An Act

To apportion certain funds for construction of the National System of Interstate and Defense Highways for fiscal year 1985 and to increase the amount authorized to be expended for emergency relief under title 23, United States Code, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of Transportation shall apportion for the fiscal year ending September 30, 1985, one-half of the sums authorized to be appropriated for such year by section 108(b) of the Federal-Aid Highway Act of 1956, as amended, for expenditures on the National System of Interstate and Defense Highways, using the apportionment factors contained in revised table 5 of the committee print numbered 98-10 of the Committee on Public Works and Transportation of the House of Representatives.

SEC. 2. The Secretary of Transportation shall apportion for the fiscal year ending September 30, 1984, one-half of the sums to be apportioned for such year under section 103(e)(4) of title 23, United States Code, for expenditure on substitute highway and transit projects, using the apportionment factors contained in the committee print numbered 98-11 of the Committee on Public Works and Transportation of the House of Representatives.

SEC. 3. In addition to any amounts authorized to be appropriated by section 125 of title 23, United States Code, for the fiscal year ending September 30, 1984, there is authorized to be appropriated, out of the Highway Trust Fund (other than the Mass Transit Account), for such fiscal year $150,000,000 to carry out such section.

SEC. 4. The proviso in the first sentence of subsection (b) of section 125 of title 23, United States Code, limiting the aggregate amount of obligations for projects under such section, shall not apply to funds authorized to be appropriated by section 3 of this Act.

SEC. 5. A project to alleviate flooding conditions caused by an inadequate box culvert under an Interstate highway in the vicinity of Carencro, Louisiana—

(1) by removal of such box culvert and construction of one or more bridges, or

(2) by construction of drainage ditches,
at a cost not to exceed $2,000,000, shall be eligible for assistance under section 125 of title 23, United States Code.

SEC. 6. A project to repair or reconstruct any portion of a Federal-aid primary route in San Mateo County, California, which was destroyed as a result of a combination of storms in the winter of 1982-1983 and a mountain slide and which, until its destruction, had served as the only reasonable access between two cities and as the designated emergency evacuation route of one of such cities shall be eligible for assistance under section 125 of title 23, United States Code.

SEC. 7. Upon application by the State of Maryland, and after approval of withdrawal by the Secretary of Transportation of

[Official Title]
unbuilt portions of Interstate route I-83 in Baltimore, Maryland, under section 103(e)(4) of title 23, United States Code, the Secretary shall transfer $100,000,000 from the apportionment of such State under section 104(b)(5)(A) of such title to the apportionment of such State under section 104(b)(5)(B) of such title. Upon transfer of such funds, the estimate of the cost of completing substitute highway projects in such State prepared under section 103(e)(4) of such title shall be reduced by $100,000,000. Of funds apportioned to such State under section 104(b)(5)(B) of such title, $100,000,000 shall be obligated for resurfacing, restoring, rehabilitating, and reconstructing portions of such Interstate route open to traffic. Any funds transferred under this section shall continue to be available for expenditure in such State until the last day of the second fiscal year following the fiscal year in which such transfer is made. Any amount of funds so transferred which have not been obligated by such last day shall lapse and shall be made available by the Secretary for projects under section 118(b)(3) of such title.

SEC. 8. (a) The last sentence of section 139(a) and the fourth sentence of section 139(b) of title 23, United States Code, are amended to read as follows: "The designation of a highway as part of the Interstate System under this subsection shall create no Federal financial responsibility with respect to such highway; except that any State may use funds available to it under sections 104(b)(1) and 104(b)(5)(B) of this title for the resurfacing, restoring, rehabilitating, and reconstructing of any highway designated as a route on the Interstate System under this subsection before the date of enactment of this sentence.

(b) Subsection (a) of section 119 of title 23, United States Code, is amended to read as follows:

"(a) The Secretary may approve projects for resurfacing, restoring, rehabilitating, and reconstructing routes on the Interstate System designated under sections 103 and 139(c) of this title and routes on the Interstate System designated before the date of enactment of this sentence under section 139 (a) and (b) of this title; except that the Secretary may only approve a project pursuant to this subsection on a toll road if such road is subject to a Secretarial agreement provided for in section 105 of the Federal-Aid Highway Act of 1978. Sums authorized to be appropriated for this section shall be out of the Highway Trust Fund and shall be apportioned in accordance with section 104(b)(5)(B) of this title. The Federal share for any project under this subsection shall be that set forth in section 120(c) of this title."

SEC. 9. Construction of any bridge—

(1) which will be part of a four-lane expressway on the Federal-aid primary system in the vicinity of Valley City, Illinois, and Florence, Illinois;

(2) construction of which received discretionary funding in fiscal year 1979 under the third sentence of section 144(g) of title 23, United States Code; and
(3) construction of which, on May 1, 1983, was prohibited by judicial injunction;

shall be eligible for assistance under section 144 of such title.

Sec. 10. Section 165(a) of the Surface Transportation Assistance Act of 1982 is amended by striking out "cement,"

Approved March 9, 1984.
