

of project 16 consents to the surrender of its license at the completion of the construction of such project works upon terms agreed to by both licensees and approved by the Federal Power Commission which shall include the following: (a) the licensee of project 16 shall waive and release any claim for compensation or damages from the Power Authority of the State of New York or from the State of New York, except just compensation for tangible property and rights-of-way actually taken, and (b) without limiting the generality of the foregoing, the licensee of project 16 shall waive all claims to compensation or damages based upon loss of or damage to riparian rights, diversionary rights, or other rights relating to the diversion or use of water, whether founded on legislative grant or otherwise.

Transmission lines.

(4) The licensee shall, if available on reasonable terms and conditions, acquire by purchase or other agreement, the ownership or use of, or if unable to do so, construct such transmission lines as may be necessary to make the power and energy generated at the project available in wholesale quantities for sale on fair and reasonable terms and conditions to privately owned companies, to the preference customers enumerated in paragraph (1) of this subsection, and to the neighboring States in accordance with paragraph (2) of this subsection.

Contracts for resale.

(5) In the event project power is sold to any purchaser for resale, contracts for such sale shall include adequate provisions for establishing resale rates, to be approved by the licensee, consistent with paragraphs (1) and (3) of this subsection.

Scenic drive and park.

(6) The licensee, in cooperation with the appropriate agency of the State of New York which is concerned with the development of parks in such State, may construct a scenic drive and park on the American side of the Niagara River, near the Niagara Falls, pursuant to a plan the general outlines of which shall be approved by the Federal Power Commission; and the cost of such drive and park shall be considered a part of the cost of the power project and part of the licensee's net investment in said project: *Provided*, That the maximum part of the cost of such drive and park to be borne by the power project and to be considered a part of the licensee's net investment shall not exceed \$15,000,000.

Cost.

Remedial works.

(7) The licensee shall pay to the United States and include in its net investment in the project herein authorized the United States share of the cost of the construction of the remedial works, including engineering and economic investigations, undertaken in accordance with article II of the treaty between the United States of America and Canada concerning uses of the waters of the Niagara River signed February 27, 1950, whenever such remedial works are constructed.

1 UST 696; 5 UST 1979.
Rules governing issuance.

18 CFR Part 1.

SEC. 2. The license issued under the terms of this Act shall be granted in conformance with Rules of Practice and Procedure of the Federal Power Commission, but in the event of any conflict, the provisions of this Act shall govern in respect of the project herein authorized.

Approved August 21, 1957.

Public Law 85-160

AN ACT

To authorize amendment of the irrigation repayment contract of December 28, 1950, between the United States and the Mirage Flats Irrigation District, Nebraska.

August 21, 1957
[H. R. 5679]

Mirage Flats Irrigation District, Nebr.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Interior is authorized to enter into an agreement with the

Mirage Flats Irrigation District, Nebraska, amending the contract between the United States and said district dated December 28, 1950 (a) to provide for the application of \$12,642 of accumulated development period credits to reduction of presently delinquent construction charge payments and accumulated penalties thereon, (b) to reduce the thirty-eighth annual construction charge installment under said contract to \$24,890, (c) to schedule for payment in the thirty-ninth year any balance of the construction charge obligation, and (d) to include a provision whereby the scheduled annual payments will be increased or decreased in accordance with a formula reflecting economic factors pertinent to the ability of the organization to pay and the number of years allowed for full repayment will vary accordingly.

Approved August 21, 1957.

Public Law 85-161

AN ACT

To amend Public Law 815, Eighty-first Congress, relating to school construction in federally affected areas, to make its provisions applicable to Wake Island.

August 21, 1957
[H. R. 7540]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 210 (14) of the Act of September 23, 1950 (Public Law 815, Eighty-first Congress), is amended by striking out "or the Virgin Islands" and inserting "the Virgin Islands, or Wake Island".

64 Stat. 977.
20 USC 280.

Approved August 21, 1957.
