Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the consent of Congress is hereby given to the States of Illinois and Indiana for the compact, known as the Wabash Valley Compact (Laws of Indiana, 1959, chapter 3, approved February 26, 1959, House Enrolled Act No. 22; Laws of Illinois, 1959, approved March 20, 1959, Senate Bill No. 78), in the form as follows:

"THE WABASH VALLEY COMPACT

"ARTICLE I

"FINDINGS AND PURPOSE

"The party states find that the Wabash Valley has suffered from a lack of comprehensive planning for the optimal use of its human and natural resources and that underutilization and inadequate benefits from its potential wealth are likely to continue until there is proper organization to encourage and facilitate coordinated development of the Wabash Valley as a region and to relate its agricultural, industrial, commercial, recreational, transportation, development and other problems to the opportunities in the Valley. To this end it is the purpose of the party states to recognize and provide for such development and coordination and to establish an agency of the party states with powers sufficient and appropriate to further regional planning for the Valley.

"ARTICLE II

"THE VALLEY

"As used in this compact, the term 'Wabash Valley' shall mean the Wabash River, its tributaries and all land drained by said river and tributaries, to whatever extent they lie within the party states.

"ARTICLE III

"THE WABASH VALLEY INTERSTATE COMMISSION

"(a) There is hereby created an agency of the party states to be known as the Wabash Valley Interstate Commission (hereinafter called the Commission). The Commission shall be composed of seven Commissioners from each party state designated or appointed in accordance with the law of the state which they represent and serving and subject to removal in accordance with such law. The federal government may be represented without vote if provision is made by federal law for such representation.

"(b) The Commissioners of the party states shall each be entitled to one vote in the Commission. No action of the Commission shall be binding unless taken at a meeting in which a majority of the members from each party state are present and unless a majority of those from each state concur, provided that any action not binding for such a reason may be ratified within thirty days by the concurrence of a majority of each state. In the absence of any Commissioner, his vote may be cast by another representative or Commis-

sioner of his state provided that said Commissioner or other representative casting said vote shall have a written proxy in proper form as may be required by the Commission.

“(c) The Commission may sue and be sued, and shall have a seal.

“(d) The Commission shall elect annually, from among its members, a chairman, a vice-chairman and a treasurer. The Commission shall appoint an executive director who shall also act as secretary, and who, together with the treasurer, shall be bonded in such amounts as the Commission may require.

“(e) The Commission shall appoint and remove or discharge such personnel as may be necessary for the performance of the Commission's functions irrespective of the civil service, personnel or other merit system laws of any of the party states.

“(f) The Commission may establish and maintain, independently or in conjunction with any one or more of the party states, a suitable retirement system for its employees. Employees of the Commission shall be eligible for social security coverage in respect of old-age and survivors insurance provided that the Commission takes such steps as may be necessary pursuant to federal law to participate in such program of insurance as a governmental agency or unit. The Commission may establish and maintain or participate in such additional programs of employee benefits as may be appropriate to afford employees of the Commission terms and conditions of employment similar to those enjoyed by employees of the party states generally.

“(g) The Commission may borrow, accept, or contract for the services of personnel from any state or the United States or any subdivision or agency thereof, from any interstate agency, or from any institution, person, firm or corporation.

“(h) The Commission may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials, and services, conditional or otherwise, from any state of the United States or any subdivision or agency thereof, or interstate agency, or from any institution, person, firm or corporation, and may receive, utilize, and dispose of the same.

“(i) The Commission may establish and maintain such facilities as may be necessary for the transacting of its business. The Commission may acquire, hold, and convey real and personal property and any interest therein.

“(j) The Commission may adopt, amend, and rescind bylaws, rules, and regulations for the conduct of its business.

“(k) The Commission annually shall make to the Governor of each party state, a report covering the activities of the Commission for the preceding year, and embodying such recommendations as may have been adopted by the Commission which report shall be transmitted to the legislature of said state. The Commission may issue such additional reports as it may deem desirable.

“ARTICLE IV

“FINANCES

“(a) The Commission shall submit to the executive head or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that jurisdiction for presentation to the legislature thereof.

“(b) Each of the Commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. Subject to appropriation by the respective legislatures the Commission shall be provided with such funds by each of the party states as are necessary to provide the

means of establishing and maintaining facilities, a staff of personnel, and such activities as may be necessary to fulfill the powers and duties imposed upon and entrusted to the Commission.
