Public Law 98-111
98th Congress

An Act

To provide for the broadcasting of accurate information to the people of Cuba, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Radio Broadcasting to Cuba Act".

FINDINGS; PURPOSES

Sec. 2. The Congress finds and declares—
(1) that it is the policy of the United States to support the right of the people of Cuba to seek, receive, and impart information and ideas through any media and regardless of frontiers, in accordance with article 19 of Universal Declaration of Human Rights;
(2) that, consonant with this policy, radio broadcasting to Cuba may be effective in furthering the open communication of accurate information and ideas to the people of Cuba, in particular information about Cuba;
(3) that such broadcasting to Cuba, operated in a manner not inconsistent with the broad foreign policy of the United States and in accordance with high professional standards, would be in the national interest; and
(4) that the Voice of America already broadcasts to Cuba information that represents America, not any single segment of American society, and includes a balanced and comprehensive projection of significant American thought and institutions but that there is a need for broadcasts to Cuba which provide news, commentary and other information about events in Cuba and elsewhere to promote the cause of freedom in Cuba.

ADDITIONAL FUNCTIONS OF THE UNITED STATES INFORMATION AGENCY

Sec. 3. (a) In order to carry out the objectives set forth in section 2, the United States Information Agency (hereafter in this Act referred to as the "Agency") shall provide for the open communication of information and ideas through the use of radio broadcasting to Cuba. (d) Notwithstanding subsection (c), in the event that broadcasts to Cuba on the 1180 AM frequency are subject to jamming or interference greater by 25 per centum or more than the average daily jamming or interference in the twelve months preceding September 1, 1983, the Director of the United States Information Agency may lease time on commercial or noncommercial educational AM band radio broadcasting stations. The Federal Communications Commission shall determine levels of jamming and interference by conducting regular monitoring of the 1180 AM frequency. In the event that more than two hours a day of time is leased, not less than 30 per centum of the programing broadcast shall be regular Voice of America broadcasts with particular emphasis on news and programs meeting the requirements of section 503(2) of Public Law 80-402.

(e) Any program of United States Government radio broadcasts to Cuba authorized by this section shall be designated "Voice of America: Cuba Service" or "Voice of America: Radio Marti program".

(f) In the event broadcasting facilities located at Marathon, Florida, are rendered inoperable by natural disaster or by unlawful destruction, the Director of the United States Information Agency may, for the period in which the facilities are inoperable but not to exceed one hundred and fifty days, use other United States Government-owned transmission facilities for Voice of America broadcasts to Cuba authorized by this Act.

of the same political party. The President shall designate one member of the Board to serve as Chairman.

(b) The Board shall review the effectiveness of the activities carried out under this Act and shall make such recommendations to the President, the Director and the Associate Director for Broadcasting of the United States Information Agency as it may deem necessary.

FACILITY COMPENSATION

SEC. 7. (a) It is the intent of the Congress that the Secretary of State should seek prompt and full settlement of United States claims against the Government of Cuba arising from Cuban interference with broadcasting in the United States. Pending the settlement of these claims, it is appropriate to provide some interim assistance to the United States broadcasters who are adversely affected by Cuban radio interference and who seek to assert their right to measures to counteract the effects of such interference.

(b) Accordingly, the Agency may make payments to the United States radio broadcasting station licensees upon their application for expenses which they have incurred before, on, or after the date of this Act in mitigating, pursuant to special temporary authority from the Federal Communications Commission, the effects of activities by the Government of Cuba which directly interfere with the transmission or reception of broadcasts by these licensees. Such expenses shall be limited to the costs of equipment (replaced less depreciation) and associated technical and engineering costs.

(f) It is the sense of the Congress that the President should establish a task force to analyze the level of interference from the operation of Cuban radio stations experienced by broadcasters in the United States and to seek a practical political and technical solution to this problem.

(g) This section shall enter into effect on October 1, 1984.
