AN ACT

To amend section 12 of the Act of May 29, 1884, relating to research on foot-and-mouth disease and other animal diseases.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 12 of the Act of May 29, 1884, as amended (62 Stat. 198, as amended; 21 U. S. C. 113a), is hereby further amended by inserting after the word “tunnel” in the proviso in the first sentence of the section the following clause: “, and except that the Secretary of Agriculture may transport said virus in the original package across the mainland under adequate safeguards”.

Approved July 31, 1958.

Public Law 85-574

AN ACT

To insure the maintenance of an adequate supply of anti-hog-cholera serum and hog-cholera virus.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 58 (b) of the Act of August 24, 1935 (7 U. S. C. 853 (b)), is amended to read as follows:

“(b) Terms and conditions requiring each manufacturer to have in inventory in his own possession on April 1 of each year a reserve supply of completed serum equivalent to not less than 40 per centum of his previous year’s sales of all serum, except that any marketing agreement may provide that upon written application by a manufacturer filed before September 1 of the preceding year, the Secretary may fix another date between January 1 and May 1 on which such manufacturer shall have such inventory if the Secretary finds that such action will tend to effectuate the purposes of this Act. The Secretary may impose such terms and conditions upon granting any such application as he finds necessary to effectuate the purposes of this Act. Serum used in computing the required reserve supply of any manufacturer shall not again be used in computing the required reserve supply of any other manufacturer.”

Approved July 31, 1958.
