	37:232(c) (less last sentence).	Oct. 12, 1949, ch. 681, §201(c) (less last sentence), 63 Stat. 807; redesignated as “(c)” by Mar. 31, 1955, ch. 20, §2(2), 69 Stat. 19; May 20, 1958, Pub. L. 85-422, §1(3) (first sentence), 72 Stat. 124.

In subsection (a), the words “whether under temporary or permanent appointment” are omitted as surplusage. The words “the following pay grades” are substituted for the words “the various pay grades prescribed for commissioned officers by subsection (a) of this section, as follows”. The words “(other than a commissioned warrant officer)” are inserted to conform to the definition of “warrant officer” in section 101(13) of this revised title.

In subsection (b), the words “with two or less years of service computed under section 205 of this title” are substituted for the word “minimum”.

In subsections (c) and (e), the words “with two or less years of service computed under section 205 of this title” are substituted for the words “with under two cumulative years’ service” and “with under two cumulative years of service”, in sections 308 and 232(e), respectively, of existing title 37.

In subsection (e), the words “enlisted or appointed under the Army Aviation Cadet Act, as amended, or under the Naval Aviation Cadet Act of 1942, as amended” are omitted as obsolete and surplusage. Both of the cited acts were repealed by section 53 of the Act of August 10, 1956, ch. 1041 (70A Stat. 641), and replaced by various sections of title 10. Further reference is surplusage, however, since aviation cadets are not appointed or enlisted under any provision of law other than the sections of title 10 embodying the former Army Aviation Cadet Act and the Naval Aviation Cadet Act of 1942. The word “basic” is inserted for clarity, since the word “pay” as defined in section 101(21) of this revised title includes special and incentive pays. Incentive pay for aviation cadets is provided in section 301(b) of this revised title.

In subsection (f), the words “While on active duty”, in section 6915(f) of title 10 and section 758a(f) of title 14, are omitted as covered by section 204 of this title which prescribes the conditions under which members of the uniformed services are entitled to basic pay. The words “Unless he is entitled to the basic pay of a higher pay grade” are substituted for the words “or that of his grade, whichever is greater” in section 6915(f) of title 10 and section 758a(f) of title 14.

In subsection (g), the words “Except as provided by subsections (e) and (f)” are inserted to reflect those subsections relating to enlisted aviation cadets or aviation pilots.

#### SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 201, 209, 1009 of this title; title 2 section 906.

#### § 204. Entitlement

(a) The following persons are entitled to the basic pay of the pay grade to which assigned or distributed, in accordance with their years of service computed under section 205 of this title—

(1) a member of a uniformed service who is on active duty; and

(2) a member of a uniformed service, or a member of the National Guard who is not a Reserve of the Army or the Air Force, who is participating in full-time training, training duty with pay, or other full-time duty, provided by law, including participation in exercises or the performance of duty under section 10302, 10305, 10502, or 12402 of title 10, or section 503, 504, 505, or 506 of title 32.

(b) For the purposes of subsection (a), under regulations prescribed by the President, the time necessary for a member of a uniformed service who is called or ordered to active duty for a period of more than 30 days to travel from his home to his first duty station and from his last duty station to his home, by the mode of transportation authorized in his call or orders, is considered active duty.

(c) A member of the National Guard who is called into Federal service for a period of 30 days or less is entitled to basic pay from the date when he appears at the place of company rendezvous. However, this subsection does not authorize any expenditure before arriving at the place of rendezvous that is not authorized by law to be paid after arrival at that place.

(d) Full-time training, training duty with pay, or other full-time duty performed by a member of the Army National Guard of the United States or the Air National Guard of the United States in his status as a member of the National Guard, is active duty for the purposes of this section.

(e) A payment accruing under any law to a member of a uniformed service incident to his release from active duty or for his return home incident to that release may be paid to him before his departure from his last duty station, whether or not he actually performs the travel involved. If a member receives a payment under this subsection but dies before that payment would have been made but for this subsection, no part of that payment may be recovered by the United States.

(f) A cadet of the United States Military Academy or the United States Air Force Academy, or a midshipman of the United States Naval Academy, who, upon graduation from one of those academies, is appointed as a second lieutenant of the Army or the Air Force is entitled to the basic pay of pay grade O-1 beginning upon the date of his graduation.

(g)(1) A member of a reserve component of a uniformed service is entitled to the pay and allowances provided by law or regulation for a member of a regular component of a uniformed service of corresponding grade and length of service whenever such member is physically disabled as the result of an injury, illness, or disease incurred or aggravated—

(A) in line of duty while performing active duty;

(B) in line of duty while performing inactive-duty training (other than work or study in connection with a correspondence course of an armed force or attendance in an inactive status at an educational institution under the

sponsorship of an armed force or the Public Health Service); or

(C) while traveling directly to or from such duty or training.

(2) In the case of a member who receives earned income from nonmilitary employment or self-employment performed in any month in which the member is otherwise entitled to pay and allowances under paragraph (1), the total pay and allowances shall be reduced by the amount of such income. In calculating earned income for the purpose of the preceding sentence, income from an income protection plan, vacation pay, or sick leave which the member elects to receive shall be considered.

(h)(1) A member of a reserve component of a uniformed service who is physically able to perform his military duties, is entitled, upon request, to a portion of the monthly pay and allowances provided by law or regulation for a member of a regular component of a uniformed service of corresponding grade and length of service for each month for which the member demonstrates a loss of earned income from nonmilitary employment or self-employment as a result of an injury, illness, or disease incurred or aggravated—

(A) in line of duty while performing active duty;

(B) in line of duty while performing inactive-duty training (other than work or study in connection with a correspondence course of an armed force or attendance in an inactive status at an educational institution under the sponsorship of an armed force or the Public Health Service); or

(C) while traveling directly to or from such duty or training.

(2) The monthly entitlement may not exceed the member's demonstrated loss of earned income from nonmilitary or self-employment. In calculating such loss of income, income from an income protection plan, vacation pay, or sick leave which the member elects to receive shall be considered.

(i)(1) The total amount of pay and allowances paid under subsections (g) and (h) and compensation paid under section 206(a) of this title for any period may not exceed the amount of pay and allowances provided by law or regulation for a member of a regular component of a uniformed service of corresponding grade and length of service for that period.

(2) Pay and allowances may not be paid under subsection (g) or (h) for a period of more than six months. The Secretary concerned may extend such period in any case if the Secretary determines that it is in the interests of fairness and equity to do so.

(3) A member is not entitled to benefits under subsection (g) or (h) if the injury, illness, disease, or aggravation of an injury, illness, or disease is the result of the gross negligence or misconduct of the member.

(4) Regulations with respect to procedures for paying pay and allowances under subsections (g) and (h) shall be prescribed—

(A) by the Secretary of Defense for the armed forces under the jurisdiction of the Secretary; and

(B) by the Secretary of Transportation for the Coast Guard when the Coast Guard is not operating as a service in the Navy.

(j) A member of the uniformed services who is entitled to medical or dental care under section 1074a of title 10 is entitled to travel and transportation allowances, or a monetary allowance in place thereof, for necessary travel incident to such care, and return to his home upon discharge from treatment.

[The citations to section 232(d) of existing title 37, above, are to the language of subsection (d) set forth in the codification note under section 232, rather than that erroneously set forth in the text of the section.]

In subsection (a), the last 27 words are substituted for the words "or performance of the duties provided for by sections 5, 81, 94, 97 and 99 of the National Defense Act, as amended," to reflect the current citations. So much of the introductory clause as follows the exception is substituted for the 36 words preceding 1st proviso of 1st sentence of section 232(d) of existing title 37. The words "on the active list" are omitted as covered by the words "active duty" as defined in section 101(18) of this revised title. The words "(provided for or authorized in the National Defense Act, as amended, or in the Naval Reserve Act of 1938, as amended)" are omitted as covered by the words "provided by law".

In subsection (b), the words "For the purposes of subsection (a)" are inserted for clarity. The words "active duty for a period of more than 30 days" are substituted for the words "extended active duty in excess of thirty days". The words "call or" are inserted to conform to the words "called or".

In subsection (c), the words "and allowances" are omitted, since, under chapter 7 of this revised title, entitlement to allowances depends upon entitlement to basic pay. The last sentence is substituted for the last 38 words of the 2d proviso of the 1st sentence of section 232(d) of existing title 37.

In subsection (d), the words "for the purposes of this section" are substituted for the words "and which enti-

ties them to receive basic pay . . . in the service of the United States". The words "pursuant to this section" are omitted as surplusage.

In subsection (e), the words "or active duty for training" are omitted as covered by the words "active duty" as defined in section 101(18) of this revised title.

In subsection (f), the words "is appointed" are substituted for the words "has been or may be commissioned". The words "under the laws appointing such graduates to the Army" and the last 16 words of section 308a of existing title 37 are omitted as surplusage. The words "to the date of his acceptance of and qualification under his commission" are omitted, since the member concerned would continue to be entitled to basic pay after that acceptance and qualification. The words "or the United States Naval Academy" are inserted to reflect section 541 of title 10, under which graduates of that Academy may be appointed in the Army or the Air Force.

In subsection (i), the inclusion of the Coast Guard Reserve is based on the authority contained in section 755(c) of title 14.

HISTORICAL AND REVISION NOTES

Revised section	Source (U.S. Code)	Source (Statutes at Large)
205(a) .....	37:233(a) (less words after 2d semicolon of clause (7)).	Oct. 12, 1949, ch. 681, §202 (less proviso of (d)), 63 Stat. 807; Apr. 30, 1956, ch. 223, §2, 70 Stat. 121.
205(b) .....	37:233(b). 37:233(a)(7) (words between 2d and 3d semicolons).	
205(c) .....	37:233(d) (less proviso). 37:233(a)(7) (words after 3d semicolon).	
205(d) .....	37:233(c).	

In subsection (a), the introductory clause is substituted for section 233(a) (introductory clause) of existing title 37. In clauses (1) and (2), the word "officer" is substituted for the words "commissioned officer, commissioned warrant officer, warrant officer" to conform to the definition of "officer" in section 101(11) of this revised title. In clause (1), the words "Regular or Reserve component" are omitted, since, under the definition of "reserve component" in section 102(k) of the source statute, those words are defined to include members without component status. Together, these categories compose the entire structure of any uniformed service. In clause (2)(F), the words "a reserve component of a uniformed service" are substituted for the words "the National Guard of the United States, or in the Organized Reserve Corps, or in the Officers' Reserve Corps, or in the Enlisted Reserve Corps, or in the Medical Reserve Corps, or in the Medical Reserve Corps of the Navy, or in the Dental Reserve Corps of the Navy

. . . or in the Naval Reserve . . . or in the Air National Guard of the United States, or in the Air Force Reserve, or in the officers' section of the Air Force Reserve, or in the enlisted section of the Air Force Reserve, or in the Air Corps Reserve . . . or in the Marine Corps Reserve, or in the Coast Guard Reserve, or in the Reserve Corps of the Public Health Service," since all of the named organizations were or are reserve components. In clause (4), the words "as it existed at any time before April 16, 1947" are inserted for clarity, since the reference is intended to apply to the corps established by law before April 16, 1947. Service in the Army Nurse Corps or Navy Nurse Corps now existing would be included under clause (1) or (2), since there is now no legal distinction between the service of nurses and that of other members of the Army and Navy. In clause (6), the date "January 1, 1961," is substituted for the words "the effective date of this section," to reflect laws enacted after that effective date which authorized certain service to be credited for pay purposes. See, for example, Public Law 86-142. Clause (9) is substituted for section 233(b) (less proviso) of existing title 37. The last sentence is substituted for section 233(b) (proviso) of existing title 37.

In subsection (b), the first 33 words of section 233(d) of existing title 37 are omitted as covered by the words "are computed by adding" in subsection (a). The words "for any reason," in section 233(d) of existing title 37, are omitted as surplusage.

In subsection (c)(3), the words "chapter 67 of title 10" are substituted for the words "title III of the Army and Air Force Vitalization and Retirement Equalization Act of 1948," since that title was repealed by section 53 of the Act of August 10, 1956, ch. 1041 (70A Stat. 641), and is now codified as chapter 67 of title 10 by section 1 of that Act.

1968—Subsec. (e). Pub. L. 90-623 substituted “October 13, 1964,” for “the enactment of this subsection”.
