lines of any reservoir operated and maintained by the Department of the Interior or otherwise needed or used for the operation of the Central Valley project shall continue to be administered by the Secretary of the Interior to the extent he determines to be required for such operation.

Sec. 9. Revenues and fees obtained by the United States from operation of the national recreation area shall be subject to the same statutory provisions concerning the disposition thereof as are similar revenues collected in areas of the national park system except that fees and revenues obtained from mineral development and from activities under other public land laws within the recreation area shall be disposed of in accordance with the provisions of the applicable laws.

Sec. 10. There are hereby authorized to be appropriated for the acquisition of lands and interests in land pursuant to the provisions of this Act not more than $21,600,000. There are also authorized to be appropriated not more than $22,700,000 for the development of recreation facilities pursuant to the provisions of this Act.

Approved November 8, 1965.

Public Law 89-337

AN ACT

To amend the Watershed Protection and Flood Prevention Act, as amended.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 2 of the Watershed Protection and Flood Prevention Act (68 Stat. 666), as amended, is amended by striking out "more than five thousand acre-feet of floodwater detention capacity" and inserting in lieu thereof "more than twelve thousand five hundred acre-feet of floodwater detention capacity".

Approved November 8, 1965.

Public Law 89-338

AN ACT

To name the authorized lock and dam numbered 6 on the Arkansas River in Arkansas and the lake created thereby for David D. Terry.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That lock and dam numbered 6, Arkansas, a feature of the Arkansas River navigation project, authorized to be constructed by the River and Harbor Act of July 24, 1946 (60 Stat. 641, 647), shall be known and designated hereafter as the David D. Terry lock and dam, and the lake created thereby as the David D. Terry Lake. Any law, regulation, map, document, record, or other paper of the United States in which such lock and dam and lake are referred to shall be held to refer to such lock and dam as the David D. Terry lock and dam, and the lake as the David D. Terry Lake.

Approved November 8, 1965.
