The Attorney General may, in his discretion, waive the application of subparagraphs (A)(i)(I), (B), (D), and (E) of subsection (a)(2) of this section and subparagraph (A)(i)(II) of such subsection insofar as it relates to a single offense of simple possession of 30 grams or less of marijuana if—

(1)(A) in the case of any immigrant it is established to the satisfaction of the Attorney General that—

(i) the alien is excludable only under subparagraph (D)(i) or (D)(ii) of such subsection or the activities for which the alien is excludable occurred more than 15 years before the date of the alien's application for a visa, entry, or adjustment of status,

(ii) the admission to the United States of such alien would not be contrary to the national welfare, safety, or security of the United States, and

(iii) the alien has been rehabilitated; or

(B) in the case of an immigrant who is the spouse, parent, son, or daughter of a citizen of the United States or an alien lawfully admitted for permanent residence if it is established to the satisfaction of the Attorney General that the alien's exclusion would result in extreme hardship to the United States citizen or lawfully resident spouse, parent, son, or daughter of such alien; and

(2) the Attorney General, in his discretion, and pursuant to such terms, conditions and procedures as he may by regulations prescribe, has consented to the alien's applying or reapplying for a visa, for admission to the United States, or adjustment of status.

No waiver shall be provided under this subsection in the case of an alien who has been convicted of (or who has admitted committing acts that constitute) murder or criminal acts involv-

ing torture, or an attempt or conspiracy to commit murder or a criminal act involving torture.

(i) Admission of immigrant excludable for fraud or willful misrepresentation of material fact

The Attorney General may, in his discretion, waive application of clause (i) of subsection (a)(6)(C) of this section—

(1) in the case of an immigrant who is the spouse, parent, or son or daughter of a United States citizen or of an immigrant lawfully admitted for permanent residence, or

(2) if the fraud or misrepresentation occurred at least 10 years before the date of the immigrant's application for a visa, entry, or adjustment of status and it is established to the satisfaction of the Attorney General that the admission to the United States of such immigrant would not be contrary to the national welfare, safety, or security of the United States.

(j) Limitation on immigration of foreign medical graduates

(1) The additional requirements referred to in section 1101(a)(15)(J) of this title for an alien who is coming to the United States under a program under which he will receive graduate medical education or training are as follows:

(A) A school of medicine or of one of the other health professions, which is accredited by a body or bodies approved for the purpose by the Secretary of Education, has agreed in writing to provide the graduate medical education or training under the program for which the alien is coming to the United States or to assume responsibility for arranging for the provision thereof by an appropriate public or nonprofit private institution or agency, except that, in the case of such an agreement by a school of medicine, any one or more of its affiliated hospitals which are to participate in the provision of the graduate medical education or training must join in the agreement.

(B) Before making such agreement, the accredited school has been satisfied that the alien (i) is a graduate of a school of medicine which is accredited by a body or bodies approved for the purpose by the Secretary of Education (regardless of whether such school of medicine is in the United States); or (ii)(I) has passed parts I and II of the National Board of Medical Examiners Examination (or an equivalent examination as determined by the Secretary of Health and Human Services), (II) has competency in oral and written English, (III) will be able to adapt to the educational and cultural environment in which he will be receiving his education or training, and (IV) has adequate prior education and training to participate satisfactorily in the program for which he is coming to the United States. For the purposes of this subparagraph, an alien who is a graduate of a medical school shall be considered to have passed parts I and II of the National Board of Medical Examiners examination if the alien was fully and permanently licensed to practice medicine in a State on January 9, 1978, and was practicing medicine in a State on that date.

(C) The alien has made a commitment to return to the country of his nationality or last

residence upon completion of the education or training for which he is coming to the United States, and the government of the country of his nationality or last residence has provided a written assurance, satisfactory to the Secretary of Health and Human Services, that there is a need in that country for persons with the skills the alien will acquire in such education or training.

(D) The duration of the alien's participation in the program of graduate medical education or training for which the alien is coming to the United States is limited to the time typically required to complete such program, as determined by the Director of the United States Information Agency at the time of the alien's entry into the United States, based on criteria which are established in coordination with the Secretary of Health and Human Services and which take into consideration the published requirements of the medical specialty board which administers such education or training program; except that—

(i) such duration is further limited to seven years unless the alien has demonstrated to the satisfaction of the Director that the country to which the alien will return at the end of such specialty education or training has an exceptional need for an individual trained in such specialty, and

(ii) the alien may, once and not later than two years after the date the alien enters the United States as an exchange visitor or acquires exchange visitor status, change the alien's designated program of graduate medical education or training if the Director approves the change and if a commitment and written assurance with respect to the alien's new program have been provided in accordance with subparagraph (C).

(E) The alien furnishes the Attorney General each year with an affidavit (in such form as the Attorney General shall prescribe) that attests that the alien (i) is in good standing in the program of graduate medical education or training in which the alien is participating, and (ii) will return to the country of his nationality or last residence upon completion of the education or training for which he came to the United States.

(2) An alien who is a graduate of a medical school and who is coming to the United States to perform services as a member of the medical profession may not be admitted as a non-immigrant under section 1101(a)(15)(H)(i)(b) of this title unless—

(A) the alien is coming pursuant to an invitation from a public or nonprofit private educational or research institution or agency in the United States to teach or conduct research, or both, at or for such institution or agency, or

(B)(i) the alien has passed the Federation licensing examination (administered by the Federation of State Medical Boards of the United States) or an equivalent examination as determined by the Secretary of Health and Human Services, and

(ii)(I) has competency in oral and written English or (II) is a graduate of a school of

medicine which is accredited by a body or bodies approved for the purpose by the Secretary of Education (regardless of whether such school of medicine is in the United States).

(3) The Director of the United States Information Agency annually shall transmit to the Congress a report on aliens who have submitted affidavits described in paragraph (1)(E), and shall include in such report the name and address of each such alien, the medical education or training program in which such alien is participating, and the status of such alien in that program.

(k) Attorney General's discretion to admit otherwise excludable aliens who possess immigrant visas

Any alien, excludable from the United States under paragraph (5)(A) or (7)(A)(i) of subsection (a) of this section, who is in possession of an immigrant visa may, if otherwise admissible, be admitted in the discretion of the Attorney General if the Attorney General is satisfied that exclusion was not known to, and could not have been ascertained by the exercise of reasonable diligence by, the immigrant before the time of departure of the vessel or aircraft from the last port outside the United States and outside foreign contiguous territory or, in the case of an immigrant coming from foreign contiguous territory, before the time of the immigrant's application for admission.

(l) Guam; waiver of requirements for non-immigrant visitors; conditions of waiver; acceptance of funds from Guam

(1) The requirement of paragraph (7)(B)(i) of subsection (a) of this section may be waived by the Attorney General, the Secretary of State, and the Secretary of the Interior, acting jointly, in the case of an alien applying for admission as a nonimmigrant visitor for business or pleasure and solely for entry into and stay on Guam for a period not to exceed fifteen days, if the Attorney General, the Secretary of State, and the Secretary of the Interior, after consultation with the Governor of Guam, jointly determine that—

- (A) an adequate arrival and departure control system has been developed on Guam, and
- (B) such a waiver does not represent a threat to the welfare, safety, or security of the United States or its territories and commonwealths.

(2) An alien may not be provided a waiver under this subsection unless the alien has waived any right—

- (A) to review or appeal under this chapter of an immigration officer's determination as to the admissibility of the alien at the port of entry into Guam, or
- (B) to contest, other than on the basis of an application for asylum, any action for deportation against the alien.

(3) If adequate appropriated funds to carry out this subsection are not otherwise available, the Attorney General is authorized to accept from the Government of Guam such funds as may be tendered to cover all or any part of the cost of administration and enforcement of this subsection.

(m) Requirements for admission of non-immigrant nurses during five-year period

(1) The qualifications referred to in section 1101(a)(15)(H)(i)(a) of this title, with respect to an alien who is coming to the United States to perform nursing services for a facility, are that the alien—

(A) has obtained a full and unrestricted license to practice professional nursing in the country where the alien obtained nursing education or has received nursing education in the United States or Canada;

(B) has passed an appropriate examination (recognized in regulations promulgated in consultation with the Secretary of Health and Human Services) or has a full and unrestricted license under State law to practice professional nursing in the State of intended employment; and

(C) is fully qualified and eligible under the laws (including such temporary or interim licensing requirements which authorize the nurse to be employed) governing the place of intended employment to engage in the practice of professional nursing as a registered nurse immediately upon admission to the United States and is authorized under such laws to be employed by the facility.

(2)(A) The attestation referred to in section 1101(a)(15)(H)(i)(a) of this title is an attestation as to the following:

(i) There would be a substantial disruption through no fault of the facility in the delivery of health care services of the facility without the services of such an alien or aliens.

(ii) The employment of the alien will not adversely affect the wages and working conditions of registered nurses similarly employed.

(iii) The alien employed by the facility will be paid the wage rate for registered nurses similarly employed by the facility.

(iv) Either (I) the facility has taken and is taking timely and significant steps designed to recruit and retain sufficient registered nurses who are United States citizens or immigrants who are authorized to perform nursing services, in order to remove as quickly as reasonably possible the dependence of the facility on nonimmigrant registered nurses, or (II) the facility is subject to an approved State plan for the recruitment and retention of nurses (described in paragraph (3)).

(v) There is not a strike or lockout in the course of a labor dispute, and the employment of such an alien is not intended or designed to influence an election for a bargaining representative for registered nurses of the facility.

(vi) At the time of the filing of the petition for registered nurses under section 1101(a)(15)(H)(i)(a) of this title, notice of the filing has been provided by the facility to the bargaining representative of the registered nurses at the facility or, where there is no such bargaining representative, notice of the filing has been provided to registered nurses employed at the facility through posting in conspicuous locations.

A facility is considered not to meet clause (i) (relating to an attestation of a substantial dis-

ruption in delivery of health care services) if the facility, within the previous year, laid off registered nurses. Notwithstanding the previous sentence, a facility that lays off a registered nurse other than a staff nurse still meets clause (i) if, in its attestation under this subparagraph, the facility has attested that it will not replace the nurse with a nonimmigrant described in section 1101(a)(15)(H)(i)(a) of this title (either through promotion or otherwise) for a period of 1 year after the date of the lay off. Nothing in clause (iv) shall be construed as requiring a facility to have taken significant steps described in such clause before Dec. 18, 1989. In the case of an alien for whom an employer has filed an attestation under this subparagraph and who is performing services at a worksite other than the employer's or other than a worksite controlled by the employer, the Secretary may waive such requirements for the attestation for the worksite as may be appropriate in order to avoid duplicative attestations, in cases of temporary, emergency circumstances, with respect to information not within the knowledge of the attestor, or for other good cause.

(B) For purposes of subparagraph (A)(iv)(I), each of the following shall be considered a significant step reasonably designed to recruit and retain registered nurses:

(i) Operating a training program for registered nurses at the facility or financing (or providing participation in) a training program for registered nurses elsewhere.

(ii) Providing career development programs and other methods of facilitating health care workers to become registered nurses.

(iii) Paying registered nurses wages at a rate higher than currently being paid to registered nurses similarly employed in the geographic area.

(iv) Providing adequate support services to free registered nurses from administrative and other nonnursing duties.

(v) Providing reasonable opportunities for meaningful salary advancement by registered nurses.

The steps described in this subparagraph shall not be considered to be an exclusive list of the significant steps that may be taken to meet the conditions of subparagraph (A)(iv)(I). Nothing herein shall require a facility to take more than one step, if the facility can demonstrate that taking a second step is not reasonable.

(C) Subject to subparagraph (E), an attestation under subparagraph (A) shall—

(i) expire at the end of the 1-year period beginning on the date of its filing with the Secretary of Labor, and

(ii) apply to petitions filed during such 1-year period if the facility states in each such petition that it continues to comply with the conditions in the attestation.

(D) A facility may meet the requirements under this paragraph with respect to more than one registered nurse in a single petition.

(E)(i) The Secretary of Labor shall compile and make available for public examination in a timely manner in Washington, D.C., a list identifying facilities which have filed petitions for nonimmigrants under section

1101(a)(15)(H)(i)(a) of this title and, for each such facility, a copy of the facility's attestation under subparagraph (A) (and accompanying documentation) and each such petition filed by the facility.

(ii) The Secretary of Labor shall establish a process for the receipt, investigation, and disposition of complaints respecting a facility's failure to meet conditions attested to or a facility's misrepresentation of a material fact in an attestation. Complaints may be filed by any aggrieved person or organization (including bargaining representatives, associations deemed appropriate by the Secretary, and other aggrieved parties as determined under regulations of the Secretary). The Secretary shall conduct an investigation under this clause if there is reasonable cause to believe that a facility fails to meet conditions attested to.

(iii) Under such process, the Secretary shall provide, within 180 days after the date such a complaint is filed, for a determination as to whether or not a basis exists to make a finding described in clause (iv). If the Secretary determines that such a basis exists, the Secretary shall provide for notice of such determination to the interested parties and an opportunity for a hearing on the complaint within 60 days of the date of the determination.

(iv) If the Secretary of Labor finds, after notice and opportunity for a hearing, that a facility (for which an attestation is made) has failed to meet a condition attested to or that there was a misrepresentation of material fact in the attestation, the Secretary shall notify the Attorney General of such finding and may, in addition, impose such other administrative remedies (including civil monetary penalties in an amount not to exceed \$1,000 per violation) as the Secretary determines to be appropriate. Upon receipt of such notice, the Attorney General shall not approve petitions filed with respect to a facility during a period of at least 1 year for nurses to be employed by the facility.

(v) In addition to the sanctions provided under clause (iv), if the Secretary of Labor finds, after notice and an opportunity for a hearing, that a facility has violated the condition attested to under subparagraph (A)(iii) (relating to payment of registered nurses at the prevailing wage rate), the Secretary shall order the facility to provide for payment of such amounts of back pay as may be required to comply with such condition.

(3) The Secretary of Labor shall provide for a process under which a State may submit to the Secretary a plan for the recruitment and retention of United States citizens and immigrants who are authorized to perform nursing services as registered nurses in facilities in the State. Such a plan may include counseling and educating health workers and other individuals concerning the employment opportunities available to registered nurses. The Secretary shall provide, on an annual basis in consultation with the Secretary of Health and Human Services, for the approval or disapproval of such a plan, for purposes of paragraph (2)(A)(iv)(II). Such a plan may not be considered to be approved with respect to the facility unless the plan provides for the taking of significant steps described in paragraph (2)(A)(iv)(I) with respect to registered nurses in the facility.

(4) The period of admission of an alien under section 1101(a)(15)(H)(i)(a) of this title shall be for an initial period of not to exceed 3 years, subject to an extension for a period or periods, not to exceed a total period of admission of 5 years (or a total period of admission of 6 years in the case of extraordinary circumstances, as determined by the Attorney General).

(5) For purposes of this subsection and section 1101(a)(15)(H)(i)(a) of this title, the term "facility" includes an employer who employs registered nurses in a home setting.

(n) Labor condition application

(1) No alien may be admitted or provided status as a nonimmigrant described in section 1101(a)(15)(H)(i)(b) of this title in an occupational classification unless the employer has filed with the Secretary of Labor an application stating the following:

(A) The employer—

(i) is offering and will offer during the period of authorized employment to aliens admitted or provided status as a nonimmigrant described in section 1101(a)(15)(H)(i)(b) of this title wages that are at least—

(I) the actual wage level paid by the employer to all other individuals with similar experience and qualifications for the specific employment in question, or

(II) the prevailing wage level for the occupational classification in the area of employment,

whichever is greater, based on the best information available as of the time of filing the application, and

(ii) will provide working conditions for such a nonimmigrant that will not adversely affect the working conditions of workers similarly employed.

(B) There is not a strike or lockout in the course of a labor dispute in the occupational classification at the place of employment.

(C) The employer, at the time of filing the application—

(i) has provided notice of the filing under this paragraph to the bargaining representative (if any) of the employer's employees in the occupational classification and area for which aliens are sought, or

(ii) if there is no such bargaining representative, has posted notice of filing in conspicuous locations at the place of employment.

(D) The application shall contain a specification of the number of workers sought, the occupational classification in which the workers will be employed, and wage rate and conditions under which they will be employed.

The employer shall make available for public examination, within one working day after the date on which an application under this paragraph is filed, at the employer's principal place of business or worksite, a copy of each such application (and such accompanying documents as are necessary). The Secretary shall compile, on a current basis, a list (by employer and by occupational classification) of the applications filed under this subsection. Such list shall include

the wage rate, number of aliens sought, period of intended employment, and date of need. The Secretary shall make such list available for public examination in Washington, D.C. The Secretary of Labor shall review such an application only for completeness and obvious inaccuracies. Unless the Secretary finds that the application is incomplete or obviously inaccurate, the Secretary shall provide the certification described in section 1101(a)(15)(H)(i)(b) of this title within 7 days of the date of the filing of the application.

(2)(A) The Secretary shall establish a process for the receipt, investigation, and disposition of complaints respecting a petitioner's failure to meet a condition specified in an application submitted under paragraph (1) or a petitioner's misrepresentation of material facts in such an application. Complaints may be filed by any aggrieved person or organization (including bargaining representatives). No investigation or hearing shall be conducted on a complaint concerning such a failure or misrepresentation unless the complaint was filed not later than 12 months after the date of the failure or misrepresentation, respectively. The Secretary shall conduct an investigation under this paragraph if there is reasonable cause to believe that such a failure or misrepresentation has occurred.

(B) Under such process, the Secretary shall provide, within 30 days after the date such a complaint is filed, for a determination as to whether or not a reasonable basis exists to make a finding described in subparagraph (C). If the Secretary determines that such a reasonable basis exists, the Secretary shall provide for notice of such determination to the interested parties and an opportunity for a hearing on the complaint, in accordance with section 556 of title 5, within 60 days after the date of the determination. If such a hearing is requested, the Secretary shall make a finding concerning the matter by not later than 60 days after the date of the hearing. In the case of similar complaints respecting the same applicant, the Secretary may consolidate the hearings under this subparagraph on such complaints.

(C) If the Secretary finds, after notice and opportunity for a hearing, a failure to meet a condition of paragraph (1)(B), a substantial failure to meet a condition of paragraphs (1)(C) or (1)(D), a willful failure to meet a condition of paragraph (1)(A), or a misrepresentation of material fact in an application—

(i) the Secretary shall notify the Attorney General of such finding and may, in addition, impose such other administrative remedies (including civil monetary penalties in an amount not to exceed \$1,000 per violation) as the Secretary determines to be appropriate, and

(ii) the Attorney General shall not approve petitions filed with respect to that employer under section 1154 or 1184(c) of this title during a period of at least 1 year for aliens to be employed by the employer.

(D) If the Secretary finds, after notice and opportunity for a hearing, that an employer has not paid wages at the wage level specified under the application and required under paragraph (1), the Secretary shall order the employer to

provide for payment of such amounts of back pay as may be required to comply with the requirements of paragraph (1), whether or not a penalty under subparagraph (C) has been imposed.

(o) Requirements for receipt of immigrant visa within ninety days following departure

An alien who has been physically present in the United States shall not be eligible to receive an immigrant visa within ninety days following departure therefrom unless—

(1) the alien was maintaining a lawful non-immigrant status at the time of such departure, or

(2) the alien is the spouse or unmarried child of an individual who obtained temporary or permanent resident status under section 1160 or 1255a of this title or section 202 of the Immigration Reform and Control Act of 1986 at any date, who—

(A) as of May 5, 1988, was the unmarried child or spouse of the individual who obtained temporary or permanent resident status under section 1160 or 1255a of this title or section 202 of the Immigration Reform and Control Act of 1986;

(B) entered the United States before May 5, 1988, resided in the United States on May 5, 1988, and is not a lawful permanent resident; and

(C) applied for benefits under section 301(a) of the Immigration Act of 1990.

(June 27, 1952, ch. 477, title II, ch. 2, § 212, 66 Stat. 182; July 18, 1956, ch. 629, title III, § 301 (a), 70 Stat. 575; July 7, 1958, Pub. L. 85-508, § 23, 72 Stat. 351; Mar. 18, 1959, Pub. PROC. NO. 4865. HIGH SEAS INTERDICTION OF ILLEGAL ALIENS

Proc. No. 4865, Sept. 29, 1981, 46 F.R. 48107, provided:

The ongoing migration of persons to the United States in violation of our laws is a serious national problem detrimental to the interests of the United States. A particularly difficult aspect of the problem is the continuing illegal migration by sea of large numbers of undocumented aliens into the southeastern United States. These arrivals have severely strained the law enforcement resources of the Immigration and Naturalization Service and have threatened the welfare and safety of communities in that region.

As a result of our discussions with the Governments of affected foreign countries and with agencies of the Executive Branch of our Government, I have determined that new and effective measures to curtail these unlawful arrivals are necessary. In this regard, I have determined that international cooperation to intercept vessels trafficking in illegal migrants is a necessary and proper means of insuring the effective enforcement of our laws.

NOW, THEREFORE, I, RONALD REAGAN, President of the United States of America, by the authority vested in me by the Constitution and the statutes of the United States, including Sections 212(f) and 215(a)(1) of the Immigration and Nationality Act, as amended (8 U.S.C. 1182(f) and 1185(a)(1)), in order to protect the sovereignty of the United States, and in accordance with cooperative arrangements with certain foreign governments, and having found that the entry of undocumented aliens, arriving at the borders of the United States from the high seas, is detrimental to the interests of the United States, do proclaim that:

The entry of undocumented aliens from the high seas is hereby suspended and shall be prevented by the interdiction of certain vessels carrying such aliens.

IN WITNESS WHEREOF, I have hereunto set my hand this twenty-ninth day of September, in the year of our Lord nineteen hundred and eighty-one, and of the Independence of the United States of America the two hundred and sixth.

RONALD REAGAN.

EX. ORD. NO. 12807. INTERDICTION OF ILLEGAL ALIENS

By the authority vested in me as President by the Constitution and the laws of the United States of America, including sections 212(f) and 215(a)(1) of the Immigration and Nationality Act, as amended (8 U.S.C. 1182(f) and 1185(a)(1)), and whereas:

(1) The President has authority to suspend the entry of aliens coming by sea to the United States without necessary documentation, to establish reasonable rules and regulations regarding, and other limitations on, the entry or attempted entry of aliens into the United States, and to repatriate aliens interdicted beyond the territorial sea of the United States;

(2) The international legal obligations of the United States under the United Nations Protocol Relating to the Status of Refugees (U.S. T.I.A.S. 6577; 19 U.S.T. 6223) to apply Article 33 of the United Nations Convention Relating to the Status of Refugees do not extend to persons located outside the territory of the United States;

(3) Proclamation No. 4865 [set out above] suspends the entry of all undocumented aliens into the United States by the high seas; and

(4) There continues to be a serious problem of persons attempting to come to the United States by sea without necessary documentation and otherwise illegally;

I, GEORGE BUSH, President of the United States of America, hereby order as follows:

SEC. 2. (b) Those instructions shall apply to any of the following defined vessels:

(1) Vessels of the United States, meaning any vessel documented or numbered pursuant to the laws of the United States, or owned in whole or in part by the United States, a citizen of the United States, or a corporation incorporated under the laws of the United States or any State, Territory, District, Commonwealth, or possession thereof, unless the vessel has been granted nationality by a foreign nation in accord with Article 5 of the Convention on the High Seas of 1958 (U.S. T.I.A.S. 5200; 13 U.S.T. 2312).

(2) Vessels without nationality or vessels assimilated to vessels without nationality in accordance with paragraph (2) of Article 6 of the Convention on the High Seas of 1958 (U.S. T.I.A.S. 5200; 13 U.S.T. 2312).

(3) Vessels of foreign nations with whom we have arrangements authorizing the United States to stop and board such vessels.

(2) To make inquiries of those on board, examine documents and take such actions as are necessary to carry out this order.

(3) To return the vessel and its passengers to the country from which it came, or to another country, when there is reason to believe that an offense is being committed against the United States immigration laws, or appropriate laws of a foreign country with which we have an arrangement to assist; provided, however, that the Attorney General, in his unreviewable discretion, may decide that a person who is a refugee will not be returned without his consent.

(d) These actions, pursuant to this section, are authorized to be undertaken only beyond the territorial sea of the United States.

SEC. 3. This order is intended only to improve the internal management of the Executive Branch. Neither this order nor any agency guidelines, procedures, instructions, directives, rules or regulations implementing this order shall create, or shall be construed to create, any right or benefit, substantive or procedural (including without limitation any right or benefit under the Administrative Procedure Act [5 U.S.C. 551 et seq., 701 et seq.]), legally enforceable by any party against the United States, its agencies or instrumentalities, officers, employees, or any other person. Nor shall this order be construed to require any procedures to determine whether a person is a refugee.

SEC. 4. Executive Order No. 12324 is hereby revoked and replaced by this order.

SEC. 5. This order shall be effective immediately.

GEORGE BUSH.
