Sec. 8. The proviso in the Act of May 11, 1922, making appropriations for the Department of Agriculture for the fiscal year ending June 30, 1923, under the item "General expenses, Forest Service" limiting the expenditure of funds for publication (42 Stat. 507, 521, 16 U. S. C. 556) is hereby amended by substituting for the phrase "And provided further," the phrase "Provided further" and adding a further proviso so that the limiting provisions shall read "Provided further. Sec. 9. Section 5 of the Act of March 3, 1925, as amended (16 U. S. C. 555), is hereby further amended by changing the amount in the last proviso to $60,000.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) the annuity of each retired employee or Member of Congress who, on August 1, 1958, is receiving or entitled to receive an annuity from the civil service retirement and disability fund based on service which terminated prior to October 1, 1956, shall be increased by 10 per centum, but no such increase shall exceed $500 per annum.

(b) The annuity otherwise payable from the civil service retirement and disability fund to—

(1) each survivor who on August 1, 1958, is receiving or entitled to receive an annuity based on service which terminated prior to October 1, 1956, and

(2) each survivor of a retired employee or Member of Congress described in subsection (a) of this section, shall be increased by 10 per centum. No increase provided by this subsection shall exceed $250 per annum.

(c) No increase provided by this section shall be computed on any additional annuity purchased at retirement by voluntary contributions.
SEC. 2. The unremarried widow or widower of an employee
(1) who had completed at least ten years of service creditable for civil service retirement purposes,
(2) who died before February 29, 1948, and
(3) who was at the time of his death (A) subject to an Act under which annuities granted before February 29, 1948, were or are now payable from the civil service retirement and disability fund or (B) retired under such an Act,
shall be entitled to receive an annuity. In order to qualify for such annuity, the widow or widower shall have been married to the employee for at least five years immediately prior to his death and must be not entitled to any other annuity from the civil service retirement and disability fund based on the service of such employee. Such annuity shall be equal to one-half of the annuity which the employee was receiving on the date of his death if retired, or would have been receiving if he had been retired for disability on the date of his death, but shall not exceed $750 per annum and shall not be increased by the provisions of this or any other prior law. Any annuity granted under this section shall cease upon the death or remarriage of the widow or widower.

SEC. 3. (a) An increase in annuity provided by subsection (a), or clause (1) of subsection (b), of the first section of this Act shall take effect on August 1, 1958. An increase in annuity provided by clause (2) of such subsection (b) shall take effect on the commencing date of the survivor annuity.

(b) An annuity provided by section 2 of this Act shall commence on August 1, 1958, or on the first day of the month in which application for such annuity is received in the Civil Service Commission, whichever occurs later.

(c) The monthly installment of each annuity increased or provided by this Act shall be fixed at the nearest dollar.

SEC. 4. The annuities and increases in annuities provided by the preceding sections of this Act shall be paid from the civil service retirement and disability fund. Such annuities and increases in annuities shall terminate for each fiscal year beginning on or after July 1, 1960, for which an appropriation shall not have been made by the Congress to compensate such fund for the cost, as determined by the Civil Service Commission, of such annuities and increases in annuities for such fiscal year. For any fiscal year for which such appropriation shall not have been made, the preceding sections of this Act shall not be in effect and annuities and increases in annuities shall be determined and paid as though such sections had not been enacted. Nothing contained in this section shall be held or considered to prevent the payment of annuities and increases in annuities provided by the preceding sections of this Act for any fiscal year for which the Congress shall have made such appropriation.

SEC. 5. (a) The amendments made by section 401 of the Civil Service Retirement Act Amendments of 1956 (70 Stat. 743-760; 5 U. S. C. 2251-2267) may apply at the option of any employee who, prior to July 31, 1956, was separated from the service under the automatic separation provisions of the Civil Service Retirement Act but whose separation would not have taken effect until after July 30, 1956, if he had been permitted to remain in the service until the expiration of any accumulated or current accrued annual leave to his credit at the time of his separation from the service. Such option shall be exercised by a writing received in the Civil Service Commission before January 1, 1959.
(b) No increase in annuity provided by this Act or any prior provision of law shall apply in the case of any retired employee who exercises the option permitted by subsection (a) of this section.
