I urge civic and service organizations, schools, public bodies, and the media of public information in every community to join in observing White Cane Safety Day with activities which will promote greater awareness of the meaning of the white cane, and thus contribute to the safety of our blind citizens.

I call upon all our citizens to join individually in this effort, that blind persons in our society may continue to enjoy a high degree of independence.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this seventh day of October in the year of our Lord nineteen hundred and sixty-five, and [seal] of the Independence of the United States of America the one hundred and ninetieth.
