

Private Law 87-301

AN ACT

For the relief of Doctor Robert E. Hiller.

February 16, 1962
[H. R. 6938]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That Doctor Robert E. Hiller, an employee of the United States Air Force in Germany, is hereby relieved of liability to the United States in the amount of \$1,755.20. Doctor Hiller accepted employment in good faith at a beginning salary of \$12,555 per annum, having stated in his application for employment that \$12,500 per annum was the minimum salary he would accept. The beginning salary and an increase thereafter granted was, as a result of administrative error, more than he might lawfully be paid, the difference in all amounting to \$1,755.20 during the period from September 3, 1958, when he was hired, to August 6, 1960, when the error was corrected. In the audit and settlement of the accounts of any certifying or disbursing officer of the United States, credit shall be given for any amount for which liability is relieved by this Act.

Dr. Robert E.
Hiller.

SEC. 2. The Secretary of the Treasury is hereby authorized and directed to pay, out of any money in the Treasury not otherwise appropriated to Doctor Robert E. Hiller, an amount equal to the aggregate of the amount paid by him, or withheld from sums otherwise due him, in complete or partial satisfaction of the liability to the United States specified in the first section: *Provided*, That no part of the amount appropriated in this Act shall be paid or delivered to or received by any agent or attorney on account of services rendered in connection with this claim, and the same shall be unlawful, any contract to the contrary notwithstanding. Any person violating the provisions of this Act shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not exceeding \$1,000.

Approved February 16, 1962.
