In selecting persons for appointment to the Council, consideration shall be given to such factors, among others, as (1) familiarity with correctional manpower problems, and (2) particular concern with the training of persons in or preparing to enter the field of correctional rehabilitation.

(2) The Council shall consider all applications for grants under this section and shall make recommendations to the Secretary with respect to approval of applications for and the amounts of grants under this section.
“(3) Appointed members of the Council, while attending meetings or conferences thereof or otherwise serving on business of the Council, shall be entitled to receive compensation at rates fixed by the Secretary, but not exceeding $100 per day, including travel time, and while so serving away from their homes or regular places of business they may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5 of the Administrative Expenses Act of 1946 (5 U.S.C. 73b-2) for persons in the Government service employed intermittently.

“(c) For carrying out the purposes of this section there is hereby authorized to be appropriated for the fiscal year ending June 30, 1966, the sum of $500,000 to be used for a grant or grants to help initiate the research and study provided for in this section; and the sum of $800,000 for each of the two succeeding fiscal years for the making of such grants as may be necessary to carry the research and study to completion.
