AN ACT

Making appropriations for civil functions administered by the Department of the Army, certain agencies of the Department of the Interior, the Atomic Energy Commission, the Tennessee Valley Authority and certain study commissions, for the fiscal year ending June 30, 1962, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the fiscal year ending June 30, 1962, for civil functions administered by the Department of the Army, certain agencies of the Department of the Interior, the Atomic Energy Commission, the Tennessee Valley Authority and certain study commissions, and for other purposes, namely:

TITLE I—CIVIL FUNCTIONS, DEPARTMENT OF THE ARMY

CEMETERAL EXPENSES

SALARIES AND EXPENSES

For necessary cemeterial expenses as authorized by law, including maintenance, operation, and improvement of national cemeteries, and purchase of headstones and markers for unmarked graves; purchase of four passenger motor vehicles, of which three shall be for replacement only; maintenance of that portion of Congressional Cemetery to which the United States has title, Confederate burial places under the jurisdiction of the Department of the Army, and graves used by the Army in commercial cemeteries; $10,440,000: Provided, That this appropriation shall not be used to repair more than a single approach road to any national cemetery: Provided further, That this appropriation shall not be obligated for construction of a superintendent's lodge or family quarters at a cost per unit in excess of $17,000, but such limitation may be increased by such additional amounts as may be required to provide office space, public comfort rooms, or space for the storage of Government property within the same structure: Provided further, That reimbursement shall be made to the applicable military appropriation for the pay and allowances of any military personnel performing services primarily for the purposes of this appropriation.

CORPS OF ENGINEERS—Civil

The following appropriations shall be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers for authorized civil functions of the Department of the Army pertaining to rivers and harbors, flood control, beach erosion, and related purposes:

GENERAL INVESTIGATIONS

For expenses necessary for the collection and study of basic information pertaining to river and harbor, flood control, shore protection, and related projects, and when authorized by law, surveys and studies (including cooperative beach erosion studies as authorized in Public Law 520, approved July 3, 1930, as amended and supplemented), of projects prior to authorization for construction, $15,877,000, to remain available until expended: Provided, That $55,000 of this appropriation shall be transferred to the United States Fish and Wildlife Service...
for studies, investigations, and reports thereon as required by the Fish and Wildlife Coordination Act of 1958 (72 Stat. 563-565) to provide that wildlife conservation shall receive equal consideration and be coordinated with other features of water-resource development programs of the Department of the Army.

CONSTRUCTION, GENERAL

For the prosecution of river and harbor, flood control, shore protection, and related projects authorized by law; and detailed studies, and plans and specifications, of projects (including those for development with participation or under consideration for participation by States, local governments, or private groups) authorized or made eligible for selection by law (but such studies shall not constitute a commitment of the Government to construction); $724,021,880, to remain available until expended: Provided, That no part of this appropriation shall be used for projects not authorized by law or which are authorized by law limiting the amount to be appropriated therefor, except as may be within the limits of the amount now or hereafter authorized to be appropriated: Provided further, That none of the funds appropriated for "Construction, General", in this Act shall be used on the project "Missouri River, Kansas City to mouth", for any purpose other than bank stabilization work: Provided further, That appropriations under this head shall be available to the Chief of Engineers for the purposes authorized by section 6 of the Flood Control Act of 1946 as amended by the Civil Functions Appropriations Act of 1949: Provided further, That funds herein appropriated shall be available for expenditure, in addition to funds heretofore made available for the Garrison Dam project on the Missouri River, for cooperation with the North Dakota State Conservation Commission to the extent of one-half the cost of the replenishing and freshening Lake Wildwood, North Dakota, which has been interfered with by the construction of the Garrison Dam and Reservoir on the Missouri River: Provided further, That $550,000 of this appropriation shall be transferred to the United States Fish and Wildlife Service for studies, investigations, and reports thereon as required by the Fish and Wildlife Coordination Act of 1958 (72 Stat. 563-565) to provide that wildlife conservation shall receive equal consideration and be coordinated with other features of water-resource development programs of the Department of the Army.

OPERATION AND MAINTENANCE, GENERAL

For expenses necessary for the preservation, operation, maintenance, and care of existing river and harbor, flood control, and related works, including such sums as may be necessary for the maintenance of harbor channels provided by a State, municipality or other public agency, outside of harbor lines, and serving essential needs of general commerce and navigation; financing the United States share of the cost of operation and maintenance of remedial works in the Niagara River; activities of the California Debris Commission; administration of laws pertaining to preservation of navigable waters; surveys and charting of northern and northwestern lakes and connecting waters; clearing and straightening channels; removal of obstructions to navigation; and rescue work, and repair, or restoration of flood control projects threatened or destroyed by flood; $138,397,000, to remain available until expended.
GENERAL EXPENSES

For expenses necessary for general administration and related functions in the Office of the Chief of Engineers and offices of the Division Engineers; activities of the Board of Engineers for Rivers and Harbors and the Beach Erosion Board; commercial statistics; and miscellaneous investigations; $13,148,000.

FLOOD CONTROL, MISSISSIPPI RIVER AND TRIBUTARIES

For expenses necessary for prosecuting work of flood control, and rescue work, repair, restoration, or maintenance of flood control projects threatened or destroyed by flood, as authorized by law (33 U.S.C. 702a, 702g-1), $72,950,000, to remain available until expended.

UNITED STATES SECTION, SAINT LAWRENCE RIVER JOINT BOARD OF ENGINEERS

For necessary expenses of the United States section of the Saint Lawrence River Joint Board of Engineers, established by Executive Order 10500, dated November 4, 1953, including services as authorized by section 15 of the Act of August 2, 1946 (5 U.S.C. 55a), at rates not to exceed $100 per day for individuals; $20,000: Provided, That no part of these funds shall be obligated until agreement has been entered into, by the United States Government and the United States entity authorized to construct the power works in the International Rapids section of the Saint Lawrence River, providing for the reimbursement of the expenditures of the United States section of this Board by the construction entity.

INTERNATIONAL NAVIGATION CONGRESSES

For necessary expenses of the meeting of the Permanent International Association of Navigation Congresses to be held in the United States in 1961, as authorized by law (72 Stat. 513), $30,000.

ADMINISTRATIVE PROVISIONS

Appropriations in this title shall be available for expenses of attendance by military personnel of meetings in the manner authorized by section 19(b) of the Act of July 7, 1958 (72 Stat. 386), uniforms, or allowances therefor, as authorized by the Act of September 1, 1954, as amended (5 U.S.C. 2131), and for printing, either during a recess or session of Congress, of survey reports authorized by law, and such survey reports as may be printed during a recess of Congress shall be printed, with illustrations, as documents of the next succeeding session of Congress; and during the current fiscal year the revolving fund, Corps of Engineers, shall be available for purchase (not to exceed one hundred and sixty-six, of which one hundred and forty-eight shall be for replacement only) and hire of passenger motor vehicles.

TITLE II—DEPARTMENT OF THE INTERIOR

BUREAU OF RECLAMATION

For carrying out the functions of the Bureau of Reclamation as provided in the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 388, and Acts amendatory thereof or supplementary thereto) and other Acts applicable to that Bureau, as follows:
For engineering and economic investigations of proposed Federal reclamation projects and studies of water conservation and development plans and activities preliminary to the reconstruction, rehabilitation and betterment, financial adjustment, or extension of existing projects, including not to exceed $350,000 for investigations of projects in Alaska, to remain available until expended, $6,643,000, of which $5,520,000 shall be derived from the reclamation fund and $500,000 shall be derived from the Colorado River development fund: Provided, That none of this appropriation shall be used for more than one-half of the cost of an investigation requested by a State, municipality, or other interest: Provided further, That $250,000 of this appropriation shall be transferred to the United States Fish and Wildlife Service for studies, investigations, and reports thereon as required by the Fish and Wildlife Coordination Act of 1958 (72 Stat. 563-565) to provide that wildlife conservation shall receive equal consideration and be coordinated with other features of water-resource development programs of the Bureau of Reclamation.

**CONSTRUCTION AND REHABILITATION**

For construction and rehabilitation of authorized reclamation projects or parts thereof (including power transmission facilities) and for other related activities, as authorized by law, to remain available until expended, $152,405,500, of which $67,400,000 shall be derived from the reclamation fund: Provided, That no part of this appropriation shall be used to initiate the construction of transmission facilities within those areas covered by power wheeling service contracts which include provision for service to Federal establishments and preferred customers, except those transmission facilities for which construction funds have been heretofore appropriated, those facilities which are necessary to carry out the terms of such contracts or those facilities for which the Secretary of the Interior finds the wheeling agency is unable or unwilling to provide for the integration of Federal projects or for service to a Federal establishment or preferred customer: Provided further, That funds shall be available to complete the construction of and to operate and maintain within and adjacent to the Yuma Irrigation District, in the South Gila Valley, Arizona, those drainage works on which construction has heretofore been initiated pursuant to the Act of June 28, 1946 (60 Stat. 338): Provided further, That not to exceed $192,000 of funds made available for construction and maintenance of access roads in the Yellowtail Unit area shall be nonreimbursable: Provided further, That not to exceed $435,000 shall be available toward investigation and the emergency rehabilitation of the Dalton Gardens, Avondale, and Hayden Lake Unit, Rathdrum Prairie Irrigation projects, Idaho, to be effective only upon approval by the President of H.R. 4458, Eighty-seventh Congress.

**OPERATION AND MAINTENANCE**

For operation and maintenance of reclamation projects or parts thereof and of other facilities, as authorized by law; and for a soil and moisture conservation program on lands under the jurisdiction of the Bureau of Reclamation, pursuant to law, $36,189,000, of which $30,687,000 shall be derived from the reclamation fund and $1,491,000 shall be derived from the Colorado River Dam fund: Provided, That funds advanced for operation and maintenance of reclamation projects or parts thereof shall be deposited to the credit of this appropria-
tion and may be expended for the same objects and in the same manner
as sums appropriated herein may be expended, and the unexpended
balances of such advances shall be credited to the appropriation for
the next succeeding fiscal year.

LOAN PROGRAM

For loans to irrigation districts and other public agencies for con-
struction of distribution systems on authorized Federal reclamation
projects, and for loans and grants to non-Federal agencies for con-
struction of projects, as authorized by the Acts of July 4, 1955, as
amended (43 U.S.C. 421a–421d), and August 6, 1956 (43 U.S.C.
422a–422k), as amended (71 Stat. 48), including expenses necessary
for carrying out the program, $13,272,600, to remain available until
expended: Provided, That any contract under the Act of July 4, 1955
(69 Stat. 244), as amended, not yet executed by the Secretary, which
calls for the making of loans beyond the fiscal year in which the con-
tract is entered into shall be made only on the same conditions as those
prescribed in section 12 of the Act of August 4, 1939 (53 Stat. 1187,
1197).

EMERGENCY FUND

For an additional amount for the “Emergency fund”, as authorized
by the Act of June 26, 1948 (43 U.S.C. 502), to remain available until
expended for the purposes specified in said Act, $1,000,000, to be
derived from the reclamation fund.

UPPER COLORADO RIVER BASIN FUND

For the Upper Colorado River Storage Project, as authorized by
the Act of April 11, 1956 (43 U.S.C. 620d), to remain available until
expended, $55,468,000 of which $52,534,500 shall be available for the
“Upper Colorado River Basin Fund” authorized by section 5 of said
Act of April 11, 1956, and $2,933,500 shall be available for construction
of recreational and fish and wildlife facilities authorized by section 8
thereof, and may be expended by bureaus of the Department through
or in cooperation with State or other Federal agencies, and advances
to such Federal agencies are hereby authorized: Provided, That no
part of the funds herein appropriated shall be available for con-
struction or operation of facilities to prevent waters of Lake Powell
from entering any National Monument.

GENERAL ADMINISTRATIVE EXPENSES

For necessary expenses of general administration and related func-
tions in the offices of the Commissioner of Reclamation and in the
regional offices of the Bureau of Reclamation, $9,430,000, to be derived
from the reclamation fund and to be nonreimbursable pursuant to
the Act of April 19, 1945 (43 U.S.C. 377): Provided, That no part
of any other appropriation in this Act shall be available for activities
or functions budgeted for the current fiscal year as general admin-
istrative expenses.

SPECIAL FUNDS

Sums herein referred to as being derived from the reclamation
fund, the Colorado River Dam fund, or the Colorado River develop-
ment fund, are appropriated from the special funds in the Treasury
created by the Act of June 17, 1902 (43 U.S.C. 391), the Act of
December 21, 1928 (43 U.S.C. 61fa), and the Act of July 19, 1940
 Appropriations to the Bureau of Reclamation shall be available for purchase of not to exceed seventy-four passenger motor vehicles for replacement only; payment of claims for damage to or loss of property, personal injury, or death arising out of activities of the Bureau of Reclamation; payment, except as otherwise provided for, of compensation and expense of persons on the rolls of the Bureau of Reclamation appointed as authorized by law to represent the United States in the negotiation and administration of interstate compacts without reimbursement or return under the reclamation laws; rewards for information or evidence concerning violations of law involving property under the jurisdiction of the Bureau of Reclamation; performance of the functions specified under the head “Operation and Maintenance Administration”, Bureau of Reclamation, in the Interior Department Appropriation Act, 1945; preparation and dissemination of useful information including recordings, photographs, and photographic prints; and studies of recreational uses of reservoir areas, and investigation and recovery of archeological and paleontological remains in such areas in the same manner as provided for in the Act of August 21, 1935 (16 U.S.C. 461-467): Provided, That no part of any appropriation made herein shall be available pursuant to the Act of April 19, 1945 (43 U.S.C. 377), for expenses other than those incurred on behalf of specific reclamation projects except “General Administrative Expenses” and amounts provided for reconnaissance, basin surveys, and general engineering and research under the head “General Investigations”.

Allotments to the Missouri River Basin project from the appropriation under the head “Construction and Rehabilitation” shall be available additionally for said project for those functions of the Bureau of Reclamation provided for under the head “General Investigations” (but this authorization shall not preclude use of the appropriation under said head within that area), and for the continuation of investigations by agencies of the Department on a general plan for the development of the Missouri River Basin. Such allotments may be expended through or in cooperation with State and other Federal agencies, and advances to such agencies are hereby authorized.

Sums appropriated herein which are expended in the performance of reimbursable functions of the Bureau of Reclamation shall be returnable to the extent and in the manner provided by law.

No part of any appropriation for the Bureau of Reclamation, contained in this Act or in any prior Act, which represents amounts earned under the terms of a contract but remaining unpaid, shall be obligated for any other purpose, regardless of when such amounts are to be paid: Provided, That the incurring of any obligation prohibited by this paragraph shall be deemed a violation of section 3679 of the Revised Statutes, as amended (31 U.S.C. 665).

No funds appropriated to the Bureau of Reclamation for operation and maintenance, except those derived from advances by water users, shall be used for the particular benefit of lands (a) within the boundaries of an irrigation district, (b) of any member of a water
users’ organization, or (c) of any individual, when such district, organization, or individual is in arrears for more than twelve months in the payment of charges due under a contract entered into with the United States pursuant to laws administered by the Bureau of Reclamation.

Not to exceed $225,000 may be expended from the appropriation “Construction and rehabilitation” for work by force account on any one project or Missouri Basin unit and then only when such work is unsuitable for contract or no acceptable bid has been received and, other than otherwise provided in this paragraph or as may be necessary to meet local emergencies, not to exceed 12 per centum of the construction allotment for any project from the appropriation “Construction and rehabilitation” contained in this Act shall be available for construction work by force account: Provided, That this paragraph shall not apply to work performed under the Rehabilitation and Betterment Act of 1949 (63 Stat. 724).

BONNEVILLE POWER ADMINISTRATION

CONSTRUCTION

After October 1, 1961, the position of Administrator, Bonneville Power Administration, shall have the same annual rate of compensation as that provided for positions listed in section 2206(b) of title 5, United States Code, so long as held by the present incumbent.

For construction and acquisition of transmission lines, substations, and appurtenant facilities, as authorized by law, $20,875,000, to remain available until expended.

OPERATION AND MAINTENANCE

For necessary expenses of operation and maintenance of the Bonneville transmission system and of marketing electric power and energy, $12,206,000.

ADMINISTRATIVE PROVISIONS

Appropriations of the Bonneville Power Administration shall be available to carry out all the duties imposed upon the Administrator pursuant to law. Appropriations made herein to the Bonneville Power Administration shall be available in one fund, except that the appropriation herein made for operation and maintenance shall be available only for the service of the current fiscal year.

Other than as may be necessary to meet local emergencies, not to exceed 12 per centum of the appropriation for construction herein made for the Bonneville Power Administration shall be available for construction work by force account or on a hired-labor basis.

SOUTHEASTERN POWER ADMINISTRATION

OPERATION AND MAINTENANCE

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy pursuant to the provisions of section 5 of the Flood Control Act of 1944 (16 U.S.C. 825a), as applied to the southeastern power area, $800,000.
SOUTHWESTERN POWER ADMINISTRATION

CONSTRUCTION

For construction and acquisition of transmission lines, substations, and appurtenant facilities, and for administrative expenses connected therewith, in carrying out the provisions of section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southwestern power area, $950,000, to remain available until expended.

OPERATION AND MAINTENANCE

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy pursuant to the provisions of section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southwestern power area, including purchase of not to exceed four passenger motor vehicles for replacement only, $1,310,000.

CONTINUING FUND

Not to exceed $5,000,000 shall be available during the current fiscal year from the continuing fund for all costs in connection with the purchase of electric power and energy, and rentals for the use of transmission facilities.

GENERAL PROVISIONS—DEPARTMENT OF THE INTERIOR

SEC. 201. Appropriations in this title shall be available for expenditure or transfer (within each bureau or office), with the approval of the Secretary, for the emergency reconstruction, replacement or repair of aircraft, buildings, utilities, or other facilities or equipment damaged or destroyed by fire, flood, storm, or other unavoidable causes: Provided, That no funds shall be made available under this authority until funds specifically made available to the Department of the Interior for emergencies shall have been exhausted.

SEC. 202. The Secretary may authorize the expenditure or transfer (within each bureau or office) of any appropriation in this title, in addition to the amounts included in the budget programs of the several agencies, for the suppression or emergency prevention of forest or range fires on or threatening lands under jurisdiction of the Department of the Interior.

SEC. 203. Appropriations in this title shall be available for operation of warehouses, garages, shops, and similar facilities, wherever consolidation of activities will contribute to efficiency or economy, and said appropriations shall be reimbursed for services rendered to any other activity in the same manner as authorized by the Act of June 30, 1932 (31 U.S.C. 686): Provided, That reimbursements for cost of supplies, materials and equipment, and for services rendered may be credited to the appropriation current at the time such reimbursements are received.

SEC. 204. No part of any funds made available by this Act to the Southwestern Power Administration may be made available to any other agency, bureau, or office for any purposes other than for services rendered pursuant to law to the Southwestern Power Administration,
TITLE III—INDEPENDENT OFFICES

Atomic Energy Commission

OPERATING EXPENSES

For necessary operating expenses of the Commission in carrying out the purposes of the Atomic Energy Act of 1954, as amended, including the employment of aliens; services authorized by section 15 of the Act of August 2, 1946 (5 U.S.C. 55a); purchase of equipment; purchase, maintenance, and operation of aircraft; publication and dissemination of atomic information; purchase, repair, and cleaning of uniforms; official entertainment expenses (not to exceed $30,000); reimbursement of the General Services Administration for security guard services; purchase (not to exceed four hundred and thirty-two, of which three hundred and fourteen are for replacement only) and hire of passenger motor vehicles; $2,352,001,000, and any moneys (except sums received from disposal of property under the Atomic Energy Community Act of 1955 (42 U.S.C. 2301)) received by the Commission, notwithstanding the provisions of section 3617 of the Revised Statutes (31 U.S.C. 484), to remain available until expended: Provided, That of such amount $100,000 may be expended for objects of a confidential nature and in any such case the certificate of the Commission as to the amount of the expenditure and that it is deemed inadvisable to specify the nature thereof shall be deemed a sufficient voucher for the sum therein expressed to have been expended: Provided further, That from this appropriation transfers of sums may be made to other agencies of the Government for the performance of the work for which this appropriation is made, and in such cases the sums so transferred may be merged with the appropriation to which transferred: Provided further, That no part of this appropriation shall be used in connection with the payment of a fixed fee to any contractor or firm of contractors engaged under a cost-plus-a-fixed-fee contract or contracts at any installation of the Commission, where that fee for community management is at a rate in excess of $90,000 per annum, or for the operation of a transportation system where that fee is at a rate in excess of $45,000 per annum.

PLANT ACQUISITION AND CONSTRUCTION

For expenses of the Commission, as authorized by law, in connection with the purchase and construction of plant and other expenses incidental thereto necessary in carrying out the purposes of the Atomic Energy Act of 1954, as amended, including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion; and hire of passenger motor vehicles; $195,360,000, to remain available until expended.

GENERAL PROVISIONS

Any appropriation available under this or any other Act to the Atomic Energy Commission may initially be used subject to limitations in this Act during the fiscal year 1962 to finance the procurement of materials, services, or other costs which are a part of work or activities for which funds have been provided in any other appropriation available to the Commission: Provided, That appropriate transfers or adjustments between such appropriations shall subsequently be made for such costs on the basis of actual application determined in accordance with generally accepted accounting principles.
Not to exceed 5 per centum of appropriations made available for the fiscal year 1962 for "Operating expenses" and "Plant acquisition and construction" may be transferred between such appropriations, but neither such appropriation, except as otherwise provided herein, shall be increased by more than 5 per centum by any such transfers, and any such transfers shall be reported promptly to the Appropriations Committees of the House and Senate.

No part of any appropriation herein shall be used to confer a fellowship on any person who advocates or who is a member of an organization or party that advocates the overthrow of the Government of the United States by force or violence or with respect to whom the Commission finds, upon investigation and report by the Civil Service Commission on the character, associations, and loyalty of whom, that reasonable grounds exist for belief that such person is disloyal to the Government of the United States: Provided, That any person who advocates or who is a member of an organization or party that advocates the overthrow of the Government of the United States by force or violence and accepts employment or a fellowship the salary, wages, stipend, grant, or expenses for which are paid from any appropriation contained herein shall be guilty of a felony and, upon conviction, shall be fined not more than $1,000 or imprisoned for not more than one year, or both: Provided further, That the above penal clause shall be in addition to, and not in substitution for, any other provisions of existing law.

TENNESSEE VALLEY AUTHORITY

PAYMENT TO TENNESSEE VALLEY AUTHORITY FUND

For the purpose of carrying out the provisions of the Tennessee Valley Authority Act of 1933, as amended (16 U.S.C., ch. 12A), including purchase (not to exceed four, of which three shall be for replacement only), hire, maintenance, and operation of aircraft, and purchase (not to exceed two hundred for replacement only) and hire of passenger motor vehicles, $38,203,000, to remain available until expended.

U.S. STUDY COMMISSION—SOUTHEAST RIVER BASINS

SALARIES AND EXPENSES

For necessary expenses to carry out the provisions of the Act approved August 28, 1958 (72 Stat. 1090), including services as authorized by the Act of August 2, 1946 (5 U.S.C. 55a), to remain available until June 30, 1963, $1,380,000.

U.S. STUDY COMMISSION—TEXAS

SALARIES AND EXPENSES

For necessary expenses to carry out the provisions of title II of the Act approved August 28, 1958, as amended (72 Stat. 1058, 73 Stat. 456), including services as authorized by the Act of August 2, 1946 (5 U.S.C. 55a), $540,000.

This Act may be cited as the "Public Works Appropriation Act, 1962".
