ELECTION RESULTS—REQUEST FOR
VOLUNTARY DELAY IN BROADCAST
BY NEWS MEDIA

Resolved by the House of Representatives (the Senate concurring),
That the Congress finds that—

(1) in the 1980 and 1982 general elections, broadcasters made
projections of election results in many States while polls were
still open;
(2) those projections may have decreased voter participation
and affected close elections;
(3) early projections of election results undermine the belief of
individuals in the importance of their votes—a belief that is
essential in a democratic society;
