

Public Law 87-460

AN ACT

May 31, 1962
[H. R. 8916]

To authorize grants for planning and carrying out a project of construction for the expansion and improvement of the facilities of George Washington University Hospital in the District of Columbia.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That there are hereby authorized to be appropriated from time to time such sums, not exceeding \$2,500,000 in the aggregate, as may be necessary to enable the Surgeon General of the Public Health Service (hereafter in this Act referred to as the Surgeon General) to make a grant or grants in order to assist the George Washington University in defraying the cost of planning and carrying out a project of construction to expand and improve the facilities of George Washington University Hospital in the District of Columbia. Sums appropriated pursuant to this section shall remain available for such purpose until expended.

SEC. 2. Grants made pursuant to this Act shall not exceed, in the aggregate, an amount found by the Surgeon General to be equal to 50 per centum of the cost of construction of the project covered by an application of the university submitted to the Surgeon General and approved by him pursuant to section 3.

SEC. 3. (a) The Surgeon General is authorized to approve the application of the university if—

(1) the application is in such form as may be prescribed by him and contains or is supported by such information as he deems necessary in order to carry out his functions under this Act;

(2) he finds that—

(A) the program of construction covered by the application provides for the facilities and services necessary (i) to provide adequate care for the patients expected to be served by the hospital and (ii) to constitute the hospital an adequate teaching hospital for the university's school of medicine;

(B) such program does not appear incompatible with any comprehensive plan for health facilities for the metropolitan area of Washington that has been or is likely to be developed by a body found by the Surgeon General to be a responsible areawide planning group; and

(C) the plans and specifications for the project meet the minimum standards of construction and equipment prescribed for hospitals by regulation pursuant to section 622(e) of the Public Health Service Act, as amended (42 U.S.C. 291e); and

(3) he finds that the application contains or is supported by satisfactory assurances—

(A) that adequate funds will be available for payment of the non-Federal share of the cost of construction of the project, and that adequate financial support for the maintenance and operation of the project when completed will be available;

(B) that the construction contract for the project will be awarded in accordance with such requirements, including requirements as to competitive bidding, as the Surgeon General may prescribe, and will contain such provisions for performance and other bonds and undertakings to be furnished by the contractor as the Surgeon General deems necessary;

(C) that the construction contract will provide that the Surgeon General and his representatives will at all times have access to the work in preparation or progress and that the contractor will provide proper facilities for such access and for inspection of the work;

(D) that the university shall keep such records as the Surgeon General shall prescribe, including records which fully disclose the amount and the disposition by it of the proceeds of assistance received under this Act, the total cost of the project or undertaking in connection with which such assistance is given or used, and the amount and nature of that portion of the cost of the project or undertaking supplied by other sources, and such other records as will facilitate an effective audit.

The Surgeon General and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access for the purpose of audit and examination to any books, documents, papers, and records of the university that are pertinent to assistance received under this Act.

(E) that the university will provide and maintain competent and adequate architectural or engineering supervision and inspection of the project to insure that the completed work conforms with the approved plans and specifications;

(F) that the labor standards set forth in section 5 will be observed; and

(G) such other assurances as the Surgeon General finds necessary in order to carry out the purposes of this Act.

(b) Amendment of an approved application shall be subject to approval in the same manner as an original application.

(c) After approval of the application, the Surgeon General shall pay the Federal share of the cost of construction (as determined under section 2) at such time or times, in advance or by way of reimbursement, and in such installments and subject to such reasonable conditions (with respect to performance of work, purchase of materials, and other matters), as he may deem appropriate in order to safeguard the Federal interest and assure completion of the work in accordance with the approved plans and specifications.

Funds.

(d) Funds paid under this section for construction shall be used solely for carrying out the project as approved by the Surgeon General, including any amendment approved by him.

SEC. 4. (a) For the purposes of this Act the terms "construction" and "cost of construction" shall have the meanings assigned to such terms in section 631 of the Public Health Service Act, as amended (42 U.S.C. 291i), and regulations issued pursuant thereto, and shall include architect's and consultant's fees incurred in the planning of the project prior to enactment of this Act.

Delegation of
authority.

(b) For the purpose of administering this Act, the Surgeon General may delegate to any officer or employee of the Department of Health, Education, and Welfare any of his functions or powers under this Act, except the issuance of regulations.

Laborers and me-
chanics, wage
rates.

49 Stat. 1011.

SEC. 5. All laborers and mechanics employed by contractors or subcontractors in the performance of construction work financed in whole or in part under this Act shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a—276a-5), and every such employee shall receive compensation at a rate not less than one and one-half times his basic rate of pay for all hours worked in excess of eight

hours in any workday or forty hours in the workweek, as the case may be. The Secretary of Labor shall have with respect to the labor standards specified in this section the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (15 F.R. 3176; 5 U.S.C. 133z-15) and section 2 of the Act of June 13, 1934, as amended (40 U.S.C. 276c).

SEC. 6. (a) There are hereby authorized to be appropriated, for each fiscal year, such sums as may be necessary for administrative expenses incurred in carrying out this Act.

(b) Nothing in this Act shall be construed as limiting or superseding any authority of the Surgeon General or the Secretary of Health, Education, and Welfare under title VI of the Public Health Service Act or any other law.
