

(e) Seizure

An individual authorized to enforce this chapter may seize, whenever or wherever lawfully found, all species of designated tuna taken or retained in violation of this chapter or the regulations issued under section 972e of this title. Any species so seized may be disposed of pursuant to the order of a court of competent jurisdiction, under subsection (f) of this section or, if perishable, in a manner prescribed by regulations of the Secretary of Commerce.

(f) Bond or stipulation for value of the property

Notwithstanding the provisions of section 2464 of title 28, when a warrant of arrest or other process in rem is issued in any cause under this section, the marshal or other officer shall stay the execution of such process, or discharge any species of designated tuna seized if the process has been levied, on receiving from the claimant of the species a bond or stipulation for the value of the property with sufficient surety to be approved by a judge of the district court having jurisdiction of the offense, conditioned to deliver the species seized, if condemned, without impairment in value or, in the discretion of the court, to pay its equivalent value in money or otherwise to answer the decree of the court in such cause. Such bond or stipulation shall be returned to the court and judgment thereon against both the principal and sureties may be recovered in event of any breach of the conditions thereof as determined by the court. In the discretion of the accused, and subject to the direction of the court, the species may be sold for not less than its reasonable market value and the proceeds of such sale placed in the registry of the court pending judgment in the case.
