

essary to meet those needs. The report shall include an assessment of the Defense Production Act of 1950 (50 U.S.C. App. 2061 et seq.), and the Strategic and Critical Materials Stock Piling Act (50 U.S.C. App. 98 et seq.) [50 U.S.C. 98 et seq.]. Such report shall be made available to the Congress within 1 year after October 21, 1980, and shall be revised periodically as deemed necessary.

**(e) Secretary of the Interior; initiation of actions; report**

The Secretary of the Interior shall promptly initiate actions to—

- (1) improve the capacity of the United States Bureau of Mines to assess international minerals supplies;
- (2) increase the level of mining and metallurgical research by the United States Bureau of Mines in critical and strategic minerals; and
- (3) improve the availability and analysis of mineral data in Federal land use decision-making.

A report summarizing actions required by this subsection shall be made available to the Congress within 1 year after October 21, 1980.

**(f) Secretary of the Interior; collection, evaluation, and analysis activities concerning information**

In furtherance of the policies of this chapter, the Secretary of the Interior shall collect, evaluate, and analyze information concerning mineral occurrence, production, and use from industry, academia, and Federal and State agencies. Notwithstanding the provisions of section 552 of title 5, data and information provided to the Department by persons or firms engaged in any phase of mineral or mineral-material production or large-scale consumption shall not be disclosed outside of the Department of the Interior in a nonaggregated form so as to disclose data and information supplied by a single person or firm, unless there is no objection to the disclosure of such data and information by the donor: *Provided, however,* That the Secretary may disclose nonaggregated data and information to Federal defense agencies, or to the Congress upon official request for appropriate purposes.

## CHAPTER REFERRED TO IN OTHER SECTIONS

This chapter is referred to in section 191 of this title.

**§ 1701. Congressional statement of findings and purposes**

- (a) Congress finds that—
- (1) the Secretary of the Interior should enforce effectively and uniformly existing regulations under the mineral leasing laws providing for the inspection of production activities on lease sites on Federal and Indian lands;
  - (2) the system of accounting with respect to royalties and other payments due and owing on oil and gas produced from such lease sites is archaic and inadequate;
  - (3) it is essential that the Secretary initiate procedures to improve methods of accounting for such royalties and payments and to provide for routine inspection of activities related to the production of oil and gas on such lease sites; and
