"Sec. 3. (a) There are hereby authorized to be appropriated for the purposes of this Act such sums as Congress may from time to time determine to be necessary.

"(b) Out of such sums, each State, Alaska, Hawaii, Puerto Rico, and the Federal Extension Service shall be entitled to receive annually a sum of money equal to the sums received from Federal cooperative extension funds for the fiscal year 1953, and such sums shall be subject to the same requirements as to furnishing of equivalent sums by the State, Alaska, Hawaii, and Puerto Rico as existed immediately prior to the passage of this Act, except that amounts heretofore made available to the Secretary for allotment on the basis of special needs shall continue available for use on the same basis: Provided, That, in addition, Puerto Rico shall be authorized to receive the total initial amount set by the provisions of the Act of October 26, 1949 (63 Stat. 926), and this amount shall be increased each succeeding fiscal year in accordance with such provisions until the total sum shall include the maximum amount set by the provisions of the Act of October 26, 1949, and Puerto Rico shall be entitled to receive such amount annually thereafter.

"(c) Any sums made available by the Congress for further development of cooperative extension work in addition to those referred to in subsection (b) hereof shall be distributed as follows:

1. Four per centum of the sum so appropriated for each fiscal year shall be allotted among the States, Alaska, Hawaii, and Puerto Rico by the Secretary of Agriculture on the basis of special needs as determined by the Secretary.

"(d) The Federal Extension Service shall receive such amounts as Congress shall determine for administration, technical, and other services and for coordinating the extension work of the Department and the several States, Territories, and possessions.
“SEC. 4. On or about the first day of July in each year after the passage of this Act, the Secretary of Agriculture shall ascertain as to each State, Territory, or possession whether it is entitled to receive its share of the annual appropriation for cooperative agricultural extension work under this Act and the amount which it is entitled to receive. Before the funds herein provided shall become available to any college for any fiscal year, plans for the work to be carried on under this Act shall be submitted by the proper officials of each college and approved by the Secretary of Agriculture. Such sums shall be paid in equal semiannual payments on the first day of January and July of each year, a detailed statement of the amount so received during the previous fiscal year and its disbursement, on forms prescribed by the Secretary of Agriculture.

No portion of said moneys shall be applied, directly or indirectly, to the purchase, erection, preservation, or repair of any building or buildings, or the purchase or rental of land, or in college-course teaching, lectures in college, or any other purpose not specified in this Act. It shall be the duty of said colleges, annually, on or about the first day of January, to make to the Governor of the State, Territory, or possession in which it is located a full and detailed report of its operations in extension work as defined in this Act, including a detailed statement of receipts and expenditures from all sources for this purpose, a copy of which report shall be sent to the Secretary of Agriculture.

“SEC. 6. If the Secretary of Agriculture finds that a State, Territory, or possession is not entitled to receive its share of the annual appropriation, the facts and reasons therefor shall be reported to the President, and the amount involved shall be kept separate in the Treasury until the expiration of the Congress next succeeding a session of the legislature of the State, Territory, or possession from which funds have been withheld in order that the State, Territory, or possession may, if it should so desire, appeal to Congress from the determination of the Secretary of Agriculture. If the next Congress shall not direct such sum to be paid, it shall be covered into the Treasury.

“SEC. 7. The Secretary of Agriculture shall make an annual report to Congress of the receipts, expenditures, and results of the cooperative agricultural extension work in all of the States, Territories, or possessions receiving the benefits of this Act, and also whether the appropriation of any State, Territory, or possession has been withheld, and, if so, the reason therefor.

“SEC. 8. The Secretary of Agriculture is authorized to make such rules and regulations as may be necessary for carrying out the provisions of this Act.”
