## VESSELS FOR MARITIME ACADEMIES

## CONTRACTS FOR ASSISTANCE

SEC. 4. The Secretary may enter into agreements with not more than one maritime academy or college, which meets the requirements of this Act, in each State or Territory, to make annual payments to such academy or college for not in excess of four years in the case of each such agreement, to be used for the maintenance and support of such academy or college. Such payments for any year to any maritime academy or college shall be an amount equal to the amount furnished to such academy or college for its maintenance and support by the State or Territory in which such academy or college is located, except that such payments to any academy or college for any year shall not exceed \$75,000, or \$25,000 if such academy or college does not meet the requirement of section 5 (b) of this Act.

## REQUIREMENTS

SEC. 5. (a) As a condition to receiving any payments or the use of any vessel under the provisions of this Act an academy or college shall—

(2) shall agree in writing to conform to such standards in such course, in training facilities, in entrance requirements, and in instructors, as are established by the Secretary after consultation with superintendents of maritime academies and colleges in the United States.

(b) As a condition to receiving payment of any amount in excess of \$25,000 for any year under the provisions of section 4 of this Act, a maritime academy or college shall agree to admit to such academy or college students resident in other States in such numbers as the Secretary shall prescribe, except that the number of such students prescribed for any academy or college shall not at any time exceed one-third of the student capacity of such academy or college.

Such payments (1) shall be used to assist in defraying the cost of uniforms, books, and subsistence for such student, (2) shall commence to accrue on the day such student begins his first term of work at such academy or college, and (3) shall be paid to such academy or college in such installments as the Secretary shall prescribe, while such student is in attendance and until the completion of his course of instruction, but in no event for more than four academic years for any one student.

(b) If the Secretary deems it advisable in the case of any such academy or college, he may, in lieu of entering into agreements with such academy or college for payments under this section, enter into such agreements directly with each student at such academy or college and make such payments directly to each such student.
