To authorize a contribution to certain inhabitants of the Ryukyu Islands for
death and injury to persons, and for use of and damage to private property,
arising from acts and omissions of the United States Armed Forces, or mem­
bers thereof, after August 15, 1945, and before April 28, 1952.

Whereas certain persons of the Ryukyu Islands suffered damages incident
to the activities of the Armed Forces of the United States, or
members thereof, after the surrender of Japanese forces in the
Ryukyus on August 15, 1945, and before the effective date of the
Treaty of Peace with Japan on April 28, 1952;

Whereas article 19 of the Treaty of Peace with Japan extinguished
the legal liability of the United States for any claims of Japanese' 
nationals, including Ryukyuans, with the result that the United
States has made no compensation for the above-mentioned damages
(except for use of and damage to land during the period from July 1,
1950, to April 28, 1952);

Whereas it is particularly consonant with the concern of the United
States, as the sole administering authority in the Ryukyu Islands,
for the welfare of the Ryukyuan people, that those Ryukyuans who
suffered damages incident to the activities of the United States
Armed Forces, or members thereof, should be compensated therefor;

Whereas payment of ex gratia compensation, by advancing the welfare
of the Ryukyuan people, will promote the security interest, foreign
policy, and foreign relations of the United States; and

Whereas the High Commissioner of the Ryukyu Islands has considered
the evidence regarding these claims, and has determined, in an
equitable manner, those claims which are meritorious, and the
amounts thereof: Therefore be it

Resolved by the Senate and House of Representatives of the United
States of America in Congress assembled, That the United States
should make an ex gratia contribution to the persons (excluding
municipalities) determined by the High Commissioner of the Ryukyu
Islands to be meritorious claimants, in the amounts determined by him,
and that the Secretary of the Army or his designee should, under regu­
lations prescribed by the Secretary of Defense, pay such amounts to
the claimants or their legal heirs, as a civil function of the Department
of the Army; and be it further

Resolved, That no funds appropriated under this joint resolution
shall be disbursed to satisfy claims, or portions thereof, which have
been satisfied by contributions made by the Government of Japan.

Sec. 2. There is authorized to be appropriated not to exceed
$22,000,000 to carry out the provisions of this joint resolution, which
funds are authorized to remain available for two years from the effective
date of their appropriation. Any funds unobligated by the end
of that period shall be covered into the Treasury of the United States.

Sec. 3. No remuneration on account of services rendered on behalf
of any claimant in connection with any claim shall exceed 5 per centum
of the total amount paid, pursuant to the provisions of this joint reso­
lution, on such claim; except that no remuneration on account of such
services rendered on behalf of any association of claimants by any
agent or attorney (including organizations thereof) shall exceed 1 
per centum of the aggregate amount so paid on the claims involved.
Fees already paid for such services shall be deducted from the amounts
authorized under this joint resolution. Any agreement to the con­
trary shall be unlawful and void. Whoever, in the United States or
elsewhere, demands or receives, on account of services so rendered, any
remuneration in excess of the maximum permitted by this section, shall
be guilty of a misdemeanor, and, upon conviction thereof, shall be fined
not more than $5,000 or imprisoned not more than twelve months, or
both.
Approved October 27, 1965.
