(1) representatives of railroad employees and carriers shall, jointly or separately, submit to the President, the Speaker of the House, and the President of the Senate, funding proposals designed to preserve the financial solvency of the Railroad Retirement Account; and

(2) the President shall submit to the Speaker of the House and the President of the Senate such recommendations as he may deem appropriate with respect to the preservation of the Railroad Retirement Account, including a specific proposal to assure continuous payments of social security equivalent benefits by separating the social security equivalent benefits from industry pension equivalent benefits payable under this subchapter.

(c) Not later than 180 days after the submission of a written report under subsection (a) of this section which states the first fiscal year during which benefits under this subchapter must be reduced because insufficient funds would preclude payment of full benefits for every month of that year, the Board shall issue and publish in the Federal Register such regulations as may be necessary which shall be designed to—

(1) provide a constant level of benefits at the maximum level possible for every month of that fiscal year; and

(2) provide that no individual shall receive less during that fiscal year than the amount otherwise payable if the employee's service as an employee after December 31, 1936, had been covered under the Social Security Act [42 U.S.C. 301 et seq.], minus the amount of any reduction required under section 231b(m) or 231c(i) of this title.

Unless otherwise provided by law enacted after August 13, 1981, or by a later report filed by the Board under subsection (a) of this section, regulations issued by the Board under this subsection shall apply beginning with the fiscal year designated by the Board in its written report under subsection (a) of this section.
