TITLE VI

GENERAL PROVISIONS

SEC. 601. Funds appropriated to the military departments for construction in prior years are hereby made available for construction authorized for each such department by the authorizations enacted into law during the second session of the Eighty-fifth Congress.

SEC. 602. None of the funds appropriated in this chapter shall be expended for payments under a cost-plus-a-fixed-fee contract for work where cost estimates exceed $25,000 to be performed within the continental United States without the specific approval in writing of the Secretary of Defense setting forth the reasons therefor.

SEC. 603. None of the funds appropriated in this chapter shall be expended for additional costs involved in expediting construction unless the Secretary of Defense certifies such costs to be necessary to protect the national interest and establishes a reasonable completion date for each project, taking into consideration the urgency of the requirement, the type and location of the project, the climatic and seasonal conditions affecting the construction and the application of economical construction practices.

SEC. 604. None of the funds appropriated in this chapter shall be used for the construction, replacement, or reactivation of any bakery, laundry, or dry-cleaning facility in the United States, its Territories or possessions, as to which the Secretary of Defense does not certify, in writing, giving his reasons therefor, that the services to be furnished by such facilities are not obtainable from commercial sources at reasonable rates.

SEC. 605. Funds appropriated to the military departments for construction are hereby made available for: (1) advance planning, construction design and architectural services, as authorized by section 504 of the Act of September 28, 1951, as amended (31 Stat. 723), (2) acquisition of land, installation of outside utilities, and site preparation for housing projects to be constructed under title VIII of the National Housing Act, as amended, as authorized by section 505 of the Act of September 28, 1951 (65 Stat. 365), and (3) hire of passenger motor vehicles.

SEC. 606. Appropriations to the military departments for construction may be charged for the cost of administration, supervision and inspection of family housing authorized pursuant to title IV of the Act of August 11, 1955 (Public Law 345), in an amount not to exceed three and one-half per centum of the cost of each such project:
Provided, That such appropriations shall be reimbursed from the proceeds of any mortgage executed on each such project.

Sec. 607. Funds appropriated to the military departments for construction may be used for advances to the Bureau of Public Roads, Department of Commerce, for the purposes of section 6 of the Defense Highway Act of 1941 (55 Stat. 765), as amended, and section 12 of the Federal-Aid Highway Act of 1950 (64 Stat. 785), as amended, when projects authorized therein are certified as important to the national defense by the Secretary of Defense.

Sec. 608. The family unit costs for family housing including land authorized to be purchased by section 103 of the Act of August 30, 1957 (Public Law 85-241), may exceed by not more than 15 per centum the respective limitations on such costs contained in this Act.

Sec. 609. None of the funds appropriated in this chapter may be used to begin construction on new bases for which specific appropriations have not been made.

Sec. 610. During the current fiscal year, appropriations available for construction of family quarters for personnel shall not be obligated for such construction at a cost per family unit in excess of $22,000 on housing units for generals or equivalent; $19,800 on housing units for colonels or equivalent; $17,600 on housing units for majors and lieutenant colonels, or equivalent; $15,400 on housing units for second lieutenants, lieutenants, captains, and warrant officers, or equivalent; or $13,200 on housing units for enlisted personnel, except that when such units are constructed outside the continental United States or in Alaska, the average cost per unit of all such units shall not exceed $32,000 and in no event shall the individual cost exceed $40,000.

Sec. 611. No part of the funds contained in this Act shall be used to incur obligations for the planning, design, or construction of facilities for an Air Force Academy the total cost of which will be in excess of $139,797,000.

Sec. 612. No part of the funds provided in this Act shall be used for purchase of land or land easements in excess of 110 per centum of the value as determined by the Corps of Engineers or the Bureau of Yards and Docks, except: (a) where there is a determination of value by a Federal court, (b) purchases negotiated by the Attorney General or his designee, and (c) where the estimated value is less than $25,000.

Sec. 613. No part of the funds contained in this Act shall be used for the construction of a hospital at the Air Force Academy at a cost in excess of $3,600,000.

Sec. 614. Such appropriations of the Department of Defense, available for obligation during the current fiscal year, as may be designated by the Secretary of Defense shall be available for the purposes of section 1 of the Act approved April 3, 1958 (72 Stat. 78): Provided, That any such appropriations so utilized shall be accounted for under the limitation established by section 4 of said Act.

Sec. 615. This Act may be cited as the “Military Construction Appropriation Act, 1959”.

Approved August 28, 1958.
