## EXPRESSION OF AMERICAN FRIENDSHIP

June 26, 1951  
 [S. Con. Res. 11]

Whereas the goal of the American people is now, and ever has been, a just and lasting peace; and  
 Whereas the deepest wish of our Nation is to join with all other nations in preserving the dignity of man, and in observing those moral principles which alone lend meaning to his existence; and  
 Whereas, in proof of this, the United States has offered to share all that is good in atomic energy, asking in return only safeguards against the evil in the atom; and  
 Whereas the Congress reaffirms its policy as expressed in law "to continue to exert maximum efforts to obtain agreements to provide the United Nations with armed forces as contemplated in the Charter and agreements to achieve universal control of weapons of mass destruction and universal regulation and reduction of armaments, including armed forces, under adequate safeguards to protect complying nations against violation and evasion"; and  
 Whereas this Nation has likewise given of its substance and resources to help those peoples ravaged by war and poverty; and  
 Whereas terrible danger to all free peoples compels the United States to undertake a vast program of armaments expenditures; and  
 Whereas we rearm only with reluctance and would prefer to devote our energies to peaceful pursuits: Now, therefore, be it

*Resolved by the Senate (the House of Representatives concurring),*  
That the Congress of the United States reaffirms the historic and abiding friendship of the American people for all other peoples, and declares—

That the American people deeply regret the artificial barriers which separate them from the peoples of the Union of Soviet Socialist Republics, and which keep the Soviet peoples from learning of the desire of the American people to live in friendship with all other peoples, and to work with them in advancing the ideal of human brotherhood; and

That the American people believe the Soviet Government could advance the cause of peace immeasurably by removing those artificial barriers, thus permitting the free exchange of information between our peoples; and

That the American people and their Government desire neither war with the Soviet Union nor the terrible consequences of such a war; and

That, although they are firmly determined to defend their freedom and security, the American people welcome all honorable efforts to resolve the differences standing between the United States Government and the Soviet Government and invite the peoples of the Soviet Union to cooperate in a spirit of friendship in this endeavor; and

That the Congress request the President of the United States to call upon the Government of the Union of Soviet Socialist Republics to acquaint the peoples of the Soviet Union with the contents of this resolution.

Agreed to June 26, 1951.
