Whether they are huffing up mountain roads on vacation or commuting a few miles to work every day, bicycle riders are using their energy to save our energy, while their pumping legs mean pumping hearts and better health. One of the most energy-efficient forms of transportation known to man, bicycle riding is bound to become even more popular in the energy-conscious, health-conscious future.

The Congress, by joint resolution (H.J. Res. 414), has authorized and requested the President to designate the first day of May, 1980, as National Bicycling Day.

NOW, THEREFORE, I, JIMMY CARTER, President of the United States of America, do hereby declare May 1, 1980, National Bicycling Day.

I call upon the people of the United States and interested groups and organizations to observe that day with appropriate ceremonies and events.

IN WITNESS WHEREOF, I have hereunto set my hand this twenty-eighth day of March, in the year of our Lord nineteen hundred and eighty and of the Independence of the United States of America the two hundred and fourth.

JIMMY CARTER

Proclamation 4742 of March 31, 1980

Establishment of a Special Limited Global Import Quota for Upland Cotton

By the President of the United States of America

A Proclamation

1. Section 103(f)(1) of the Agricultural Act of 1949, as added by section 602 of the Food and Agriculture Act of 1977 (91 Stat. 913, 934; 7 U.S.C. 1444(f)(1)), provides that whenever the Secretary of Agriculture determines that the average price of Strict Low Middling one and one-sixteenth inch cotton (microaire 3.5 through 4.9), hereinafter referred to as "Strict Low Middling cotton," in the designated spot markets for a month exceeded 130 per centum of the average price of such quality of cotton in such markets for the preceding thirty-six months, notwithstanding any other provision of law, the President shall immediately establish and proclaim a special limited global import quota for upland cotton. The amount of such quota is to be equal to twenty-one days of domestic mill consumption of upland cotton at the seasonally adjusted average rate of the most recent three months for which data are available and is to remain in effect for a ninety-day period.

2. The Secretary of Agriculture has informed me that he has determined that the average price of Strict Low Middling cotton in the designated spot markets for the month of February 1980 has exceeded 130 per centum of the average price of such cotton in such markets for the preceding 36 months. The Secretary's determination was based upon the following data:

(a) The average price of Strict Low Middling cotton in the designated spot markets for the month of February 1980 was 80.66 cents per pound.
(b) The average price of Strict Low Middling cotton in the designated spot markets for the 36 months preceding the month of February 1980 (February 1977 through January 1980) was 60.34 cents per pound.

3. Twenty-one days of domestic mill consumption of upland cotton, which is any variety of the Gossypium hirsutum species of cotton, at the seasonally adjusted rate of the most recent three months for which data are available (November 1979-January 1980) is 244,030,605 pounds.

NOW, THEREFORE, I, JIMMY CARTER, President of the United States of America, by the authority vested in me by the Constitution and Statutes of the United States of America, including section 103(f)(1) of the Agricultural Act of 1949, as added by section 602 of the Food and Agriculture Act of 1977, and in order to establish a special ninety-day limited global import quota for 244,030,605 pounds of upland cotton, do proclaim that Part 3 of the Appendix to the Tariff Schedules of the United States is hereby modified by inserting in numerical sequence the following temporary provision:

<table>
<thead>
<tr>
<th>Item</th>
<th>Article</th>
<th>Quota quantity (in pounds)</th>
</tr>
</thead>
<tbody>
<tr>
<td>955.07</td>
<td>Notwithstanding any other quantitative limitations on the importation of cotton, upland cotton, if accompanied by an original certificate of an official of a government agency of the country in which the cotton was produced attesting to the fact that cotton is a variety of the Gossypium hirsutum species of cotton, may be entered during the 90-day period April 3, 1980 through July 2, 1980</td>
<td>244,030,605</td>
</tr>
</tbody>
</table>

IN WITNESS WHEREOF, I have hereunto set my hand this thirty-first day of March, in the year of our Lord nineteen hundred and eighty, and of the Independence of the United States of America the two hundred and fourth.

JIMMY CARTER

Proclamation 4743 of April 1, 1980

Mother's Day, 1980

By the President of the United States of America

A Proclamation

Each year, we set aside a special day of celebration to thank this Nation's mothers for the role they play in our lives.

Mother's Day 1980 finds the always demanding role of being a mother made even more complex by the choices modern women have that were not available to women of previous generations.

Today's mothers are involved in every aspect of business, politics, education, sports, the arts, the sciences, and government, and yet they still remain at the core of this Nation's greatest natural resource—the American family.

Whether they seek careers or work full time in the home, mothers contribute immensely to our Nation's future by shaping the character of our children.
