"(8) Make and file official certified copies of any of its findings, recommendations or reports with such officers or agencies of either State, or the United States as may have any interest in or jurisdiction over the subject matter. Findings of fact made by the Commission shall be admissible in evidence and shall constitute prima facie evidence of such fact in any court or before any agency of competent jurisdiction. The making of findings, recommendations, or reports by the Commission shall not be a condition precedent to instituting or maintaining any action or proceeding of any kind by a signatory State in any court, or before any tribunal agency or officer, for the protection of any right under this Compact or for the enforcement of any of its provisions;
