

Public Law 102-154
102d Congress

An Act

Nov. 13, 1991
[H.R. 2686]

Making appropriations for the Department of the Interior and related agencies for the fiscal year ending September 30, 1992, and for other purposes.

Department of
the Interior and
Related
Agencies
Appropriations
Act, 1992.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of the Interior and related agencies for the fiscal year ending September 30, 1992, and for other purposes, namely:

TITLE I—DEPARTMENT OF THE INTERIOR

BUREAU OF LAND MANAGEMENT

MANAGEMENT OF LANDS AND RESOURCES

For expenses necessary for protection, use, improvement, development, disposal, cadastral surveying, classification, and performance of other functions, including maintenance of facilities, as authorized by law, in the management of lands and their resources under the jurisdiction of the Bureau of Land Management, including the general administration of the Bureau of Land Management, \$538,940,000 of which the following amounts shall remain available until expended: not to exceed \$1,400,000 to be derived from the special receipt account established by section 4 of the Land and Water Conservation Fund Act of 1965, as amended (16 U.S.C. 4601-6a(i)), and \$23,500,000 for the Automated Land and Mineral Record System Project: *Provided*, That appropriations herein made shall not be available for the destruction of healthy, unadopted, wild horses and burros in the care of the Bureau of Land Management or its contractors.

Notwithstanding any other provision of law, none of the funds in this or any other Act shall be available before October 1, 1992, to accept or process applications for patent for any oil shale mining claim located pursuant to the general mining laws or to issue a patent for any such oil shale mining claim, unless the holder of a valid oil shale mining claim has received first half final certificate for patent by date of enactment of this Act.

FIREFIGHTING

For necessary expenses for fire management, emergency rehabilitation, firefighting, fire presuppression, and other related emergency actions by the Department of the Interior, \$122,010,000, to remain available until expended: *Provided*, That such funds also are to be available for repayment of advances to other appropriation accounts from which funds were previously transferred for such purposes.

EMERGENCY DEPARTMENT OF THE INTERIOR FIREFIGHTING FUND

43 USC 1474a.

For the purpose of establishing an "Emergency Department of the Interior Firefighting Fund" in the Treasury of the United States to be available only for emergency rehabilitation and wildfire suppression activities of the Department of the Interior, \$100,869,000, to remain available until expended: *Provided*, That all funds available under this head are hereby designated by Congress to be "emergency requirements" pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985: *Provided further*, That hereafter, beginning in fiscal year 1993, and in each year thereafter, only amounts for emergency rehabilitation and wildfire suppression activities that are in excess of the average of such costs for the previous ten years shall be considered "emergency requirements" pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985, and such amounts shall hereafter be so designated.

CONSTRUCTION AND ACCESS

For acquisition of lands and interests therein, and construction of buildings, recreation facilities, roads, trails, and appurtenant facilities, \$14,318,000, to remain available until expended.

PAYMENTS IN LIEU OF TAXES

For expenses necessary to implement the Act of October 20, 1976 (31 U.S.C. 6901-07), \$105,000,000, of which not to exceed \$400,000 shall be available for administrative expenses.

LAND ACQUISITION

For expenses necessary to carry out the provisions of sections 205, 206, and 318(d) of Public Law 94-579 including administrative expenses and acquisition of lands or waters, or interests therein, \$25,322,000 to be derived from the Land and Water Conservation Fund, to remain available until expended.

OREGON AND CALIFORNIA GRANT LANDS

For expenses necessary for management, protection, and development of resources and for construction, operation, and maintenance of access roads, reforestation, and other improvements on the revested Oregon and California Railroad grant lands, on other Federal lands in the Oregon and California land-grant counties of Oregon, and on adjacent rights-of-way; and acquisition of lands or interests therein including existing connecting roads on or adjacent to such grant lands; \$90,274,000, to remain available until expended: *Provided*, That 25 per centum of the aggregate of all receipts during the current fiscal year from the revested Oregon and California Railroad grant lands is hereby made a charge against the Oregon and California land grant fund and shall be transferred to the General Fund in the Treasury in accordance with the provisions of the second paragraph of subsection (b) of title II of the Act of August 28, 1937 (50 Stat. 876).

RANGE IMPROVEMENTS

For rehabilitation, protection, and acquisition of lands and interests therein, and improvement of Federal rangelands pursuant to section 401 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701), notwithstanding any other Act, sums equal to 50 per centum of all moneys received during the prior fiscal year under sections 3 and 15 of the Taylor Grazing Act (43 U.S.C. 315 et seq.) and the amount designated for range improvements from grazing fees and mineral leasing receipts from Bankhead-Jones lands transferred to the Department of the Interior pursuant to law, but not less than \$10,687,000, to remain available until expended: *Provided*, That not to exceed \$600,000 shall be available for administrative expenses.

SERVICE CHARGES, DEPOSITS, AND FORFEITURES

For administrative expenses and other costs related to processing application documents and other authorizations for use and disposal of public lands and resources, for costs of providing copies of official public land documents, for monitoring construction, operation, and termination of facilities in conjunction with use authorizations, and for rehabilitation of damaged property, such amounts as may be collected under sections 209(b), 304(a), 304(b), 305(a), and 504(g) of the Act approved October 21, 1976 (43 U.S.C. 1701), and sections 101 and 203 of Public Law 93-153, to be immediately available until expended: *Provided*, That notwithstanding any provision to the contrary of section 305(a) of the Act of October 21, 1976 (43 U.S.C. 1735(a)), any moneys that have been or will be received pursuant to that section, whether as a result of forfeiture, compromise, or settlement, if not appropriate for refund pursuant to section 305(c) of that Act (43 U.S.C. 1735(c)), shall be available and may be expended under the authority of this or subsequent appropriations Acts by the Secretary to improve, protect, or rehabilitate any public lands administered through the Bureau of Land Management which have been damaged by the action of a resource developer, purchaser, permittee, or any unauthorized person, without regard to whether all moneys collected from each such forfeiture, compromise, or settlement are used on the exact lands damage to which led to the forfeiture, compromise, or settlement: *Provided further*, That such moneys are in excess of amounts needed to repair damage to the exact land for which collected.

43 USC 1735
note.

MISCELLANEOUS TRUST FUNDS

In addition to amounts authorized to be expended under existing law, there is hereby appropriated such amounts as may be contributed under section 307 of the Act of October 21, 1976 (43 U.S.C. 1701), and such amounts as may be advanced for administrative costs, surveys, appraisals, and costs of making conveyances of omitted lands under section 211(b) of that Act, to remain available until expended.

ADMINISTRATIVE PROVISIONS

Appropriations for the Bureau of Land Management shall be available for purchase, erection, and dismantlement of temporary structures, and alteration and maintenance of necessary buildings and appurtenant facilities to which the United States has title; up to

\$25,000 for payments, at the discretion of the Secretary, for information or evidence concerning violations of laws administered by the Bureau of Land Management; miscellaneous and emergency expenses of enforcement activities authorized or approved by the Secretary and to be accounted for solely on his certificate, not to exceed \$10,000: *Provided*, That appropriations herein made for Bureau of Land Management expenditures in connection with the revested Oregon and California Railroad and reconveyed Coos Bay Wagon Road grant lands (other than expenditures made under the appropriation "Oregon and California grant lands") shall be reimbursed to the General Fund of the Treasury from the 25 per centum referred to in subsection (c), title II, of the Act approved August 28, 1937 (50 Stat. 876), of the special fund designated the "Oregon and California land grant fund" and section 4 of the Act approved May 24, 1939 (53 Stat. 754), of the special fund designated the "Coos Bay Wagon Road grant fund": *Provided further*, That appropriations herein made may be expended for surveys of Federal lands and on a reimbursable basis for surveys of Federal lands and for protection of lands for the State of Alaska: *Provided further*, That an appeal of any reductions in grazing allotments on public rangelands must be taken within thirty days after receipt of a final grazing allotment decision. Reductions of up to 10 per centum in grazing allotments shall become effective when so designated by the Secretary of the Interior. Upon appeal any proposed reduction in excess of 10 per centum shall be suspended pending final action on the appeal, which shall be completed within two years after the appeal is filed: *Provided further*, That notwithstanding 44 U.S.C. 501, the Bureau may, under cooperative cost-sharing and partnership arrangements authorized by law, procure printing services from cooperators in connection with jointly-produced publications for which the cooperators share the cost of printing either in cash or in services, and the Bureau determines the cooperator is capable of meeting accepted quality standards.

note.

ABANDONED MINE RECLAMATION FUND

For necessary expenses to carry out the provisions of title IV of the Surface Mining Control and Reclamation Act of 1977, Public Law 95-87, as amended, including the purchase of not more than 22 passenger motor vehicles, of which 16 shall be for replacement only, \$190,200,000 to be derived from receipts of the Abandoned Mine Reclamation Fund and to remain available until expended: *Provided*, That of the funds herein provided up to \$22,000,000 may be used for the emergency program authorized by section 410 of Public Law 95-87, as amended, of which no more than 20 per centum shall be used for emergency reclamation projects in any one State and funds for Federally-administered emergency reclamation projects under this proviso shall not exceed \$15,000,000: *Provided further*, That 23 full-time equivalent positions are to be maintained in the Anthracite Reclamation Program at the Wilkes-Barre Field Office: *Provided further*, That pursuant to Public Law 97-365, the Department of the Interior is authorized to utilize up to 20 per centum from the recovery of the delinquent debt owed to the United States Government to pay for contracts to collect these debts: *Provided further*, That of the funds made available to the States to contract for reclamation projects authorized in section 406(a) of Public Law 95-87, administrative expenses may not exceed 15 per centum: *Provided further*, That the Secretary of the Interior may deny 50 per centum of an Abandoned Mine Reclamation Fund grant, available to a State pursuant to title IV of Public Law 95-87, in accordance with the procedures set forth in section 521(b) of the Act, when the Secretary determines that a State is systematically failing to administer adequately the enforcement provisions of the approved State regulatory program. Funds will be denied until such time as the State and Office of Surface Mining Reclamation and Enforcement have agreed upon an explicit plan of action for correcting the enforcement deficiency. A State may enter into such agreement without admission of culpability. If a State enters into such agreement, the Secretary shall take no action pursuant to section 521(b) of the Act as long as the State is complying with the terms of the agreement.

BUREAU OF INDIAN AFFAIRS

OPERATION OF INDIAN PROGRAMS

For operation of Indian programs by direct expenditure, contracts, cooperative agreements, and grants including expenses necessary to provide education and welfare services for Indians, either directly or in cooperation with States and other organizations, including payment of care, tuition, assistance, and other expenses of Indians in boarding homes, or institutions, or schools; grants and other assistance to needy Indians; maintenance of law and order; management, development, improvement, and protection of resources and appurtenant facilities under the jurisdiction of the Bureau of Indian Affairs, including payment of irrigation assessments and charges; acquisition of water rights; advances for Indian industrial and business enterprises; operation of Indian arts and crafts shops and museums; development of Indian arts and crafts, as authorized by law; for the general administration of the Bureau of Indian Affairs, including such expenses in field offices, \$1,236,078,000, including \$248,152,000 for school operations costs of Bureau-funded schools

and other education programs which shall become available for obligation on July 1, 1992, and shall remain available for obligation until June 30, 1993, and of which, funds obligated as grants to schools pursuant to Public Law 100-297 shall be made on July 1 and December 1 in lieu of the payments authorized to be made on October 1 and January 1 of each calendar year, and of which not to exceed \$75,912,000 for higher education scholarships, adult vocational training, and assistance to public schools under the Act of April 16, 1934 (48 Stat. 596), as amended (25 U.S.C. 452 et seq.), shall remain available for obligation until September 30, 1993; and the funds made available to tribes and tribal organizations through contracts or grants obligated during fiscal year 1992 as authorized by the Indian Self-Determination Act of 1975 (88 Stat. 2203; 25 U.S.C. 450 et seq.), or grants authorized by the Indian Education Amendments of 1988 (25 U.S.C. 2001 and 2008A) shall remain available until expended by the contractor or grantee; and of which \$2,021,000 for litigation support shall remain available until expended, \$5,000,000 for self-governance tribal compacts shall be made available on completion and submission of such compacts to the Congress, and shall remain available until expended; and of which \$1,139,000 for expenses necessary to carry out the provisions of section 19(a) of Public Law 93-531 (25 U.S.C. 640d-18(a)), shall remain available until expended: *Provided*, That none of the funds appropriated to the Bureau of Indian Affairs shall be expended as matching funds for programs funded under section 103(b)(2) of the Carl D. Perkins Vocational Education Act: *Provided further*, That \$200,000 of the funds made available in this Act shall be available for cyclical maintenance of tribally owned fish hatcheries and related facilities: *Provided further*, That none of the funds in this Act shall be used by the Bureau of Indian Affairs to transfer funds under a contract with any third party for the management of tribal or individual Indian trust funds until the funds held in trust for all such tribes or individuals have been audited and reconciled to the earliest possible date, the results of such reconciliation have been certified by an independent party as the most complete reconciliation of such funds possible, and the affected tribe or individual has been provided with an accounting of such funds: *Provided further*, That notwithstanding any other provision of law, the statute of limitations shall not commence to run on any claim concerning losses to or mismanagement of trust funds, until the affected tribe or individual Indian has been furnished with the accounting of such funds from which the beneficiary can determine whether there has been a loss: *Provided further*, That \$300,000 of the amounts provided for education program management shall be available for a grant to the Close Up Foundation: *Provided further*, That until such time as legislation is enacted to the contrary, none of the funds appropriated in this or any other Act for the benefit of Indians residing within the jurisdictional service area of the Cherokee Nation of Oklahoma shall be expended by other than the Cherokee Nation, nor shall any funds be used to take land into trust within the boundaries of the original Cherokee territory in Oklahoma without the consent of the Cherokee Nation: *Provided further*, That the Task Force on Bureau of Indian Affairs Reorganization shall continue activities under its charter as adopted and amended on April 17, 1991: *Provided further*, That any reorganization proposal shall not be implemented until the Task Force has reviewed it and recommended its implementation to the Secretary and such proposal has been submitted to and

GENERAL PROVISIONS, DEPARTMENT OF THE INTERIOR

SEC. 101. Appropriations made in this title shall be available for expenditure or transfer (within each bureau or office), with the approval of the Secretary, for the emergency reconstruction, replacement, or repair of aircraft, buildings, utilities, or other facilities or equipment damaged or destroyed by fire, flood, storm, or other unavoidable causes: *Provided*, That no funds shall be made available under this authority until funds specifically made available to the Department of the Interior for emergencies shall have been exhausted: *Provided further*, That all funds used pursuant to this section are hereby designated by Congress to be "emergency requirements" pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985 and must be replenished by a supplemental appropriation which must be requested as promptly as possible.

SEC. 102. The Secretary may authorize the expenditure or transfer of any no year appropriation in this title, in addition to the amounts included in the budget programs of the several agencies, for the suppression or emergency prevention of forest or range fires on or threatening lands under the jurisdiction of the Department of the Interior; for the emergency rehabilitation of burned-over lands under its jurisdiction; for emergency actions related to potential or actual earthquakes, floods, volcanoes, storms, or other unavoidable causes; for contingency planning subsequent to actual oilspills; re-

sponse and natural resource damage assessment activities related to actual oilspills; for the prevention, suppression, and control of actual or potential grasshopper and Mormon cricket outbreaks on lands under the jurisdiction of the Secretary, pursuant to the authority in section 1773(b) of Public Law 99-198 (99 Stat. 1658); for emergency reclamation projects under section 410 of Public Law 95-87; and shall transfer, from any no year funds available to the Office of Surface Mining Reclamation and Enforcement, such funds as may be necessary to permit assumption of regulatory authority in the event a primacy State is not carrying out the regulatory provisions of the Surface Mining Act: *Provided*, That appropriations made in this title for fire suppression purposes shall be available for the payment of obligations incurred during the preceding fiscal year, and for reimbursement to other Federal agencies for destruction of vehicles, aircraft, or other equipment in connection with their use for fire suppression purposes, such reimbursement to be credited to appropriations currently available at the time of receipt thereof: *Provided further*, That for emergency rehabilitation and wildfire suppression activities, no funds shall be made available under this authority until funds appropriated to the "Emergency Department of the Interior Firefighting Fund" shall have been exhausted: *Provided further*, That all funds used pursuant to this section are hereby designated by Congress to be "emergency requirements" pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985 and must be replenished by a supplemental appropriation which must be requested as promptly as possible: *Provided further*, That such replenishment funds shall be used to reimburse, on a pro rata basis, accounts from which emergency funds were transferred.

SEC. 103. Appropriations made in this title shall be available for operation of warehouses, garages, shops, and similar facilities, wherever consolidation of activities will contribute to efficiency or economy, and said appropriations shall be reimbursed for services rendered to any other activity in the same manner as authorized by sections 1535 and 1536 of title 31, U.S.C.: *Provided*, That reimbursements for costs and supplies, materials, equipment, and for services rendered may be credited to the appropriation current at the time such reimbursements are received.

SEC. 104. Appropriations made to the Department of the Interior in this title shall be available for services as authorized by 5 U.S.C. 3109, when authorized by the Secretary, in total amount not to exceed \$500,000; hire, maintenance, and operation of aircraft; hire of passenger motor vehicles; purchase of reprints; payment for telephone service in private residences in the field, when authorized under regulations approved by the Secretary; and the payment of dues, when authorized by the Secretary, for library membership in societies or associations which issue publications to members only or at a price to members lower than to subscribers who are not members.

SEC. 105. Appropriations available to the Department of the Interior for salaries and expenses shall be available for uniforms or allowances therefor, as authorized by law (5 U.S.C. 5901-5902 and D.C. Code 4-204).

SEC. 106. Appropriations made in this title shall be available for obligation in connection with contracts issued by the General Services Administration for services or rentals for periods not in excess of twelve months beginning at any time during the fiscal year.

SEC. 107. Notwithstanding any other provisions of law, in fiscal year 1992 and thereafter, appropriations in this title shall be available to provide insurance on official motor vehicles, aircraft, and boats operated by the Department of the Interior in Canada and Mexico.

SEC. 108. No funds provided in this title may be used to detail any employee to an organization unless such detail is in accordance with Office of Personnel Management regulations.

SEC. 109. No funds provided in this title may be expended by the Department of the Interior for the conduct of offshore leasing and related activities placed under restriction in the President's moratorium statement of June 26, 1990, in the areas of Northern, Central, and Southern California; the North Atlantic; Washington and Oregon; and the Eastern Gulf of Mexico south of 26 degrees north latitude and east of 86 degrees west longitude.

SEC. 110. No funds provided in this title may be expended by the Department of the Interior for the conduct of leasing, or the approval or permitting of any drilling or other exploration activity, on lands within the North Aleutian Basin planning area.

SEC. 111. No funds provided in this title may be expended by the Department of the Interior for the conduct of preleasing and leasing activities in the Eastern Gulf of Mexico for Outer Continental Shelf Lease Sale 137 or for Sale 151 in the February 1991 draft proposal for the Outer Continental Shelf Natural Gas and Oil Resource Management Comprehensive Program, 1992-1997.

SEC. 112. No funds provided in this title may be expended by the Department of the Interior for the conduct of preleasing and leasing activities in the Atlantic for Outer Continental Shelf Lease Sale 145 in the February 1991 draft proposal for the Outer Continental Shelf Natural Gas and Oil Resource Management Comprehensive Program, 1992-1997.

SEC. 113. None of the funds made available by this Act may be used for the implementation or financing of agreements or arrangements with entities for the management of all lands, waters, and interests therein on Matagorda Island, Texas, which were purchased by the Department of the Interior with federally appropriated amounts from the Land and Water Conservation Fund.

SEC. 114. The provision of section 113 shall not apply if the transfer of management or control is ratified by law.

43 USC 1473b.

SEC. 115. Notwithstanding any other provision of law, in fiscal year 1992 and thereafter, any appropriations or funds available to the Department of the Interior in this Act may be used to provide nonmonetary awards of nominal value to private individuals and organizations that make contributions to Department of the Interior programs.

43 USC 1473c.

SEC. 116. Appropriations under this title in fiscal year 1992 and thereafter, may be made available for paying costs incidental to the utilization of services contributed by individuals who serve without compensation as volunteers in aid of work for units of the Department of the Interior.

102 Stat. 4002.

SEC. 117. Section 105 of Public Law 100-675 is hereby amended by adding the following new subsection:

“(c) **AUTHORITY TO DISBURSE INTEREST INCOME FROM THE SAN LUIS REY TRIBAL DEVELOPMENT FUND.**—Until the final settlement agreement is completed, the Secretary is authorized and directed, pursuant to such terms and conditions deemed appropriate by the Secretary, to disburse to the San Luis Rey Indian Water Authority,

hereinafter referred to as the 'Authority', funds from the interest income which has accrued to the San Luis Rey Tribal Development Fund, hereinafter referred to as the 'Fund'. The funds shall be used only to assist the Authority in its professional development to administer the San Luis Rey Indian Water Settlement, and in the Authority's participation and facilitation of the final water rights settlement agreement of the five mission bands, subject to the terms of the Memorandum of Understanding Between the Band and the Department dated August 17, 1991."

SEC. 118. Notwithstanding section 7(b) of Public Law 99-647, the Secretary may approve the extension of the Blackstone Commission on or before November 10, 1991, to accomplish the purposes of that subsection.

16 USC 461 note.

SEC. 119. None of the funds appropriated in the Energy and Water Development Appropriations Act, 1992 (Public Law 102-104) shall be used to implement the proposed rule for the Army Corps of Engineers amending regulations on "ability to pay" (33 CFR Part 241), published in the Federal Register, vol. 56, No. 114, on Thursday, June 13, 1991.

SEC. 120. (a) The Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act, 1992 (H.R. 2608), is amended as follows:

(1) The third paragraph in title I (under the headings "Justice Assistance" and "Office of Justice Programs" within amounts for the Department of Justice) is amended by striking out the period at the end and inserting in lieu thereof "*Provided*, That of the \$76,000,000 appropriated herein, \$4,000,000 shall be derived from deobligated funds previously awarded under part B and subparts I and II of part C of title II of said Act."

Ante, p. 783.

(2) The paragraph in title I under the heading "Salaries and Expenses" under the heading "Federal Communications Commission" is amended by striking out "For total obligations" and inserting in lieu thereof "For necessary expenses".

Ante, p. 797.

(3) The paragraph in title IV under the heading "Payment to the Legal Services Corporation" under the heading "Legal Services Corporation" is amended by inserting ", coordinated through the national Legal Services Corporation office," in the proviso after "such Institutes".

Ante, p. 813.

(b) The amendments made by subsection (a) shall take effect as if included in the Departments of Commerce, Justice, and State, and the Judiciary, and Related Agencies Appropriations Act, 1992, on the date of the enactment of such Act.

Effective date.

TITLE II—RELATED AGENCIES

DEPARTMENT OF AGRICULTURE

FOREST SERVICE

FOREST RESEARCH

For necessary expenses of forest research as authorized by law, \$182,812,000 to remain available until September 30, 1993.

STATE AND PRIVATE FORESTRY

For necessary expenses of cooperating with, and providing technical and financial assistance to States, Territories, possessions, and others; and for forest pest management activities, \$184,107,000, to remain available until expended, as authorized by law: *Provided*, That a grant of \$550,000 shall be available to Berkeley County, South Carolina: *Provided further*, That \$5,000,000 shall be available for necessary expenses of the Forest Legacy Program, as authorized by section 1217 of Public Law 101-624, the Food, Agriculture, Conservation and Trade Act of 1990: *Provided further*, That the Forest Service shall not, under authority provided by this section, enter into any commitment to fund the purchase of interests in lands, the purchase of which would exceed the level of appropriations provided by this section.

NATIONAL FOREST SYSTEM

For necessary expenses of the Forest Service, not otherwise provided for, for management, protection, improvement, and utilization of the National Forest System, and for administrative expenses associated with the management of funds provided under the heads "Forest Research", "State and Private Forestry", "National Forest System", "Construction", "Forest Service Firefighting", and "Land Acquisition", \$1,359,662,000 to remain available for obligation until September 30, 1993, including \$26,968,000 for wilderness management, and including 65 per centum of all monies received during the prior fiscal year as fees collected under the Land and Water Conservation Fund Act of 1965, as amended, in accordance with section 4 of the Act (16 U.S.C. 4601-6a(i)): *Provided*, That unobligated and unexpended balances in the National Forest System account at the end of fiscal year 1991, shall be merged with and made a part of the fiscal year 1992 National Forest System appropriation, and shall remain available for obligation until September 30, 1993: *Provided further*, That timber volume authorized or scheduled for sale during fiscal year 1991, but which remains unsold at the end of fiscal year 1991 shall be offered for sale during fiscal year 1992 in addition to the fiscal year 1992 timber sale volume to the extent possible: *Provided further*, That within available funds, up to \$238,000 shall be available for a cooperative agreement with Alabama A&M University: *Provided further*, That up to \$5,000,000 of the funds provided herein for road maintenance shall be available for the planned obliteration of roads which are no longer needed.

FOREST SERVICE FIREFIGHTING

For necessary expenses for firefighting on or adjacent to National Forest System lands or other lands under fire protection agreement, and for forest fire management and presuppression, and emergency operations on, and the emergency rehabilitation of, National Forest System lands, \$189,803,000, to remain available until expended: *Provided*, That such funds are also to be available for repayment of advances to other appropriation accounts from which funds were previously transferred for such purposes.

EMERGENCY FOREST SERVICE FIREFIGHTING FUND

For the purpose of establishing an "Emergency Forest Service Firefighting Fund" in the Treasury of the United States to be available only for emergency rehabilitation and wildfire suppression activities of the Forest Service, \$112,000,000, to remain available until expended: *Provided*, That all funds available under this head are hereby designated by Congress to be "emergency requirements" pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985: *Provided further*, That hereafter, beginning in fiscal year 1993, and in each year thereafter, only amounts for emergency rehabilitation and wildfire suppression activities that are in excess of the average of such costs for the previous ten years shall be considered "emergency requirements" pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985, and such amounts shall hereafter be so designated.

16 USC 556e.

CONSTRUCTION

For necessary expenses of the Forest Service, not otherwise provided for, for construction, \$275,178,000, to remain available until expended, of which \$82,089,000 is for construction and acquisition of buildings and other facilities; and \$193,089,000 is for construction and repair of forest roads and trails by the Forest Service as authorized by 16 U.S.C. 532-538 and 23 U.S.C. 101 and 205: *Provided*, That funds becoming available in fiscal year 1992 under the Act of March 4, 1913 (16 U.S.C. 501) shall be transferred to the General Fund of the Treasury of the United States: *Provided further*, That not to exceed \$113,000,000, to remain available until expended, may be obligated for the construction of forest roads by timber purchasers.

LAND ACQUISITION

For expenses necessary to carry out the provisions of the Land and Water Conservation Fund Act of 1965, as amended (16 U.S.C. 4601-4-11), including administrative expenses, and for acquisition of land or waters, or interest therein, in accordance with statutory authority applicable to the Forest Service, \$89,433,000, to be derived from the Land and Water Conservation Fund, to remain available until expended: *Provided*, That the Forest Service shall make a grant of \$633,000 to the City of Missoula, Montana, from funds appropriated by Public Law 101-512 for direct acquisition of property known as Rattlesnake Greenway and currently under option to the City of Missoula, Montana: *Provided further*, That no funds shall be available to purchase Special Improvement District permits and any remaining funds shall be available to acquire additional properties for recreation and open space in the same vicinity.

ACQUISITION OF LANDS FOR NATIONAL FORESTS

SPECIAL ACTS

For acquisition of lands within the exterior boundaries of the Cache, Uinta, and Wasatch National Forests, Utah; the Toiyabe National Forest, Nevada; and the Angeles, San Bernardino, Sequoia, and Cleveland National Forests, California, as authorized by law, \$1,148,000, to be derived from forest receipts.

ACQUISITION OF LANDS TO COMPLETE LAND EXCHANGES

For acquisition of lands, to be derived from funds deposited by State, county, or municipal governments, public school districts, or other public school authorities pursuant to the Act of December 4, 1967, as amended (16 U.S.C. 484a), to remain available until expended.

RANGE BETTERMENT FUND

For necessary expenses of range rehabilitation, protection, and improvement, 50 per centum of all moneys received during the prior fiscal year, as fees for grazing domestic livestock on lands in National Forests in the sixteen Western States, pursuant to section 401(b)(1) of Public Law 94-579, as amended, to remain available until expended, of which not to exceed 6 per centum shall be available for administrative expenses associated with on-the-ground range rehabilitation, protection, and improvements.

GIFTS, DONATIONS AND REQUESTS FOR FOREST AND RANGELAND RESEARCH

For expenses authorized by 16 U.S.C. 1643(b), \$97,000 to remain available until expended, to be derived from the fund established pursuant to the above Act.

ADMINISTRATIVE PROVISIONS, FOREST SERVICE

Appropriations to the Forest Service for the current fiscal year shall be available for: (a) purchase of not to exceed 207 passenger motor vehicles of which 17 will be used primarily for law enforcement purposes and of which 176 shall be for replacement only, of which acquisition of 137 passenger motor vehicles shall be from excess sources, and hire of such vehicles; operation and maintenance of aircraft, the purchase of not to exceed two for replacement only, and acquisition of 68 aircraft from excess sources; notwithstanding other provisions of law, existing aircraft being replaced may be sold, with proceeds derived or trade-in value used to offset the purchase price for the replacement aircraft; (b) services pursuant to the second sentence of section 706(a) of the Organic Act of 1944 (7 U.S.C. 2225), and not to exceed \$100,000 for employment under 5 U.S.C. 3109; (c) purchase, erection, and alteration of buildings and other public improvements (7 U.S.C. 2250); (d) acquisition of land, waters, and interests therein, pursuant to the Act of August 3, 1956 (7 U.S.C. 428a); (e) for expenses pursuant to the Volunteers in the National Forest Act of 1972 (16 U.S.C. 558a, 558d, 558a note); and (f) for debt collection contracts in accordance with 31 U.S.C. 3718(c).

None of the funds made available under this Act shall be obligated or expended to change the boundaries of any region, to abolish any region, to move or close any regional office for research, State and private forestry, or National Forest System administration of the Forest Service, Department of Agriculture, without the consent of the House and Senate Committees on Appropriations and the Committee on Agriculture, Nutrition, and Forestry in the United States Senate and the Committee on Agriculture in the United States House of Representatives.

Any appropriations or funds available to the Forest Service may be advanced to the Forest Service Firefighting appropriation and

may be used for forest firefighting and the emergency rehabilitation of burned-over lands under its jurisdiction: *Provided*, That no funds shall be made available under this authority until funds appropriated to the "Emergency Forest Service Firefighting Fund" shall have been exhausted.

The appropriation structure for the Forest Service may not be altered without advance approval of the House and Senate Committees on Appropriations.

Notwithstanding any other provision of law, any appropriations or funds available to the Forest Service may be used to reimburse employees for the cost of State licenses and certification fees pursuant to their Forest Service position and that are necessary to comply with State laws, regulations, and requirements.

Funds appropriated to the Forest Service shall be available for assistance to or through the Agency for International Development and the Office of International Cooperation and Development in connection with forest and rangeland research, technical information, and assistance in foreign countries, and shall be available to support forestry and related natural resource activities outside the United States and its territories and possessions, including technical assistance, education and training, and cooperation with United States and international organizations.

All funds received for timber salvage sales may be credited to the Forest Service Permanent Appropriations to be expended for timber salvage sales from any national forest, and for timber sales preparation to replace sales lost to fire or other causes, and sales preparation to replace sales inventory on the shelf for any national forest to a level sufficient to maintain new sales availability equal to a rolling five-year average of the total sales offerings, and for design, engineering, and supervision of construction of roads lost to fire or other causes associated with the timber sales programs described above: *Provided*, That notwithstanding any other provision of law, moneys received from the timber salvage sales program in fiscal year 1992 shall be considered as money received for purposes of computing and distributing 25 per centum payments to local governments under 16 U.S.C. 500, as amended.

None of the funds made available to the Forest Service under this Act shall be subject to transfer under the provisions of section 702(b) of the Department of Agriculture Organic Act of 1944 (7 U.S.C. 2257) or 7 U.S.C. 147b unless the proposed transfer is approved in advance by the House and Senate Committees on Appropriations in compliance with the reprogramming procedures contained in House Report 102-116.

No funds appropriated to the Forest Service shall be transferred to the Working Capital Fund of the Department of Agriculture without the approval of the Chief of the Forest Service.

Notwithstanding any other provision of law, any appropriations or funds available to the Forest Service may be used to disseminate program information to private and public individuals and organizations through the use of nonmonetary items of nominal value and to provide nonmonetary awards of nominal value and to incur necessary expenses for the nonmonetary recognition of private individuals and organizations that make contributions to Forest Service programs.

Notwithstanding any other provision of law, money collected, in advance or otherwise, by the Forest Service under authority of section 101 of Public Law 93-153 (30 U.S.C. 185(1)) as reimbursement

of administrative and other costs incurred in processing pipeline right-of-way or permit applications and for costs incurred in monitoring the construction, operation, maintenance, and termination of any pipeline and related facilities, may be used to reimburse the applicable appropriation to which such costs were originally charged.

Funds available to the Forest Service shall be available to conduct a program of not less than \$1,000,000 for high priority projects within the scope of the approved budget which shall be carried out by the Youth Conservation Corps as if authorized by the Act of August 13, 1970, as amended by Public Law 93-408.

31 USC 6305
note.

Notwithstanding the provisions of the Federal Grant and Cooperative Agreements Act of 1977 (31 U.S.C. 6301-6308), the Forest Service is authorized hereafter to negotiate and enter into cooperative arrangements with public and private agencies, organizations, institutions, and individuals to print educational materials and to continue the Challenge Cost-Share Program.

Landscaping.

None of the funds available in this Act shall be used for timber sale preparation using clearcutting in hardwood stands in excess of 25 percent of the fiscal year 1989 harvested volume in the Wayne National Forest, Ohio: *Provided*, That this limitation shall not apply to hardwood stands damaged by natural disaster: *Provided further*, That landscape architects shall be used to maintain a visually pleasing forest.

None of the funds made available to the Forest Service in this Act shall be expended for the purpose of issuing a special use authorization permitting land use and occupancy and surface disturbing activities for any project to be constructed on Lewis Fork Creek in Madera County, California, at the site above, and adjacent to, Corlieu Falls bordering the Lewis Fork Creek National Recreation Trail until the studies required in Public Law 100-202 have been submitted to the Congress: *Provided*, That any special use authorization shall not be executed prior to the expiration of thirty calendar days (not including any day in which either House of Congress is not in session because of adjournment of more than three calendar days to a day certain) from the receipt of the required studies by the Speaker of the House of Representatives and the President of the Senate.

None of the funds made available to the Forest Service in this Act shall be expended for the purpose of administering a special use authorization permitting land use and occupancy and surface disturbing activities for any project to be constructed on Rock Creek, Madera County, California, until a study has been completed and submitted to the Congress by the Forest Service in consultation with the United States Fish and Wildlife Service, the United States Army Corps of Engineers, the California State Water Resources Control Board, the California Department of Fish and Game and other interested public parties regarding the project's potential cumulative impacts on the environment, together with a finding that there will be no substantial adverse impact on the environment. Findings from the study must be presented at no less than three public meetings.

Any money collected from the States for fire suppression assistance rendered by the Forest Service on non-Federal lands not in the vicinity of National Forest System lands shall be used to reimburse the applicable appropriation and shall remain available until ex-

pended as the Secretary may direct in conducting activities authorized by 16 U.S.C. 2101 (note), 2101-2110, 1606, and 2111.

Of the funds available to the Forest Service, \$1,500 is available to the Chief of the Forest Service for official reception and representation expenses.

Notwithstanding any other provision of law, the Forest Service is authorized to employ or otherwise contract with persons at regular rates of pay, as determined by the Service, to perform work occasioned by emergencies such as fires, storms, floods, earthquakes or any other unavoidable cause without regard to Sundays, Federal holidays, and the regular workweek.

Disaster
assistance.
Labor.

As a pilot effort, for the purpose of achieving ecologically defensible management practices, the Kaibab and Dixie National Forests are authorized to apply the value or a reasonable portion of the value of timber removed under a stewardship end result contract as an offset against the cost of stewardship services received including, but not limited to, site preparation, replanting, silviculture programs, recreation, wildlife habitat enhancement, and other multiple-use enhancements on selected projects. Timber removed shall count toward meeting the Congressional expectations for the annual timber harvest.

The Forest Service shall conduct a below-cost timber sales study on the Shawnee National Forest, Illinois, in fiscal year 1992.

The Forest Service shall work with the purchasers of sales already under contract on the Shawnee National Forest to achieve mutually acceptable modifications to said contracts so that the harvest of timber under such contracts may occur consistent with the expected management prescriptions and/or practices envisioned in the Draft Amendment to the Forest Plan for the Shawnee National Forest issued in 1991.

Contracts.

To the greatest extent possible, and pending final approval of the Draft Amendment to the Shawnee National Forest Plan, none of the funds available in this Act shall be used for preparation of timber sales using clearcutting or other forms of even aged management in hardwood stands in the Shawnee National Forest, Illinois.

DEPARTMENT OF ENERGY

CLEAN COAL TECHNOLOGY

The first paragraph under this head in Public Law 101-512 is amended by striking the phrase "\$150,000,000 on October 1, 1991, \$225,000,000 on October 1, 1992" and inserting "\$100,000,000 on October 1, 1991, \$275,000,000 on October 1, 1992".

104 Stat. 1944.

Notwithstanding the issuance date for the fifth general request for proposals under this head in Public Law 101-512, such request for proposals shall be issued not later than July 6, 1992, and notwithstanding the proviso under this head in Public Law 101-512 regarding the time interval for selection of proposals resulting from such solicitation, project proposals resulting from the fifth general request for proposals shall be selected not later than ten months after the issuance date of the fifth general request for proposals: *Provided*, That hereafter the fifth general request for proposals shall be subject to all provisos contained under this head in previous appropriations Acts unless amended by this Act.

42 USC 5903d
note.

Notwithstanding the provisos under this head in previous appropriations Acts, projects selected pursuant to the fifth general re-

quest for proposals shall advance significantly the efficiency and environmental performance of coal-using technologies and be applicable to either new or existing facilities: *Provided*, That budget periods may be used in lieu of design, construction, and operating phases for cost-sharing calculations: *Provided further*, That the Secretary shall not finance more than 50 per centum of the total costs of any budget period: *Provided further*, That project specific development activities for process performance definition, component design verification, materials selection, and evaluation of alternative designs may be funded on a cost-shared basis up to a limit of 10 per centum of the Government's share of project cost: *Provided further*, That development activities eligible for cost-sharing may include limited modifications to existing facilities for project related testing but do not include construction of new facilities.

With regard to funds made available under this head in this and previous appropriations Acts, unobligated balances excess to the needs of the procurement for which they originally were made available may be applied to other procurements for use on projects for which cooperative agreements are in place, within the limitations and proportions of Government financing increases currently allowed by law: *Provided*, That hereafter, the Department of Energy, for a period of up to five years after completion of the operations phase of a cooperative agreement may provide appropriate protections, including exemptions from subchapter II of chapter 5 of title 5, United States Code, against the dissemination of information that results from demonstration activities conducted under the Clean Coal Technology Program and that would be a trade secret or commercial or financial information that is privileged or confidential if the information had been obtained from and first produced by a non-Federal party participating in a Clean Coal Technology project: *Provided further*, That hereafter, in addition to the full-time permanent Federal employees specified in section 303 of Public Law 97-257, as amended, no less than 90 full-time Federal employees shall be assigned to the Assistant Secretary for Fossil Energy for carrying out the programs under this head using funds available under this head in this and any other appropriations Act and of which not less than 35 shall be for PETC and not less than 30 shall be for METC: *Provided further*, That hereafter reports on projects selected by the Secretary of Energy pursuant to authority granted under this heading which are received by the Speaker of the House of Representatives and the President of the Senate less than 30 legislative days prior to the end of each session of Congress shall be deemed to have met the criteria in the third proviso of the fourth paragraph under the heading "Administrative provisions, Department of Energy" in the Department of the Interior and Related Agencies Appropriations Act, 1986, as contained in Public Law 99-190, upon expiration of 30 calendar days from receipt of the report by the Speaker of the House of Representatives and the President of the Senate or at the end of the session, whichever occurs later.

FOSSIL ENERGY RESEARCH AND DEVELOPMENT

(INCLUDING RESCISSION)

For necessary expenses in carrying out fossil energy research and development activities, under the authority of the Department of Energy Organization Act (Public Law 95-91), including the acquisi-

tion of interest, including defeasible and equitable interests in any real property or any facility or for plant or facility acquisition or expansion, \$458,104,000, to remain available until expended, of which \$338,000 is for the functions of the Office of the Federal Inspector for the Alaska Natural Gas Transportation System established pursuant to the authority of Public Law 94-586 (90 Stat. 2908-2909) and of which \$3,100,000 is available for the fuels program: *Provided*, That none of the funds made available under this head may be managed by any individual who is not subject to the "employment floor" provisions in Public Law 97-257 as amended or, in the alternate, who is not the Acting Assistant Secretary for Fossil Energy: *Provided further*, That no part of the sum herein made available shall be used for the field testing of nuclear explosives in the recovery of oil and gas: *Provided further*, That the funds provided under this head in fiscal year 1991 for the purchase of supercomputer time needed for Fossil Energy programmatic purpose shall be provided as a grant to the University of Nevada-Las Vegas: *Provided further*, That disbursements pursuant to such a grant shall be made only upon the actual use of such supercomputer time upon request by Fossil Energy and receipt by Fossil Energy of the products therefrom.

Of the funds provided herein, \$2,000,000 shall be available for a grant for the National Research Center for Coal and Energy, and \$1,500,000 shall be for a grant to be matched on an equal basis from other sources for the University of North Dakota Energy and Environmental Research Center.

Of the funds herein provided, \$40,800,000 is for implementation of the June 1984 multiyear, cost-shared magnetohydrodynamics program targeted on proof-of-concept testing: *Provided*, That 35 per centum private sector cash or in-kind contributions shall be required for obligations in fiscal year 1992, and for each subsequent fiscal year's obligations private sector contributions shall increase by 5 per centum over the life of the proof-of-concept plan: *Provided further*, That existing facilities, equipment, and supplies, or previously expended research or development funds are not cost-sharing for the purposes of this appropriation, except as amortized, depreciated, or expended in normal business practice: *Provided further*, That cost-sharing shall not be required for the costs of constructing or operating Government-owned facilities or for the costs of Government organizations, National Laboratories, or universities and such costs shall not be used in calculating the required percentage for private sector contributions: *Provided further*, That private sector contribution percentages need not be met on each contract but must be met in total for each fiscal year.

Funds in the amount of \$8,000,000 provided under this head in Public Law 101-512 to initiate a ten-year industry/government cooperative agreement to design, construct, and operate a proof-of-concept oil shale facility employing modified in-situ retorting and surface processing of mined shale and waste at Federal Prototype Oil Shale Lease Tract Cb near Meeker, Colorado, are rescinded.

ALTERNATIVE FUELS PRODUCTION

(INCLUDING TRANSFER OF FUNDS)

Monies received as investment income on the principal amount in the Great Plains Project Trust at the Norwest Bank of North

Dakota, in such sums as are earned as of October 1, 1991, shall be deposited in this account and immediately transferred to the General Fund of the Treasury. Monies received as revenue sharing from the operation of the Great Plains Gasification Plant shall be immediately transferred to the General Fund of the Treasury: *Provided*, That the Department of Energy shall not agree to modifications to the Great Plains Project Trust Agreement, dated October 31, 1988, that are not consistent with the following criteria: (1) for the purpose of financing a sulfur control technology project using Government contributions from the Trust, the cost of such project shall not include costs of plant downtime or outages; (2) upon modification of the Trust Agreement the Department shall immediately transfer \$20,000,000 from the Reserve Account to the Environmental Account, both established pursuant to section 2(b) of the Trust Agreement, and shall provide a loan from the Reserve Account for 40 per centum of the remaining project costs after the disbursement of funds from the Environmental Account in an amount not to exceed \$30,000,000 and at the rate of interest specified in sections 1 and 7(b) of the Trust Agreement; (3) no disbursements for construction shall be made from either the Reserve Account or from funds which have been transferred to the Environmental Account from the Reserve Account prior to receipt by Dakota Gasification Company of an amended Permit to Construct from the North Dakota State Department of Health; (4) the Government contribution from the Reserve Account shall be disbursed on a concurrent and proportional basis with the contribution from the Dakota Gasification Company; (5) repayment of any loan shall be from revenues not already due the Government as part of the Asset Purchase Agreement, dated October 7, 1988, and at least in proportion to the Government contribution to the costs of the project net of the disbursement from the Environmental Account, for any increased revenues or profits realized as a result of the sulfur control project; and (6) such contributions from the Reserve Account, including funds to be transferred to the Environmental Account, shall be made available contingent upon a finding by the Secretary, in the form of a report to Congress submitted not later than March 1, 1992, that such planned project modifications are cost effective and are expected to meet such environmental emissions requirements as may exist.

Reports.

NAVAL PETROLEUM AND OIL SHALE RESERVES

For necessary expenses in carrying out naval petroleum and oil shale reserve activities, \$235,300,000, to remain available until expended: *Provided*, That notwithstanding any other provision of law, revenues received from use and operation of Naval Petroleum Reserves Numbered 1, 2, and 3 and the Naval Oil Shale Reserves and estimated to total \$523,000,000 for fiscal year 1992 shall be retained and used for the specific purpose of offsetting costs incurred by the Department in carrying out naval petroleum and oil shale reserve activities: *Provided further*, That the sum herein appropriated shall be reduced as such revenues are received so as to result in a final fiscal year 1992 appropriation estimated at not more than \$0.

ENERGY CONSERVATION

For necessary expenses in carrying out energy conservation activities, \$543,166,000, to remain available until expended, including,

notwithstanding any other provision of law, the excess amount for fiscal year 1992 determined under the provisions of section 3003(d) of Public Law 99-509 (15 U.S.C. 4502): *Provided*, That \$243,433,000 shall be for use in energy conservation programs as defined in section 3008(3) of Public Law 99-509 (15 U.S.C. 4507) and shall not be available until excess amounts are determined under the provisions of section 3003(d) of Public Law 99-509 (15 U.S.C. 4502): *Provided further*, That notwithstanding section 3003(d)(2) of Public Law 99-509 such sums shall be allocated to the eligible programs in the same proportion for each program as in fiscal year 1991: *Provided further*, That of the sums for weatherization assistance for low-income persons, \$3,000,000 shall be for the incentive program authorized by section 415d of the Energy Conservation and Production Act, as amended by Public Law 101-440: *Provided further*, That \$2,000,000 of the amount under this heading shall be for metal casting research consistent with the provisions of Public Law 101-425: *Provided further*, That \$1,500,000 of the amount provided under this head shall be available for a grant to the National Center for Alternate Transportation Fuels: *Provided further*, That \$3,000,000 of the amount provided under this head, and such amounts as may be provided hereafter in appropriations Acts, shall be available to continue a contract funded in Public Law 101-512 for the development of an Integrated Management Information System for the steel industry, and the Government's share of the cost of such project shall not exceed 50 per centum using the same criteria for acceptance of contributions as for steel and aluminum research below: *Provided further*, That \$17,968,000 of the amount provided under this heading shall be available for continuing research and development efforts begun under title II of the Interior and Related Agencies portion of the joint resolution entitled "Joint Resolution making further continuing appropriations for the fiscal year 1986, and for other purposes", approved December 19, 1985 (Public Law 99-190), and implementation of steel and aluminum research authorized by Public Law 100-680: *Provided further*, That existing facilities, equipment, and supplies, or previously expended research or development funds are not accepted as contributions for the purposes of this appropriation, except as amortized, depreciated, or expensed in normal business practice: *Provided further*, That the total Federal expenditure under this proviso shall be repaid up to one and one-half times from the proceeds of the commercial sale, lease, manufacture, or use of technologies developed under this proviso, at a rate of one-fourth of all net proceeds: *Provided further*, That up to \$27,000,000 of the amount provided under this head is for electric and hybrid vehicle battery research to be conducted on a cooperative basis with non-Federal entities, such amounts to be available only as matched on an equal basis by such entities: *Provided further*, That section 303 of Public Law 97-257 is further amended by changing the number for the Office of the Assistant Secretary for Conservation and Renewables from "352" to "397".

STRATEGIC PETROLEUM RESERVE

(INCLUDING TRANSFER OF FUNDS)

For necessary expenses for Strategic Petroleum Reserve facility development and operations and program management activities pursuant to the Energy Policy and Conservation Act of 1975, as amended (42 U.S.C. 6201 et seq.), \$185,858,000, to remain available until expended, including \$122,685,000 to be derived by transfer from funds deposited in the "SPR petroleum account" as a result of the test sale of the Strategic Petroleum Reserve begun on September 26, 1990, as authorized under 42 U.S.C. 6241(g)(1): *Provided*, That the provisions of 42 U.S.C. 6241(g)(6)(B) shall not apply to the use of these funds: *Provided further*, That appropriations herein made shall not be available for leasing of facilities for the storage of crude oil for the Strategic Petroleum Reserve unless the quantity of oil stored in or deliverable to Government-owned storage facilities by virtue of contractual obligations is equal to 700,000,000 barrels.

SPR PETROLEUM ACCOUNT

For the acquisition and transportation of petroleum and for other necessary expenses as authorized under 42 U.S.C. 6247, \$15,100,000, to remain available until expended: *Provided*, That notwithstanding 42 U.S.C. 6240(d) the United States share of crude oil in Naval Petroleum Reserve Numbered 1 (Elk Hills) may be sold or otherwise disposed of to other than the Strategic Petroleum Reserve: *Provided further*, That no funds available in fiscal year 1992 in this, or any previous or subsequent appropriations Act, or made available in this account pursuant to 42 U.S.C. 6247(b) as a result of any test drawdown or drawdown and distribution of the Reserve under the provisions of 42 U.S.C. 6241 may be used in fiscal year 1992 for leasing, exchanging, or otherwise acquiring except by direct purchase crude oil from a foreign government, a foreign State-owned oil company, or an agent of either: *Provided further*, That the Secretary of Energy may negotiate contracts pursuant to the provisions of part C, title I of the Energy Policy and Conservation Act (42 U.S.C. 6211 et seq.), as contained in section 6 of Public Law 101-388: *Provided further*, That restrictions on leasing, exchanging, or otherwise acquiring except by direct purchase crude oil from a foreign government, a foreign State-owned oil company, or an agent of either which are contained under this head in Public Law 101-512 are hereby repealed: *Provided further*, That the running of the 12 month period described in section 161(g)(6)(B) of the Energy Policy and Conservation Act of 1975, as amended (42 U.S.C. 6241(g)(6)(B)), shall be suspended during fiscal year 1992: *Provided further*, That outlays in fiscal year 1992 resulting from the use of funds in this account other than those deposited as a result of a test sale or drawdown of the Reserve shall not exceed \$137,000,000.

ENERGY INFORMATION ADMINISTRATION

For necessary expenses in carrying out the activities of the Energy Information Administration, \$77,233,000, to remain available until expended.

ADMINISTRATIVE PROVISIONS, DEPARTMENT OF ENERGY

Appropriations under this Act for the current fiscal year shall be available for hire of passenger motor vehicles; hire, maintenance, and operation of aircraft; purchase, repair, and cleaning of uniforms; and reimbursement to the General Services Administration for security guard services.

From appropriations under this Act, transfers of sums may be made to other agencies of the Government for the performance of work for which the appropriation is made.

None of the funds made available to the Department of Energy under this Act shall be used to implement or finance authorized price support or loan guarantee programs unless specific provision is made for such programs in an appropriations Act.

The Secretary is authorized to accept lands, buildings, equipment, and other contributions from public and private sources and to prosecute projects in cooperation with other agencies, Federal, State, private, or foreign: *Provided*, That revenues and other moneys received by or for the account of the Department of Energy or otherwise generated by sale of products in connection with projects of the Department appropriated under this Act may be retained by the Secretary of Energy, to be available until expended, and used only for plant construction, operation, costs, and payments to cost-sharing entities as provided in appropriate cost-sharing contracts or agreements: *Provided further*, That the remainder of revenues after the making of such payments shall be covered into the Treasury as miscellaneous receipts: *Provided further*, That any contract, agreement, or provision thereof entered into by the Secretary pursuant to this authority shall not be executed prior to the expiration of 30 calendar days (not including any day in which either House of Congress is not in session because of adjournment of more than three calendar days to a day certain) from the receipt by the Speaker of the House of Representatives and the President of the Senate of a full comprehensive report on such project, including the facts and circumstances relied upon in support of the proposed project.

Reports.

The Secretary of Energy may transfer to the Emergency Preparedness appropriation such funds as are necessary to meet any unforeseen emergency needs from any funds available to the Department of Energy from this Act.

Notwithstanding any other provision of law, the Secretary of Energy may enter into a contract, agreement, or arrangement, including, but not limited to, a Management and Operating Contract as defined in the Federal Acquisition Regulations (17.601), with a profit-making or non-profit entity to conduct activities at the Department of Energy's research facilities at Bartlesville, Oklahoma.

LAND TRANSFER AND CONVEYANCE, PEASE AIR FORCE BASE, NEW
HAMPSHIRE

16 USC 668dd
note.

Hazardous
substances.

SEC. 319. (a) **TRANSFER BY THE AIR FORCE.**—Notwithstanding any other provision of law, the Secretary of the Air Force shall transfer to the Department of the Interior a parcel of real property located west of McIntyre Road at the site of former Pease Air Force Base, New Hampshire: *Provided*, That the Secretary of the Air Force shall retain responsibility for any hazardous substances which may be found on the property so transferred.

(b) **ESTABLISHMENT OF NATIONAL WILDLIFE REFUGE.**—Except as provided in subsection (c), the Secretary of the Interior shall designate the parcel of land transferred under subsection (a) as an area in the National Wildlife Refuge System under the authority of section 4 of the Act of October 15, 1966 (16 U.S.C. 688dd).

(c) **CONVEYANCE TO STATE OF NEW HAMPSHIRE.**—

(1) **CONVEYANCE.**—Subject to paragraphs (2) through (5), the Secretary of the Interior shall convey to the State of New Hampshire, without consideration, all right, title, and interest of the United States in and to a parcel of real property consisting of not more than 100 acres that is a part of the real property transferred to the Secretary under subsection (a) and that the Secretary determines to be suitable for use as a cemetery.

(2) **CONDITION OF CONVEYANCE.**—The conveyance under paragraph (1) shall be subject to the condition that the State of New Hampshire use the property conveyed under that paragraph only for the purpose of establishing and operating a State cemetery for veterans.

(3) **REVERSION.**—If the Secretary determines at any time that the State of New Hampshire is not complying with the condition specified in paragraph (2), all right, title, and interest in and to the property conveyed pursuant to paragraph (1), including any improvements thereon, shall revert to the United States and the United States shall have the right of immediate entry thereon.

(4) **DESCRIPTION OF PROPERTY.**—The exact acreage and legal description of the parcel of real property to be conveyed under paragraph (1) shall be determined by a survey that is satisfactory to the Secretary.

(5) **ADDITIONAL TERMS AND CONDITIONS.**—The Secretary may require any additional terms or conditions in connection with the conveyance under this subsection that the Secretary determines appropriate to protect the interests of the United States.

(d) The purposes for which this national wildlife refuge is established are—

(1) to encourage the natural diversity of plant, fish, and wildlife species within the refuge, and to provide for their conservation and management;

(2) to protect species listed as endangered or threatened, or identified as candidates for listing pursuant to the Endangered Species Act of 1973 (16 U.S.C. 1531 et seq.);

(3) to preserve and enhance the water quality of aquatic habitat within the refuge; and

(4) to fulfill the international treaty obligations of the United States relating to fish and wildlife.

SEC. 320. Amend section 12(d)(2) of Public Law 94-204 (The Act of January 2, 1976) as follows:

43 USC 1611
note.

(a) In the second sentence of the first proviso, following the words "public purposes" insert a period. Following the period add the following: "An area encompassing approximately sixty-two acres and depicted on the map entitled 'Native Heritage Park Proposal' and on file with the Secretary shall be managed".

(b) At the end of this section, add a new proviso: "*Provided further*, That to the extent necessary, any and all conveyance documents executed concerning the conveyance of the lands referred to in this proviso shall be deemed amended accordingly to conform to this proviso".

This Act may be cited as the "Department of the Interior and Related Agencies Appropriations Act, 1992".

Approved November 13, 1991.
