#### ACCELERATION OF PUBLIC WORKS

Public works.  
Acceleration of  
construction.

*Resolved by the Senate (the House of Representatives concurring),* That since there is substantial unemployment in many areas of the country; since some of the productive facilities of our economy are idle and many are only partially utilized; since permitting an economic downturn to continue unchecked makes it less responsive to corrective action; and since there are many authorized and urgently needed civil construction projects for which substantial appropriations have already been made;

It is hereby declared to be the sense of the Congress that all such construction programs for which funds have been appropriated should be accelerated to the greatest practicable extent so as to achieve the desirable objectives of reducing unemployment, putting our productive facilities to fuller use, and moving forward the date of completion of these projects which will contribute greatly to enhanced national productivity and continued economic growth and prosperity.

The Congress commends the President and the executive agencies for such action as they have taken to accelerate these programs.

Agreed to March 19, 1958.
