ment of the United States of America and the Government of the Federal Republic of Germany signed on the 4th day of July 1957 as now or hereafter modified, or the additional agreement between the United States of America and the European Atomic Energy Community signed on the 11th day of June 1960 as now or hereafter modified.

Sect. 107.

Section 261 of the Atomic Energy Act of 1954, as amended, is amended to read as follows effective January 1, 1964:

"Sect. 261. Appropriations.—

"a. No appropriation shall be made to the Commission, nor shall the Commission waive charges for the use of materials under the Cooperative Power Reactor Demonstration Program, unless previously authorized by legislation enacted by the Congress.

"b. Any Act appropriating funds to the Commission may appropriate specified portions thereof to be accounted for upon the certification of the Commission only.

"c. Notwithstanding the provisions of subsection a., funds are hereby authorized to be appropriated for the restoration or replacement of any plant or facility destroyed or otherwise seriously damaged, and the Commission is authorized to use available funds for such purposes.

"d. Funds authorized to be appropriated for any construction project to be used in connection with the development or production of special nuclear material or atomic weapons may be used to start another construction project not otherwise authorized if the substituted construction project is within the limit of cost of the construction project for which substitution is to be made, and the Commission certifies that—

"(1) the substituted project is essential to the common defense and security;

"(2) the substituted project is required by changes in weapon characteristics or weapon logistic operations; and

"(3) the Commission is unable to enter into a contract with any person on terms satisfactory to it to furnish from a privately owned plant or facility the product or services to be provided by the new project."

Approved July 22, 1963.

Public Law 88-73

AN ACT

To direct the Secretary of the Interior to convey to the city of Henderson, Nevada, at fair market value, certain public lands in the State of Nevada.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That within five years after he has advised, by certified mail, the mayor of the city of Henderson, Nevada, of the appraised fair market value of the lands involved, the Secretary of the Interior shall convey to said city the fifteen thousand acres of public lands described in section 2 hereof.

Sec. 2. The lands to be conveyed under section 1 of this Act are hereby segregated from all forms of appropriation under the public land laws, including the mining and mineral leasing laws, until said Secretary shall provide otherwise by publication of an order in the Federal Register, and comprise those fifteen thousand acres situated in the State of Nevada more particularly described as follows (all range references are to the Mount Diablo base and meridian):
(1) The east one-half and southwest quarter of section 21; all of section 27; the southwest quarter of section 28; and all of sections 29, 33, and 34 in township 22 south, range 63 east;

(2) all of sections 19, 20, 21, 22, 23, 25, 26, 27, 28, 29, 30, 31, 32, and 33, township 22 south, range 62 east;

(3) the south half of section 24; and all of sections 25, 35, and 36, township 23 south, range 61 east;

(4) all of sections 1, 2, and 3, township 23 south, range 62 east;

(5) all of section 32, lots 8 and 9, the south half of the southwest quarter, southwest quarter of the southeast quarter of section 35, township 21 south, range 63 east; and

(6) the southwest quarter, the west half of the southeast quarter, and the southeast quarter of the southeast quarter, and the south half of the northwest quarter of section 34, township 21 south, range 62 east.

SEC. 3. The conveyance authorized by this Act shall be made upon payment of the sum of the fair market value of the lands on the effective date of this Act, as determined by the Secretary of the Interior, plus reimbursement for the cost of appraisal, if accomplished by contract, minus any adjustment in the purchase price made by the Secretary of the Interior pursuant to section 5 of this Act, and subject to any existing valid claims against the lands described in section 2 of this Act, and to any reservations, restrictions, or conditions considered necessary by the Secretary of the Interior to protect continuing uses of those lands by the United States, its permittees, lessees, or licensees.

Any conveyance under this Act of section 32, the south half of the southwest quarter, the southeast quarter of the southeast quarter, lots 8 and 9, section 35, township 21 south, range 63 east; the east half of section 21, and sections 27 and 34, township 22 south, range 63 east, Mount Diablo base and meridian, Nevada, or of any portion of such lands, shall specifically reserve to the United States the right to use any of such lands so conveyed for reclamation purposes and for any purpose reasonably incident to the proposed southern Nevada water supply project.

SEC. 4. The city of Henderson, State of Nevada, may purchase, in accordance with this Act, such portion or portions, by legal subdivision of the public land surveys, of the above-described lands as such city elects; and the purchase by the city of only a portion or portions of such lands shall not constitute a waiver or relinquishment of its right to purchase, in accordance with the provisions of this Act, by legal subdivisions of the public land surveys, the remainder of such lands or any portion thereof.

SEC. 5. The Secretary of the Interior is authorized, notwithstanding any other provision of this Act, to negotiate and enter into an agreement with the city of Henderson providing for adjustment of the purchase price determined by appraisal to reflect any expenditures incurred by the city of Henderson in facilitating transfer of the lands during the period between enactment of this Act and notice to the city of Henderson of the appraised fair market value.

SEC. 6. This Act shall not preclude the city of Henderson from acquiring title or leases to any lands described in this Act for public or recreational purposes under the Act of June 14, 1926 (44 Stat. 741), as amended (43 U.S.C. 869, et seq.).

SEC. 7. Any patent issued under this Act shall contain a reservation to the United States of any of the following named minerals for which the land as of the date of issuance of patent is deemed by the Secretary of the Interior to be valuable or prospectively valuable: coal, native asphalt, solid and semisolid bitumen, and bituminous rock.
Rights-of-way.

SEC. 8. With respect to the conveyance of any land under this Act, which land is, at the time of issuance of patent therefor, subject to a mineral lease, permit, or license, for which mineral the land is deemed at that time by the Secretary of the Interior to be not valuable or prospectively valuable, the patent shall not convey such mineral rights in such lands until the mineral lease, permit, or license, or any extensions or renewals thereof, shall terminate or be relinquished, but upon such termination or relinquishment all the right, title, and interest of the United States to such mineral deposits shall automatically vest in the patentee.

Sec. 9. Notwithstanding any other provision of this Act to the contrary, the Secretary of the Interior, with the concurrence of the city of Henderson, may, prior to the transfer of title to the city of Henderson, grant rights-of-way in, over, upon, through, or under any of the lands described in section 2 of this Act.

Approved July 22, 1963.

Public Law 88-74

AN ACT

To assist the States to provide additional facilities for research at the State agricultural experiment stations.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That it is hereby declared to be the policy of the Congress to continue its support of agricultural research at the State agricultural experiment stations through Federal-grant funds, on a matching basis, to help finance physical facilities as required for the effective conduct of an adequate research program.

Sec. 2. The purpose of this Act is to assist the State agricultural experiment stations in the construction, acquisition, and remodeling of buildings, laboratories, and other capital facilities (including the acquisition of fixtures and equipment which are to become a part of such buildings) which are necessary to more effectively conduct research in agriculture and sciences related thereto through means of grants from the Federal Government.

Sec. 3. As used in sections 2 to 11, inclusive, of this Act—

(1) the term “State” shall include Puerto Rico;
(2) the term “State agricultural experiment station” means a department established under the direction of a college or university in any State in accordance with the Act entitled “An Act donating public lands to the several States and Territories which may provide colleges for the benefit of agriculture and mechanic arts”, approved July 2, 1862 (7 U.S.C. 301); or a department otherwise established pursuant to standards prescribed by the State the purpose of which is to conduct agricultural research; and
(3) the term “Secretary” shall mean the Secretary of Agriculture.
