ON ALSIKE CLOVER SEED

June 24, 1957
[No. 3187]

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

1. WHEREAS, pursuant to the authority vested in me by section 350 of the Tariff Act of 1930, as amended, and by section 7 (c) of the Trade Agreements Extension Act of 1951, as amended, on June 30, 1954, I issued Proclamation No. 3059 (3 CFR, 1954 Supp. 26-27) modifying item 763 of Part I of Schedule XX (original) annexed to the General Agreement on Tariffs and Trade, and on June 29, 1955, I further modified the said item 763 by Proclamation No. 3100 (3 CFR, 1955 Supp. 32-33) so as to provide that not more than 2,500,000 pounds of alsike clover seed described in the said item 763 entered, or withdrawn from warehouse, for consumption during each 12-month period beginning July 1 in the years 1955 and 1956 should be dutiable at 2 cents per pound and that any such seed not subject to the rate of 2 cents per pound should be dutiable at 6 cents per pound; and

2. WHEREAS section 7 of the Trade Agreements Extension Act of 1951, as amended, provides that the modification of a trade-agreement concession pursuant to such section 7 shall be for such time as is necessary to prevent or remedy serious injury to the domestic industry concerned; and

3. WHEREAS the said further modification of the said item 763 for the period of two years ending June 30, 1957, was made with a view to a later determination of the need for continuing the said further modification beyond June 30, 1957; and

4. WHEREAS on March 14, 1957, I requested the United States Tariff Commission to make an investigation under paragraph 2 of Executive Order No. 10401 of October 14, 1952 (3 CFR, 1952 Supp. 105-6), to determine whether and to what extent the tariff quota on imports of alsike clover seed established by the said further modification will remain necessary after June 30, 1957; and

5. WHEREAS, on May 8, 1957, the United States Tariff Commission reported to me that as a result of the investigation made pursuant to my request referred to in the fourth recital of this proclamation the Commission has found that the continuation beyond June 30, 1957, of the modification of the trade-agreement concession on alsike clover seed as set forth in Proclamation No. 3100, referred to in the first recital of this proclamation, will remain necessary in order to prevent serious injury to the domestic industry concerned; and

6. WHEREAS section 350 of the Tariff Act of 1930, as amended authorizes the President to proclaim such modification of existing duties and such additional import restrictions as are required or appropriate to carry out any foreign trade agreement that the President has entered into under the said section 350; and

7. WHEREAS I find that the further modification of the concession granted in the said General Agreement with respect to alsike clover seed described in the said item 763 to permit the application to such seed of the duty treatment hereinafter proclaimed is necessary to prevent serious injury to the domestic industry producing the like or directly competitive product, and that upon such further modification of the said concession it will be appropriate to carry out the said General Agreement to apply to alsike clover seed the duty treatment hereinafter proclaimed:
