CHAPTER 673

AN ACT

To amend the Act entitled "An Act to establish a code of law for the District of Columbia", approved March 3, 1901, and for other purposes.

August 9, 1955
[H. R. 6585]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 927 of the Act entitled "An Act to establish a code of law for the District of Columbia", approved March 3, 1901, as amended (sec. 24-301, D. C. Code, 1951 edition), is amended to read as follows:

D. C. insane
criminals.
59 Stat. 311.

"SEC. 927. (a) Whenever a person is arrested, indicted, charged by information, or is charged in the juvenile court of the District of

Columbia, for or with an offense and, prior to the imposition of sentence or prior to the expiration of any period of probation, it shall appear to the court from the court's own observations, or from prima facie evidence submitted to the court, that the accused is of unsound mind or is mentally incompetent so as to be unable to understand the proceedings against him or properly to assist in his own defense, the court may order the accused committed to the District of Columbia General Hospital or other mental hospital designated by the court, for such reasonable period as the court may determine for examination and observation and for care and treatment if such is necessary by the psychiatric staff of said hospital. If, after such examination and observation, the superintendent of the hospital, in the case of a mental hospital, or the chief psychiatrist of the District of Columbia General Hospital, in the case of District of Columbia General Hospital, shall report that in his opinion the accused is of unsound mind or mentally incompetent, such report shall be sufficient to authorize the court to commit by order the accused to a hospital for the mentally ill unless the accused or the Government objects, in which event, the court, after hearing without a jury, shall make a judicial determination of the competency of the accused to stand trial. If the court shall find the accused to be then of unsound mind or mentally incompetent to stand trial, the court shall order the accused confined to a hospital for the mentally ill.

“(b) Whenever an accused person confined to a hospital for the mentally ill is restored to mental competency in the opinion of the superintendent of said hospital, the superintendent shall certify such fact to the clerk of the court in which the indictment, information, or charge against the accused is pending and such certification shall be sufficient to authorize the court to enter an order thereon adjudicating him to be competent to stand trial, unless the accused or the Government objects, in which event, the court, after hearing without a jury, shall make a judicial determination of the competency of the accused to stand trial.

“(c) When any person tried upon an indictment or information for an offense, or tried in the juvenile court of the District of Columbia for an offense, is acquitted solely on the ground that he was insane at the time of its commission, that fact shall be set forth by the jury in their verdict.

“(d) If any person tried upon an indictment or information for an offense, or tried in the juvenile court of the District of Columbia for an offense, is acquitted solely on the ground that he was insane at the time of its commission, the court shall order such person to be confined in a hospital for the mentally ill.

“(e) Where any person has been confined in a hospital for the mentally ill pursuant to subsection (d) of this section, and the superintendent of such hospital certifies (1) that such person has recovered his sanity, (2) that, in the opinion of the superintendent, such person will not in the reasonable future be dangerous to himself or others, and (3) in the opinion of the superintendent, the person is entitled to his unconditional release from the hospital, and such certificate is filed with the clerk of the court in which the person was tried, and a copy thereof served on the United States Attorney or the Corporation Counsel of the District of Columbia, whichever office prosecuted the accused, such certificate shall be sufficient to authorize the court to order the unconditional release of the person so confined from further hospitalization at the expiration of fifteen days from the time said certificate was filed and served as above; but the court in its discretion may, or upon objection of the United States or the District of Colum-

bia shall, after due notice, hold a hearing at which evidence as to the mental condition of the person so confined may be submitted, including the testimony of one or more psychiatrists from said hospital. The court shall weigh the evidence and, if the court finds that such person has recovered his sanity and will not in the reasonable future be dangerous to himself or others, the court shall order such person unconditionally released from further confinement in said hospital. If the court does not so find, the court shall order such person returned to said hospital. Where, in the judgment of the superintendent of such hospital, a person confined under subsection (d) above is not in such condition as to warrant his unconditional release, but is in a condition to be conditionally released under supervision, and such certificate is filed and served as above provided, such certificate shall be sufficient to authorize the court to order the release of such person under such conditions as the court shall see fit at the expiration of fifteen days from the time such certificate is filed and served pursuant to this section: *Provided*, That the provisions as to hearing prior to unconditional release shall also apply to conditional releases, and, if, after a hearing and weighing the evidence, the court shall find that the condition of such person warrants his conditional release, the court shall order his release under such conditions as the court shall see fit, or, if the court does not so find, the court shall order such person returned to such hospital.

“(f) When an accused person shall be acquitted solely on the ground of insanity and ordered confined in a hospital for the mentally ill, such person and his estate shall be charged with the expense of his support in such hospital.

“(g) Nothing herein contained shall preclude a person confined under the authority of this section from establishing his eligibility for release under the provisions of this section by a writ of habeas corpus.

“(h) The provisions of this section shall supersede in the District of Columbia the provisions of any Federal statutes or parts thereof inconsistent with this section.”

SEC. 2. Section 928 of such Act approved March 3, 1901, as amended, is amended to read as follows:

“SEC. 928. Any person while serving sentence of any court of the District of Columbia for crime, in a District of Columbia penal institution, and who, in the opinion of the Director of the Department of Corrections of the District of Columbia, is mentally ill, shall be referred by such Director to the psychiatrist functioning under section 405 of title IV of the Act approved June 29, 1953 (67 Stat. 105; sec. 24-106, Supp. III, D. C. Code, 1951 edition), and if such psychiatrist certifies that the person is mentally ill, this shall be sufficient to authorize the Director to transfer such person to a hospital for the mentally ill to receive care and treatment during the continuance of his mental illness.”

SEC. 3. Section 929 of such Act approved March 3, 1901, as amended, is amended to read as follows:

“SEC. 929. (a) When any person confined in a hospital for the mentally ill, charged with crime and subject to be tried therefor, shall be found competent to stand trial in the opinion of the superintendent of such hospital, the superintendent shall certify such fact to the clerk of the court in which the indictment, information, or charge is pending, in accordance with the procedure specified in section 927 of this Act, and deliver such person to the court according to its proper precept.
