WORLD FARM CENTER—CONCEPT

Whereas the business of agriculture is a basic industry vital to the
economy and sustenance of the United States of America and the
entire world; and
Whereas the development of techniques, research, and procedures for
the improvement of the agricultural industry is necessary to the
well-being of the farmers and consumers of farm products; and
Whereas World Farm Center advocates from all segments of the agri-
business industry are cooperating in the founding of a World Farm
Center at Ontario, San Bernardino County, California, as a service
organization which is designed to—
(1) serve as an agricultural “clearinghouse” and marketing in­
formation center;
(2) encourage, assist, and cooperate in agricultural research pro-
grams with universities, governmental agricultural agencies, and
private agencies;
(3) develop the site of World Farm Center as a manufacturing
