July 30, 1956  
[S. J. Res. 183]

Authorizing an appropriation to enable the United States to extend an invitation to the World Health Organization to hold the Eleventh World Health Assembly in the United States in 1958.

Whereas the Eleventh World Health Assembly is scheduled to be held in 1958; and

Whereas the year 1958 is considered particularly appropriate for holding the assembly in the United States since that year will mark the decennial anniversary of the entry into force of the constitution of the World Health Organization, which was originally drawn up and signed in New York City; and

Whereas the assembly and related functions will provide outstanding opportunities for the Ministers and Directors of Health of the World Health Organization's eighty-eight member countries to view American health and medical methods in practice, and to make and renew friendships among American health and medical leaders; and

Whereas the assembly will focus public attention in the United States on the important work of the World Health Organization as an integral part of the economic and social program of the United Nations and as a constructive work contributing to better international appreciation and world peace; and

Whereas American health and medical groups and certain urban organizations have suggested arrangements to make the World Health Assembly in the United States a particularly useful professional occasion through related seminars, field trips, and social activities; and

Whereas the cost of holding an assembly in the United States would exceed the amount provided in the budget of the World Health Organization for holding an assembly in Geneva, Switzerland, the headquarters of the Organization: Therefore be it

*Resolved by the Senate and House of Representatives of the United States of America in Congress assembled,* That there is authorized to be appropriated to the Department of State, out of any money in the Treasury not otherwise appropriated, the sum of \$400,000 for the purpose of defraying the expenses incident to organizing and holding the Eleventh World Health Assembly in the United States.
