the benefit and enjoyment of present and future generations, that area in New Mexico containing the nationally significant West Mesa Escarpment, the Las Imagines National Archeological District, a portion of the Atrisco Land Grant, and other significant natural and cultural resources, and to facilitate research activities associated with the resources, there is hereby established the Petroglyph National Monument (hereinafter in this title referred to as the "monument") as a unit of the National Park System. The monument shall consist of approximately 5,280 acres generally known as the Atrisco Unit, as depicted on the map entitled "Boundary Map, Petroglyph National Monument", numbered NM-PETR-80,010C and dated June 1990, which shall be on file and available for public inspection in the offices of the National Park Service, Department of the Interior, in the offices of the Department of Energy, Minerals, and Natural Resources of the State of New Mexico, and in the office of the mayor of the city of Albuquerque, New Mexico.

(b) The monument shall be administered by the Secretary of the Interior (hereinafter in this title referred to as the "Secretary") or, if the monument is expanded pursuant to section 104(a), by the Secretary in cooperation with the State of New Mexico (hereinafter in this title referred to as the "State") or the city of Albuquerque, New Mexico (hereinafter in this title referred to as the "city"), in accordance with section 105.

(c) Within 6 months after the date of enactment of this title, the Secretary shall file a legal description of the monument with the Committee on Energy and Natural Resources of the United States Senate and the Committee on Interior and Insular Affairs of the United States House of Representatives. Such legal description shall have the same force and legal description as if included in this title, except that the Secretary may correct clerical and typographical errors in such legal description. The legal description shall be on file and available for public inspection in the offices of the National Park Service, Department of the Interior, in the offices of the Department of Energy, Minerals, and Natural Resources of the State of New Mexico, and in the office of the mayor of the city of Albuquerque, New Mexico: Provided, That the Secretary may from time to time, after completion of the general management plan referred to in section 108(a), may make minor adjustments to the monument boundary by publication of a revised map or other boundary description in the Federal Register.

SEC. 103. LAND ACQUISITION AUTHORITY.

(a) The Secretary is authorized to acquire lands and interests therein within the monument boundary by donation, purchase with donated or appropriated funds, exchange, or transfer from any other Federal agency, except that lands or interests therein owned by the State or a political subdivision thereof may be acquired only by donation or exchange.

(b) Where the surface and subsurface estates of private land to be acquired are separately owned, the Secretary shall acquire the subsurface estate to such land prior to or at the same time the surface estate is acquired: Provided, That this subsection shall not be applicable if the Secretary determines that the prior acquisition of the surface estate is necessary—

(1) to prevent damage to the resources of the monument; or
(2) to properly manage and interpret the monument in accordance with sections 102 and 105.

(c)(1) The Secretary is authorized to exchange Federal lands within the area described on the map referred to in section 102(a) as the Piedras Marcadas Unit for lands owned by the city within the area described as the Atrisco Unit on such map.

(2) The Secretary is authorized to exchange Federal lands within the area described on the map referred to in section 102(a) as the Boca Negra Unit for lands owned by the State within the area described as the Atrisco Unit on such map.

(3) Exchanges shall be on the basis of equal value, and either party to the exchange may pay or accept cash in order to equalize the value of the properties exchanged.

(d) Prior to acquiring fee simple ownership of private lands or property interests therein within the monument boundary, the Secretary is authorized to acquire an appropriate interest in such land by donation or for a nominal fee from the owner or owners of such lands for the purpose of providing immediate protection against trespass or vandalism or initiating any resource inventories necessary to carry out the purposes of this title.

(3) Any lands acquired pursuant to paragraph (1) shall be incorporated into the monument and managed accordingly.

Such agreements shall include, but need not be limited to, a provision for the Secretary to develop and operate interpretive facilities and programs on lands and interests in lands outside the monument boundary, with the agreement of the owner or the administrator thereof.
