Public Law 96-549
96th Congress
An Act
To authorize the Secretary of the Interior to reimburse certain purchasers of subleases from, and creditors of, the Sangre de Cristo Development Company, Incorporated, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) the Secretary of the Interior is authorized to reimburse persons who are determined by the Secretary to be bona fide purchasers of subleases from the Sangre de Cristo Development Company, Incorporated (a corporation incorporated under the laws of the State of New Mexico), for subdivision lots on the Pueblo of Tesuque Indian Reservation near Santa Fe, New Mexico. The Secretary is authorized to reimburse such persons for the amounts they have expended in the acquisition of a sublease or subleases and upon receipt of such compensation such persons must relinquish all claims or rights, if any, they may have arising from their sublease.

(b) Applications for reimbursement under this Act shall be in such form and contain such information as the Secretary of the Interior, by regulation, shall prescribe. No application for reimbursement shall be considered by the Secretary unless it is submitted on or before the date of expiration of the twenty-four-month period following the date of enactment of this Act.

(c) Subject to the availability of appropriations, the Secretary shall reimburse those applicants who are determined to be bona fide purchasers of subleases from the Sangre de Cristo Development Company, Incorporated, pursuant to its master lease with Tesuque Pueblo initially approved May 24, 1970, by the Bureau of Indian Affairs and subsequently disapproved on August 24, 1977. As used in this Act, the term “bona fide purchasers” shall mean anyone who purchased a sublease in an arm’s-length transaction, for value and without notice.

(d) Within the one-hundred-and-eighty-day period following the date of the enactment of this Act, the Secretary of the Interior shall take such action as may be necessary to inform purchasers of such subleases from the Sangre de Cristo Development Company, Incorporated, of the fact that the Secretary of the Interior has authority to reimburse any such person determined by the Secretary to be a bona fide purchaser of such sublease for the amounts expended by such purchaser in the acquisition of such sublease. The Secretary shall further inform such purchasers that any application for reimbursement must be submitted on or before the date of expiration of the twenty-four-month period following the date of the enactment of this Act.

SEC. 2. (a) Subject to the availability of appropriations, the Secretary of the Interior shall reimburse bona fide creditors of the Sangre de Cristo Development Company, Incorporated, who shall have been certified as such by the United States District Court for the District of New Mexico, Bankruptcy Division, in the action entitled “Sangre de Cristo Development Company, Incorporated, No. 77-1044 in Bank-
rupty" for the amount the court determines is owing to such creditors from such corporation. The United States shall have a right to intervene in such action as its interests may warrant in consideration of the provisions of this section and shall have the rights of a party in interest under section 502 of title II, United States Code. No person or entity having or having had an equity interest in the Sangre de Cristo Development Company, Incorporated, shall be deemed to be a bona fide creditor of the corporation for purposes of this section.

(b) Any creditor, who has accepted a sublease from the corporation for subdivision lots in compensation for services or materials provided to the corporation and who is otherwise a bona fide creditor under subsection (a) of this section, may be reimbursed pursuant to subsection (a) for the actual value of such services or materials upon certification by the court as provided in subsection (a) or upon proof satisfactory to the Secretary.

Sec. 3. Jurisdiction is hereby conferred on the United States District Court for the District of New Mexico to hear, determine, and render judgment on any legal claim for damages, under existing law, that the Sangre de Cristo Development Company, Incorporated, may have against the United States arising from the action of the United States in the initial approval and subsequent disapproval of the lease described in section 1(c) of this Act or from the preparation of the environmental impact statement attendant to such lease. Such action must be filed within one year from the date of enactment of this Act and jurisdiction conferred by this section includes jurisdiction of any setoff, counterclaim, or other claim or demand whatever on the part of the United States against such corporation.

Sec. 4. Effective October 1, 1981, there are authorized to be appropriated such sums as may be necessary to carry out the provisions of sections 1 and 2 of this Act.

Approved December 18, 1980.
