

*Resolved by the Senate (the House of Representatives concurring),*  
That the Congress of the United States reaffirms the historic and abiding friendship of the American people for all other peoples, and declares—

That the American people deeply regret the artificial barriers which separate them from the peoples of the Union of Soviet Socialist Republics, and which keep the Soviet peoples from learning of the desire of the American people to live in friendship with all other peoples, and to work with them in advancing the ideal of human brotherhood; and

That the American people believe the Soviet Government could advance the cause of peace immeasurably by removing those artificial barriers, thus permitting the free exchange of information between our peoples; and

That the American people and their Government desire neither war with the Soviet Union nor the terrible consequences of such a war; and

That, although they are firmly determined to defend their freedom and security, the American people welcome all honorable efforts to resolve the differences standing between the United States Government and the Soviet Government and invite the peoples of the Soviet Union to cooperate in a spirit of friendship in this endeavor; and

That the Congress request the President of the United States to call upon the Government of the Union of Soviet Socialist Republics to acquaint the peoples of the Soviet Union with the contents of this resolution.

Agreed to June 26, 1951.
