*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That section 7 of the Act entitled "An Act to provide for a per capita distribution of Menominee tribal funds and authorize the withdrawal of the Menominee Tribe from Federal jurisdiction", approved June 17, 1954 (68 Stat. 250), is amended to read as follows:

Menominee Indians.

"SEC. 7. The tribe shall as soon as possible and in no event later than December 31, 1957, formulate and submit to the Secretary a plan for the future control of the tribal property and service functions now conducted by or under the supervision of the United States, including, but not limited to, services in the fields of health, education, welfare, credit, roads, and law and order, and for all other matters involved in the withdrawal of Federal supervision. The Secretary is authorized to provide such reasonable assistance as may be requested by officials of the tribe in the formulation of the plan heretofore referred to, including necessary consultations with representatives of Federal departments and agencies, officials of the State of Wisconsin and political subdivisions thereof, and members of the tribe: *Provided,* That the responsibility of the United States to furnish all such supervision and services to the tribe and to the members thereof, because of their status as Indians, shall cease on December 31, 1958, or on such earlier date as may be agreed upon by the tribe and the Secretary. The plan shall contain provision for protection of the forest on a sustained yield basis, and for the protection of the water, soil, fish and wildlife. To the extent necessary, the plan shall provide for such terms of transfer pursuant to section 8 of this Act, by trust or otherwise, as shall insure the continued fulfillment of the plan. The Secretary, after approving the plan, shall cause the plan to be published

The Secretary is authorized, in his discretion, to transfer to the tribe or any member or group of members thereof any federally owned property acquired, withdrawn, or used for the administration of the affairs of the tribe which he deems necessary for Indian use, or to transfer to a public or nonprofit body any such property which he deems necessary for public use and from which members of the tribe will derive benefits."
