

Additional sums.

SEC. 105. In addition to the sums authorized to be appropriated to the Atomic Energy Commission by section 101 of this Act, there are hereby authorized to be appropriated to the Atomic Energy Commission to accomplish the purposes of this Act such sums of money as may be currently available to the Atomic Energy Commission.

Substitute projects.

SEC. 106. Funds authorized to be appropriated or otherwise made available by this Act may be used to start any other new project for which an estimate was not included in this Act if it be a substitute for a project authorized in subsections 101 (a), 101 (b), or 101 (f), and the estimated cost thereof is within the limit of cost of the project for which substitution is to be made, and the Commission certifies that—

(a) the project is essential to the common defense and security; and

(b) the new project is required by changes in weapon characteristics or weapon logistic operations;

(c) it is unable to enter into a contract with any person, including a licensee, on terms satisfactory to the Commission to furnish from a privately owned plant or facility the product or services to be provided in the new project.

[H. R. 4047]

Relating to the establishment of public recreation facilities in Alaska, and for other purposes.

Alaska.  
Recreation facilities.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the Secretary of the Interior, as an aid in the settlement and development of the Territory of Alaska, for a period of five years after the approval of this Act, is authorized to construct campgrounds and parking areas, including necessary access roads thereto, and other public recreation-area facilities in Alaska and to maintain them pending their transfer to appropriate Territorial agencies and communities: *Provided,* That no lodges, hotels, or other structures providing overnight accommodations for the public shall be constructed pursuant to this Act. Such public recreation facilities may be constructed upon lands under the Secretary's administrative jurisdiction that are not needed for other public purposes. The Secretary is authorized to transfer, upon such terms and conditions as he may consider to be in the public interest, to appropriate Territorial agencies and communities for operation and maintenance such of the aforesaid public facilities and land relating thereto as he shall deem in the public interest.

Appropriations.

SEC. 2. There is hereby authorized to be appropriated the sum of \$100,000 per year for each of the fiscal years ending June 30, 1957, June 30, 1958, June 30, 1959, June 30, 1960, and June 30, 1961.
