UTAH AND COLORADO

April 6, 1956
[No. 3132]

A PROCLAMATION

WHEREAS it appears that public lands described as SW $\frac{1}{4}$ NE $\frac{1}{4}$, section 20, Township 39 South, Range 26 East, Salt Lake Base and Meridian, which contain no objects of historic or scientific interest were erroneously included in the Hovenweep National Monument in Utah and Colorado by Proclamation No. 1654 of March 2, 1923 (42 Stat. 2299); and

WHEREAS it appears that public lands described as SE $\frac{1}{4}$ NE $\frac{1}{4}$ of such section 20 which contain ruin groups worthy of preservation because of their historic and scientific value were erroneously omitted from the monument; and

WHEREAS there are other public lands contiguous to the monument which contain an important ruin group, Cutthroat Castle, an outstanding example of a defensive structure of the thirteenth century, the preservation of which is desirable because of its historic and scientific value; and

WHEREAS it appears that it would be in the public interest to reserve such lands as an addition to such monument:

Hovenweep National Monument,
Utah-Colo.
