Public Law 1027

AN ACT

To promote the fishing industry in the United States and its Territories by providing for the training of needed personnel for such industry.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) the Secretary of the Interior is authorized to make grants, out of funds appropriated for the purposes of this section, to public and nonprofit private universities and colleges in the several States and Territories of the United States for such purposes as may be necessary to promote the education and training of professionally trained personnel (including scientists, technicians, and teachers) needed in the field of commercial fishing. Any amount appropriated for the purposes of this section shall be apportioned on an equitable basis, as determined by the Secretary of the Interior, among the several States and Territories for the purpose of making grants within each such State and Territory. In making such apportionment the Secretary of the Interior shall take into account the extent of the fishing industry within each State and Territory as compared with the total fishing industry of the United States (including Territories), and such other factors as may be relevant in view of the purposes of this section.

(b) There are authorized to be appropriated not in excess of $550,000 for the fiscal year beginning on July 1, 1955, and for each fiscal year thereafter for the purposes of this section.

(c) The Secretary of the Interior may establish such regulations as may be necessary to carry out the provisions of this section.

Approved August 8, 1956.
