An Act

To authorize appropriations for the Coast Guard for fiscal years 1985 and 1986, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the “Coast Guard Authorization Act of 1984”.

AUTHORIZATION OF FUNDS

Sec. 2. Funds are authorized to be appropriated for necessary expenses of the Coast Guard for fiscal years 1985 and 1986 as follows:

(1) For the operation and maintenance of the Coast Guard, including expenses related to the Capehart housing debt reduction, $1,800,000,000 for fiscal year 1985 and $1,950,000,000 for fiscal year 1986; and for increases in salary, pay, and other employee benefits authorized by law, and for the full amount of fixed costs associated with operation of five Coast Guard polar icebreaking vessels manned by Coast Guard military personnel, such sums as may be necessary for each such fiscal year.

(2) For the acquisition, construction, rebuilding, and improvement of aids to navigation, shore facilities, vessels, and aircraft, including equipment related thereto, $580,000,000 for fiscal year 1985 (of which $30,000,000 shall be for design, survey, acquisition and construction of a search and rescue facility in Western Alaska to serve the Aleutian Islands) and $680,000,000 for fiscal year 1986 (of which $30,000,000 shall be for construction of such facility).

(3) For research, development, test, and evaluation, $35,000,000 for fiscal year 1985 and $38,000,000 for fiscal year 1986.

(4) For the alteration or removal of bridges over navigable waters of the United States, constituting obstructions to navigation, $8,700,000 for fiscal year 1985, and such sums as may be necessary for expenses of the Coast Guard for such purposes for fiscal year 1986.

(5) For retired pay including the payment of obligations therefor otherwise chargeable to lapsed appropriations for this purpose, and payments under the Retired Serviceman’s Family Protection and Survivor Benefit Plans, and for payments for medical care of retired personnel and their dependents under the Dependents’ Medical Care Act, such sums as may be necessary for fiscal years 1985 and 1986.

PERSONNEL LEVELS

Sec. 3. Notwithstanding any other provision of law, the Coast Guard’s full-time equivalent strength levels for fiscal years 1985 and 1986 shall be maintained as follows:
(1) For active duty military personnel, not less than 39,150 for fiscal years 1985 and 1986, which shall not include members of the Ready Reserve called to active duty under the authority of section 712 of title 14, United States Code, or Public Health Service officers on active duty with the Coast Guard.
(2) For civilian employees of the Coast Guard, not less than 5,484 for fiscal years 1985 and 1986.

MILITARY TRAINING

Sec. 4. For fiscal years 1985 and 1986, the Coast Guard is authorized average military training student loads as follows:
(1) For recruit and special training, 3,500 student-years.
(2) For flight training, 118 student-years.
(3) For professional training in military and civilian institutions, 556 student-years.
(4) For officer acquisition, 1,038 student-years.

TRANSFER OF FUNDS

Sec. 5. (a) Whenever the Secretary of the department in which the Coast Guard is operating determines it to be in the national interest, the Secretary may transfer not to exceed 5 percent of the funds appropriated for the purposes described in paragraph (1) or (2) of section 2 of this Act for use for any purpose described in any paragraph of section 2, except that the total available for the purposes for which the funds are transferred shall not be increased by more than 10 percent as a result of the transfer.

(b) No transfer of funds may occur under subsection (a) of this section until 15 days after the Secretary has provided written notification to the Chairman of the Committee on Commerce, Science, and Transportation of the Senate and the Chairman of the Committee on Merchant Marine and Fisheries of the House of Representatives stating the reasons for the determination and a description of the purposes for which the funds proposed to be transferred will be used.

POLAR ICEBREAKING

Sec. 6. (a) It is the sense of the Congress that the United States has important security, economic, and environmental interests in developing and maintaining a fleet of icebreaking vessels capable of operating effectively and independently in the heavy ice regions of the Arctic and Antarctic.

(b) The Secretary of the department in which the Coast Guard is operating shall prepare design and construction plans for the purchase of at least 2 new polar icebreaking vessels to be operational by the conclusion of fiscal year 1990, and shall provide detailed reports to the Congress describing the status of those plans in January 1985 and January 1986. In preparing such plans, the Secretary shall consult with other interested Federal agencies for the purpose of ensuring that all appropriate military, scientific, economic, and environmental interests are taken into account.
ALCOHOL USE BY BOATERS

Sec. 7. (a) Section 2302 of title 46, United States Code, is amended by redesignating subsection (c) as subsection (d) and inserting immediately after subsection (b) the following:

"(c) An individual who is intoxicated when operating a vessel, as determined under standards prescribed by the Secretary by regulation, shall be—

"(1) liable to the United States Government for a civil penalty of not more than $1,000; or

"(2) fined not more than $5,000, imprisoned for not more than one year, or both."

(b)(1) Section 6101(b) of title 46, United States Code, is amended by adding at the end thereof the following: "Each report filed under this section shall include information as to whether the use of alcohol contributed to the casualty.

(b)(2) Section 6102(a) of title 46, United States Code, is amended by inserting immediately before the period at the end thereof the following: "including information and statistics concerning the number of casualties in which the use of alcohol contributed to the casualty.

(b)(3) Section 13102(c)(4) of title 46, United States Code, is amended by inserting immediately after "program" the following: "that includes the dissemination of information concerning the hazards of operating a vessel when under the influence of alcohol."

RECREATIONAL BOATING SAFETY AMENDMENTS

Sec. 8. (a) Section 4307(a)(1)(A) of title 46, United States Code, is amended—

(1) by inserting "(i)" immediately after "(A)";

(2) by striking "or" at the end of clause (i), as so redesignated by paragraph (1) of this subsection, and inserting in lieu thereof "and"; and

(3) by adding at the end thereof the following: "(ii) it does not contain a defect which has been identified, in any communication to such person by the Secretary or the manufacturer of that vessel, equipment or component, as creating a substantial risk of personal injury to the public; or"

(b) Section 4311(b)(1) of title 46, United States Code, is amended by inserting "defect or the" immediately before "nonconformity"

(c) Section 4311(f)(1) of title 46, United States Code, is amended by inserting "or that the person was not advised by the Secretary or the manufacturer of that vessel, equipment or component that the vessel, equipment or component contains a defect which creates a substantial risk of personal injury to the public" immediately before the semicolon.

RESCUE SWIMMING PROGRAM

Sec. 9. The Secretary of the department in which the Coast Guard is operating shall use such sums as are necessary, from amounts appropriated for the operation and maintenance of the Coast Guard, to establish a helicopter rescue swimming program for the purpose of training selected Coast Guard personnel in rescue swimming skills.
LIFESAVING EQUIPMENT ON PASSENGER FERRIES

SEC. 10. The Secretary of the department in which the Coast Guard is operating shall proceed vigorously with efforts to develop improved lifesaving equipment for use on passenger ferries.

SAN FRANCISCO VTS

SEC. 11. (a) Of the funds authorized to be appropriated by paragraph (1) of section 2 of this Act, such sums as are necessary shall be used to maintain in full operation the vessel traffic service (VTS) system in San Francisco, California, throughout fiscal years 1985 and 1986.

(b) None of the funds authorized to be appropriated by this Act may be used to develop or issue a request for proposals to contract any function or activity involved in operating the vessel traffic service (VTS) system in San Francisco, California, which is, on the date of enactment of this Act, performed by Coast Guard personnel.

(c) None of the funds authorized to be appropriated by this Act may be used to hire, train, or otherwise utilize civilian personnel to replace Coast Guard military personnel involved in operating the vessel traffic service (VTS) system in San Francisco, California, until the Coast Guard has conducted a study in accordance with this subsection and has submitted the results of such study to the Congress. Such study shall identify the costs, efficiencies, and benefits, if any, that would accrue to the Federal Government, the Coast Guard, the ports, the Navy, and other users of the vessel traffic service (VTS) system in San Francisco, California, from the use of civilian personnel in that system.

LONG RANGE SEARCH AND SURVEILLANCE AIRCRAFT

SEC. 12. (a) Of the amounts authorized to be appropriated by paragraphs (1) and (2) of section 2 of this Act, such sums as are necessary shall be used to procure, maintain, and operate a fleet of not less than twenty-seven long-range search and surveillance aircraft for use by the Coast Guard.

(b) The Secretary of the department in which the Coast Guard is operating is encouraged to conduct the research, development, test and evaluation necessary for an electronic surveillance system, capable of producing and documenting images for search and rescue or law enforcement purposes, for the long range search and surveillance aircraft of the Coast Guard.

PROTECTION OF SEAMEN

SEC. 13. (a) Chapter 21 of title 46, United States Code, is amended by adding at the end thereof the following:

“§ 2114. Protection of seamen against discrimination

“(a) An owner, charterer, managing operator, agent, master, or individual in charge of a vessel may not discharge or in any manner discriminate against a seaman because the seaman in good faith has reported or is about to report to the Coast Guard that the seaman believes that a violation of this subtitle, or a regulation issued under this subtitle, has occurred.

“(b) A seaman discharged or otherwise discriminated against in violation of this section may bring an action in an appropriate
district court of the United States. In that action, the court may order any appropriate relief, including—
“(1) restraining violations of this section; and
“(2) reinstatement to the seaman’s former position with back pay.”.

(b) The analysis of chapter 21 of title 46, United States Code, is amended by adding at the end thereof the following:
“2114. Protection of seamen against discrimination.”.

CONTRACTING FOR SERVICES PERFORMED BY THE COAST GUARD

SEC. 14. (a) The Secretary of the department in which the Coast Guard is operating is encouraged to identify those functions and services presently performed by Coast Guard personnel which are not inherently governmental in nature, and which may be performed with equal effectiveness and at lower cost under contract to the private sector.

(b) None of the funds authorized to be appropriated by this Act may be used—
(1) to issue any contract that would have the effect, either by itself or in combination with other contracting proposals, of causing a deterioration in the overall ability of the Coast Guard to carry out its missions in behalf of the security, safety, and economic and environmental well-being of the United States; or
(2) to issue a request for proposals to contract out any function or activity which is, on the date of enactment of this Act, performed by civilian employees or members of the Coast Guard, unless a period of thirty days in which either the Senate or House of Representatives is in session has expired after the Secretary has submitted in writing to the President of the Senate, the Speaker of the House of Representatives, the Chairman of the Committee on Commerce, Science, and Transportation of the Senate, and the Chairman of the Committee on Merchant Marine and Fisheries of the House of Representatives a full and complete statement (including relevant supporting studies) concerning the proposed contracting and the reasons therefor.

(c) Prior to the beginning of fiscal years 1985 and 1986, the Secretary shall submit to the Congress a list of functions or activities for which the Secretary expects to submit notifications required by subsection (b)(2) of this section during that fiscal year.

(d) The requirements of subsection (b)(2) of this section do not apply to contracts for functions or activities which are performed by three or fewer Coast Guard personnel.

CUTTER AVAILABILITY

Sec. 20. Throughout fiscal years 1985 and 1986, there shall be available for service at all times on the Atlantic and Gulf Coasts of the United States not less than, in the aggregate, thirty high and medium endurance Coast Guard cutters.

COAST GUARD REPRESENTATION ON RESERVE FORCES POLICY BOARD

Sec. 21. Section 17503(b) of title 10, United States Code, is amended to read as follows: "(b) Whenever the Coast Guard is not operating as a service in the Navy, the Secretary of Transportation may designate two officers of the Coast Guard, Regular or Reserve, to serve as voting members of the Board.".
EXPOSURE SUITS

SEC. 22. (a)(1) Chapter 31 of title 46, United States Code, is amended by adding at the end thereof the following:

"§ 3102. Exposure suits

(a) The Secretary shall by regulation require exposure suits on vessels designated by the Secretary that operate in the Atlantic Ocean north of thirty-two degrees North latitude or south of thirty-two degrees South latitude and in all other waters north of thirty-five degrees North latitude or south of thirty-five degrees South latitude. The Secretary may not exclude a vessel from designation under this section only because that vessel carries other lifesaving equipment.

(b) The Secretary shall establish standards for an exposure suit required by this section, including standards to guarantee adequate thermal protection, buoyance, and flotation stability.

(c)(1) The owner, charterer, managing operator, agent, master, or individual in charge of a vessel violating this section or a regulation prescribed under this section is liable to the United States Government for a civil penalty of not more than $5,000. The vessel also is liable in rem for the penalty.

(2) The owner, charterer, managing operator, agent, master, or individual in charge of a vessel violating this section or a regulation prescribed under this section may be fined not more than $25,000, imprisoned for not more than 5 years, or both."

(b) The analysis of chapter 31 of title 46, United States Code, is amended by inserting immediately after the item relating to section 3101 the following:

"3102. Exposure suits."

(b) Section 3102 of title 46, United States Code (as added by subsection (a) of this section), does not limit the authority of the Secretary of the department in which the Coast Guard is operating to prescribe regulations requiring exposure suits on vessels not required by section 3102 to have exposure suits.

(c) The regulations prescribed under section 3102 of title 46, United States Code (as added by subsection (a) of this section), shall be effective not later than 60 days after the date of enactment of this Act.

(d) Not later than six months after the date of enactment of this Act, the Secretary of the department in which the Coast Guard is operating shall submit a report to the Congress evaluating the benefits and disadvantages of extending the regulations prescribed under section 3102 of title 46, United States Code (as added by subsection (a) of this section) to require exposure suits on designated vessels operating in all waters north of thirty-one degrees North latitude or south of thirty-one degrees South latitude.

VESSEL FIRE RESPONSE CAPABILITY

SEC. 23. (a) The Secretary of the department in which the Coast Guard is operating shall make a grant to the Maritime Fire and Safety Association, a nonprofit organization incorporated in the State of Oregon. Such grant shall be used for a demonstration project to develop a fire response capability for vessels through the acquisition of equipment and supplies and through training of fire
response personnel. The Secretary shall ensure that funds made available by such grant are used for such purposes.
