To provide for the relief of certain enlisted members of the Air Force.

August 3, 1961  
[H. R. 2750]

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That all payments of basic allowance for subsistence heretofore made to enlisted members of the Air Force who were assigned to Headquarters, Air Research and Development Command, at Baltimore, Maryland, during the period beginning on July 1, 1955, and ending on June 30, 1958, and which are otherwise correct, are validated to the extent that those allowances were paid, because the military commander concerned determined that no Government mess was available to those enlisted members under regulations prescribed under section 301 of the Career Compensation Act of 1949, as amended (37 U.S.C. 251). Any enlisted member who has made a repayment to the United States of the amount so paid to him as a basic allowance for subsistence is entitled to be paid the amount involved, if otherwise proper.
