#### BASEBALL HALL OF FAME

Whereas baseball is universally recognized as the American national sport, a sport that in the more than one hundred years of its existence has captured the imagination and zeal of most of our youth and has spread to other lands; and

Whereas millions of Americans have participated either as players or spectators in countless school, college, community, or professional leagues since Abner Doubleday conceived the first game of "town ball" in 1839 in Cooperstown, New York; and

Whereas modern American baseball teams have achieved wide acclaim in exhibition tours in foreign lands and have been generally accepted as among our finest good will ambassadors abroad; and

Whereas baseball epitomizes our highest ideals of sportsmanship and fair play; and

Whereas there was established in 1938 at Cooperstown, near the site of the first game, the Baseball Hall of Fame; and

Whereas the Baseball Hall of Fame is the shrine of the game's immortals whose exploits are there preserved for the inspiration of future generations: Therefore be it

*Resolved by the Senate (the House of Representatives concurring),* That the Congress hereby recognizes the Baseball Hall of Fame at Cooperstown, New York, as a memorial to individuals who have made outstanding contributions to the sport of baseball and as a fitting and valuable institution for the collection and preservation of famous tokens and other evidences and data relating to our national game.
