Public Law 87-367

AN ACT

To increase the limitation on the number of positions which may be placed in the top grades of the Classification Act of 1949, as amended, to provide certain additional research and development positions, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

TITLE I—POSITIONS IN TOP GRADES OF CLASSIFICATION ACT OF 1949

CONGRESSIONAL FINDINGS AND DECLARATION OF POLICY WITH RESPECT TO TOP GRADES OF CLASSIFICATION ACT OF 1949

SEC. 101. (a) The Congress hereby finds that—

(1) the public interest requires that effective limitations and controls be established and maintained with respect to the allocation of positions—whether by law or by administrative action—to grades 16, 17, and 18 of the Classification Act of 1949—the so-called top grades below the Federal executive level in the Government service—in order to prevent the unwarranted allocation of positions to such grades and to promote efficiency and economy in the operation of the Government;

(2) one of the principal purposes of the Classification Act of 1949, as originally enacted and as amended from time to time, was, and continues to be, the establishment and maintenance, by specific provisions of such Act, of a coordinated and comprehensive authority and control over the allocation of positions to these top grades of such Act;

(3) under the rules of the Senate and the rules of the House of Representatives, as applicable, and the Legislative Reorganization Act of 1946, the Committee on Post Office and Civil Service of the Senate and the Committee on Post Office and Civil Service of the House of Representatives are vested with exclusive legislative jurisdiction, and charged with the duty of exercising legislative oversight and supervision, with respect to all matters within the purview of the Classification Act of 1949 and the administration thereof, including the allocation of positions to these top grades of such Act;

(4) this legislative authority, duty, and jurisdiction of such committees, and the orderly and established legislative processes of the Congress generally in this respect, are being undermined by the increasing practice, resulting from certain solicitations from individual departments and agencies in the executive branch and elsewhere, of allocating additional numbers of positions to such top grades by means of appropriation Acts and other laws and reorganization plans (other than the Classification Act of 1949) which disregard the numerical limitations or the standards and procedures, or both, with respect to the allocation of positions to such grades;

(5) at the present time, therefore, the pertinent provisions of the Classification Act of 1949 do not reflect, even by approximation, the existing state of the law with respect to the total number of positions which may be allocated to the top grades of such Act; and

(6) this state of affairs subverts and undermines the object and purpose of the Classification Act of 1949 with respect to the allocation of positions to such top grades of such Act.
(b) It is, therefore, hereby declared to be the sense of the Congress—

(1) that the matter of requesting the allocation of additional numbers of positions to the top grades of the Classification Act of 1949, whether by groups of positions or on an individual basis, is properly within the jurisdiction of those standing committees of the Senate and House of Representatives having jurisdiction over the Classification Act of 1949 in accordance with orderly and established legislative processes—the Committee on Post Office and Civil Service of the Senate and the Committee on Post Office and Civil Service of the House of Representatives;

(2) that the Director of the Bureau of the Budget, the United States Civil Service Commission, and other authority designated by the President exercise to the fullest extent the authority and responsibility of disapproving requests of the departments and agencies in the executive branch for individual exceptions (to be attained through the enactment of laws outside the jurisdiction of the committees above referred to) from the numerical limitations or the standards and procedures, or both, imposed by the Classification Act of 1949 with respect to the allocation of positions to the top grades of such Act; and

(3) that, if need should develop for increasing such numerical limitations or waiving such standards or procedures, or both, in any case or cases, the matter should be presented promptly to the Congress in a manner consistent with the legislative authority, duty, responsibility, and jurisdiction of the respective Committees on Post Office and Civil Service of the Senate and House of Representatives.

INCREASE IN NUMBER OF AUTHORIZED TOP GRADE POSITIONS UNDER CLASSIFICATION ACT OF 1949

Sec. 102. (a) Subsection (b) of section 505 of the Classification Act of 1949, as amended (5 U.S.C. 1105(b)), relating to the maximum number of positions authorized at any one time for grades 16, 17, and 18 of the General Schedule of such Act, is amended to read as follows:

“(b) Subject to subsections (c), (d), (e), (f), (g), and (j) of this section, a majority of the Civil Service Commissioners are authorized to establish and, from time to time, revise the maximum numbers of positions (not to exceed an aggregate of nineteen hundred and eighty-nine) which may be in grades 16, 17, and 18 of the General Schedule at any one time, except that under such authority—

“(1) not to exceed 25 per centum of such aggregate number may be placed in grade 17 and not to exceed 12 per centum of such aggregate number may be placed in grade 18;

“(2) fifty of such positions shall be available only for allocation, with the approval of the President, for agencies or functions created after the date of enactment of this subparagraph;

“(3) fourteen of such positions shall be available only for allocation to the United States Arms Control and Disarmament Agency;

“(4) six of such positions shall be available only for allocation to the Immigration and Naturalization Service of the Department of Justice; and

“(5) four of such positions shall be available only for allocation to the Federal Home Loan Bank Board.”

(b) Subsection (j) of such section 505, as amended (5 U.S.C. 1105(j)), relating to positions authorized for the Department of Defense in grades 16, 17, and 18 of the General Schedule of the Classification-
tion Act of 1949, is amended by striking out “three hundred seventy-two positions” and inserting in lieu thereof “four hundred seven positions”.

(c) Such section 505, as amended, is amended by adding at the end thereof the following new subsection:

“(m) In any case in which, during the Eighty-seventh Congress, provisions are included in any Act of Congress (other than those contained in this Act) which authorize any agency of the Government to place additional positions in grade 16, 17, or 18 of the General Schedule, the Commission is authorized and directed to withdraw from such agency the allotments of a number of positions (equal to the number of such additional positions authorized under such Act of Congress) made by the Commission for such agency out of the number of positions authorized by subsection (b) of this section, to the extent possible in the light of the number of positions so allotted to such agency and in the light of the number of such additional positions authorized under such Act of Congress.”.
