An Act

To amend the Volunteers in the Parks Act of 1969, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That:

(a) section 4 of the Volunteers in the Parks Act of 1969 (84 Stat. 472; 16 U.S.C. 18j) as amended is further amended by striking out "$250,000" and substituting "$1,000,000". The amendment made by this subsection shall apply with respect to fiscal years beginning after September 30, 1984.

(b) Section 1 of such Act is amended by adding the following at the end thereof: "In accepting such services of individuals or volunteers, the Secretary shall not permit the use of volunteers in hazardous duty or law enforcement work or in policymaking processes, or to displace any employee: Provided, That the services of individuals whom the Secretary determines are skilled in performing hazardous activities may be accepted.

Sec. 2. Section 307 of the Federal Land Policy and Management Act of 1976 (90 Stat. 2766; 43 U.S.C. 1737) is amended by adding at the end thereof the following new subsections:

"(d) The Secretary may recruit, without regard to the civil service classification laws, rules, or regulations, the services of individuals contributed without compensation as volunteers for aiding in or facilitating the activities administered by the Secretary through the Bureau of Land Management.

"(e) In accepting such services of individuals as volunteers, the Secretary—

"(1) shall not permit the use of volunteers in hazardous duty or law enforcement work, or in policymaking processes or to displace any employee; and

"(2) may provide for services or costs incidental to the utilization of volunteers, including transportation, supplies, lodging, subsistence, recruiting, training, and supervision.

"(f) Volunteers shall not be deemed employees of the United States except for the purposes of the tort claims provisions of title 28, United States Code, and subchapter 1 of chapter 81 of title 5, United States Code, relating to compensation for work injuries.

"(g) Effective with fiscal years beginning after September 30, 1984, there are authorized to be appropriated such sums as may be necessary to carry out the provisions of subsection (d), but not more than $250,000 may be appropriated for any one fiscal year."

Sec. 3. (a) The Congress finds that—

(1) the public lands administered by the National Park Service, the Bureau of Land Management, and the United States Fish and Wildlife Service contain valuable wildlife, scenery, natural and historic features, and other resources;

(2) the Congress has specified the duties and responsibilities of the National Park Service, the Bureau of Land Management, and the United States Fish and Wildlife Service to balance the
conservation and protection of these public lands and resources with permitted uses in ways Congress has found to be appropriate for each of the various land areas;

(3) the National Park Service, the Bureau of Land Management, and the United States Fish and Wildlife Service are currently under congressional mandates to maintain sufficient visitor and recreational services in our national parks, campgrounds, and wildlife refuges;

(4) the Congress has authorized the National Park Service, the Bureau of Land Management, and the United States Fish and Wildlife Service to contract for the provision of certain facilities, accommodations, and services by non-Federal entities, but with certain limitations that reflect the values and appropriate management policies of the various conservation areas, parks, wildlife refuges, and other public lands;

(5) expansion of the contracting authority of the managers of these conservation areas, parks, wildlife refuges, and lands should be considered only after careful study of the existing management mandates and contracting authorities; and

(6) management and regulation of natural resources on Federal lands are inherently Government functions and should be performed by Federal employees.

(b)(1)(A) The provisions of Office of Management and Budget Circular A-76 and any similar provisions in any other order or directive shall not apply to activities conducted by the National Park Service, United States Fish and Wildlife Service, and the Bureau of Land Management which involve ten full time equivalents (FTE) or less.

(B) For fiscal years 1985 through and including 1988, no contracts, for activities conducted by the National Park Service, United States Fish and Wildlife Service, or the Bureau of Land Management which have been subject to the provisions of Office of Management and Budget Circular A-76 or any similar provision in any other order or directive, shall be entered into by the United States until funds have been specifically provided therefore by an Act of Congress.

(2) Nothing in this section shall prevent the National Park Service, United States Fish and Wildlife Service, and the Bureau of Land Management from entering into contracts for services and materials under provisions of law and rules, regulations, orders, and policies other than the circular referred to in paragraph (1) or any similar order or directive.

Sec. 4. (a) Beginning in fiscal year 1985, the National Park Service shall implement a maintenance management system into the maintenance and operations programs of the National Park System. For purposes of this section the term “maintenance management system” means a system that contains but is not limited to the following elements:

(1) a work load inventory of assets including detailed information that quantifies for all assets (including but not limited to buildings, roads, utility systems, and grounds that must be maintained) the characteristics affecting the type of maintenance work performed;

(2) a set of maintenance tasks that describe the maintenance work in each unit of the National Park System;

(3) a description of work standards including frequency of maintenance, measurable quality standard to which assets
should be maintained, methods for accomplishing work, required labor, equipment and material resources, and expected worker production for each maintenance task;

(4) a work program and performance budget which develops an annual work plan identifying maintenance needs and financial resources to be devoted to each maintenance task;

(5) a work schedule which identifies and prioritizes tasks to be done in a specific time period and specifies required labor resources;

(6) work orders specifying job authorizations and a record of work accomplished which can be used to record actual labor and material costs; and

(7) reports and special analyses which compare planned versus actual accomplishments and costs and can be used to evaluate maintenance operations.

(b) The National Park Service shall transmit to the Committee on Interior and Insular Affairs of the House of Representatives and the Committee on Energy and Natural Resources of the United States Senate, at the end of each fiscal year, a copy of a report summarizing the status of implementation of a maintenance management system until such a system has been implemented.

The report shall incorporate the following information:

(1) the number of units in the National Park System that have implemented a maintenance management system during the period;

(2) contract costs versus management efficiencies achieved;

(3) the total amount of dollars spent on contracts for services; and

(4) estimation of the total value of benefits achieved through greater management efficiency.

LEGISLATIVE HISTORY—S. 864:

HOUSE REPORT No. 98-960 (Comm. on Interior and Insular Affairs).
SENATE REPORT No. 98-208 (Comm. on Energy and Natural Resources).
CONGRESSIONAL RECORD:
Oct. 3, Senate concurred in House amendment with an amendment.
Oct. 4, House concurred in Senate amendment.
WEEKLY COMPILATION OF PRESIDENTIAL DOCUMENTS, Vol. 20, No. 43 (1984):
Oct. 24, Presidential statement.
