AN ACT

To provide for the disposal of federally owned property of the Hanson, Company, and Houma Canals, Louisiana, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That, whenever the Secretary of the Army, upon recommendation of the Chief of Engineers, determines that any of the federally owned property of Hanson Canal and Lock in Saint Mary Parish, Louisiana, and the Company and Houma Canals in Lafourche and Terrebonne Parishes, Louisiana, no longer economically serve the purposes for which they were constructed or acquired, the structures and appurtenances including real property acquired in connection therewith may be eliminated as features of existing Federal navigation projects.

Sec. 2. The Secretary of the Army is authorized to transfer or convey the property described above to the State of Louisiana or any of its political subdivisions, any local interests, or others, upon such terms and conditions as the Secretary may determine to be in the public interest; Provided, That the foregoing shall not be construed to preclude action under the Federal Property and Administrative Services Act of 1949 (43 Stat. 377) if the Secretary of the Army reports the property to the Administrator of General Services for reassignment or disposal as excess real property.
