Pub. L. 103-354, title III, §306, Oct. 13, 1994, 108 Stat. 3241, provided that:

“(a) STUDY OF AIRCRAFT INSPECTIONS.—

“(1) INTENT OF STUDY.—The intent of the study required by this subsection is to examine the cost efficiencies of conducting inspections of aircraft and pilots by one Federal agency without reducing aircraft, passenger, or pilot safety standards or lowering mission preparedness.

“(2) STUDY REQUIRED.—The Secretary of Agriculture and the Secretary of Transportation shall jointly conduct a study of the inspection specifications and procedures by which aircraft and pilots contracted by the Department are certified to determine the cost efficiencies of eliminating duplicative Department inspection requirements and transferring some or all inspection requirements to the Federal Aviation Administration, while ensuring that neither aircraft, passenger, nor pilot safety is reduced and that mission preparedness is maintained.

“(3) SPECIAL CONSIDERATIONS.—In conducting the study, the Secretaries shall evaluate current inspection specifications and procedures mandated by the Department and the Forest Service, taking into consideration the unique requirements and risks of particular Department and Forest Service missions that may require special inspection specifications and procedures to ensure the safety of Department and Forest Service personnel and their contractees.

“(4) MAINTENANCE OF STANDARDS AND PREPAREDNESS.—In making recommendations to transfer in-

spection authority or otherwise change Department inspection specifications and procedures, the Secretaries shall ensure that the implementation of any such recommendations does not lower aircraft or pilot standards or preparedness for Department or Forest Service missions.

“(5) SUBMISSION OF RESULTS.—Not later than 180 days after the date of the enactment of this Act [Oct. 13, 1994], the Secretaries shall submit to Congress the results of the study, including any recommendations to transfer inspection authority or otherwise change Department inspection specifications and procedures and a cost-benefit analysis of such recommendations.

The policy is currently being cooperatively developed by the Department and the Federal Aviation Administration and is intended to reduce duplicative inspections and to reduce Government costs, while maintaining aircraft, passenger, and pilot safety standards, specifications and procedures currently required by the Department and the Forest Service.

“(2) EXPANSION OF POLICY.—As part of the review, the Secretaries shall examine the feasibility and desirability of applying this policy on a Government-wide basis.

“(3) SUBMISSION OF RESULTS.—Not later than one year after the date of the implementation of the policy, the Secretary of Agriculture shall submit to Congress the results of the review, including any recommendations that the Secretary considers appropriate.”

(Aug. 10, 1912, ch. 284, 37 Stat. 294.)

REFERENCES IN TEXT

The Division of Accounts and Disbursements, referred to in text, was a division of the Department of Agriculture at the time of enactment of this section. The activities of that Division are now performed by the various departmental offices in the Department of Agriculture under the Assistant Secretary of Agriculture for Administration. In a similar consolidation of operations, but one carried out in a different department, the Division of Disbursement and certain other offices and agencies and their functions in the Treasury Department were consolidated into the Fiscal Service of the Treasury Department by 1940 Reorg. Plan No. III, § 1(a), eff. June 30, 1940, 5 F.R. 2107, 54 Stat. 1231, set out in the Appendix to Title 5, Government Organization and Employees.

CODIFICATION

Section was formerly classified to section 533 of Title 5 prior to the general revision and enactment of Title 5, Government Organization and Employees, by Pub. L. 89-554, § 1, Sept. 6, 1966, 80 Stat. 378.

TRANSFER OF FUNCTIONS

Functions of all officers, agencies, and employees of Department of Agriculture transferred, with certain exceptions, to Secretary of Agriculture by 1953 Reorg. Plan No. 2, § 1, eff. June 4, 1953, 18 F.R. 3219, 67 Stat. 633, set out as a note under section 2201 of this title.

§ 2224a. Utilization of employees of agencies for part-time and intermittent assistance to other agencies; exclusion of overtime resulting from natural disasters from staff year ceilings

On and after October 28, 1991, notwithstanding any other provision of law, employees of the agencies of the Department of Agriculture, including employees of the Agricultural Stabilization and Conservation county committees, may be utilized to provide part-time and intermittent assistance to other agencies of the Department, without reimbursement, during periods

when they are not otherwise fully utilized, and ceilings on full-time equivalent staff years established for or by the Department of Agriculture shall exclude overtime as well as staff years expended as a result of carrying out programs associated with natural disasters, such as forest fires, droughts, floods, and other acts of God.

(Pub. L. 102-142, title VII, § 711, Oct. 28, 1991, 105 Stat. 912.)

§ 2225. Employment of temporary personnel

The Department of Agriculture may employ persons or organizations, on a temporary basis, by contract or otherwise: *Provided*, That no expenditures for such temporary employment shall be made unless provision is made therefor in the applicable appropriation and the cost thereof is not in excess of limitations prescribed therein.

(Sept. 21, 1944, ch. 412, title VII, § 706(a), 58 Stat. 742; Ex. Ord. No. 9577, June 29, 1945, 10 F.R. 4253.)

CODIFICATION

This section was enacted as a part of the Department of Agriculture Organic Act of 1944.

First sentence of section which related to the authority of the War Food Administrator to employ personnel was omitted on the authority of Ex. Ord. No. 9577, which terminated the War Food Administration.

The exception from “the Classification Act of 1923, as amended” was omitted as obsolete. Sections 1202 and 1204 of the Classification Act of 1949 (63 Stat. 972, 973) repealed the 1923 Act and all laws or parts of laws inconsistent with the 1949 Act. While section 1106(a) of the 1949 Act provided that references in other laws to the 1923 Act should be held and considered to mean the 1949 Act, it did not have the effect of continuing the exception contained in this section because of section 1106(b) that provided that the application of the 1949 Act to any position, officer, or employee shall not be affected by section 1106(a). The Classification Act of 1949 was repealed by Pub. L. 89-544, § 8(a), Sept. 6, 1966, 80 Stat. 632 (section 1 of which revised and enacted Title 5, Government Organization and Employees, into law). Section 5102 of Title 5 now contains the applicability provisions of the 1949 Act.

Section was formerly classified to section 574 of Title 5 prior to the general revision and enactment of Title 5, Government Organization and Employees, by Pub. L. 89-554, § 1, Sept. 6, 1966, 80 Stat. 378.

§ 2266. Congressional reaffirmation of policy to foster and encourage family farms; annual report to Congress

(a) Congress reaffirms the historical policy of the United States to foster and encourage the family farm system of agriculture in this country. Congress believes that the maintenance of the family farm system of agriculture is essential to the social well-being of the Nation and the competitive production of adequate supplies of food and fiber. Congress further believes that any significant expansion of nonfamily owned large-scale corporate farming enterprises will be detrimental to the national welfare. It is neither the policy nor the intent of Congress that agricultural and agriculture-related programs be ad-

ministered exclusively for family farm operations, but it is the policy and the express intent of Congress that no such program be administered in a manner that will place the family farm operation at an unfair economic disadvantage.

(b)(1) In order that Congress may be better informed regarding the status of the family farm system of agriculture in the United States, the Secretary of Agriculture shall submit to Congress, by July 1 of each year, a written report containing current information on trends in family farm operations and comprehensive national and State-by-State data on nonfamily farm operations in the United States.

(2) The Secretary shall also include in each such report—

(A) information on how existing agricultural and agriculture-related programs are being administered to enhance and strengthen the family farm system of agriculture in the United States;

(B) an assessment of how tax, credit, and other current Federal income, excise, estate, and other tax laws, and proposed changes in such laws, may affect the structure and organization of, returns to, and investment opportunities by family and nonfamily farm owners and operators, both foreign and domestic;

(C) identification and analysis of new food and agricultural production and processing technological developments, especially in the area of biotechnology, and evaluation of the potential effect of such developments on—

(i) the economic structure of the family farm system;

(ii) the competitive status of domestically-produced agricultural commodities and foods in foreign markets; and

(iii) the achievement of Federal agricultural program objectives;

(D) an assessment of the credit needs of family farms and the extent to which those needs are being met, and an analysis of the effects of the farm credit situation on the economic structure of the family farm system;

(E) an assessment of how economic policies and trade policies of the United States affect the financial operation of, and prospects for, family farm operations;

(F) an assessment of the effect of Federal farm programs and policies on family farms and non-family farms that—

(i) derive the majority of their income from non-farm sources; and

(ii) derive the majority of their income from farming operations; and

(G) such other information as the Secretary considers appropriate or determines would aid Congress in protecting, preserving, and strengthening the family farm system of agriculture in the United States.

(Pub. L. 95-113, title I, §102, Sept. 29, 1977, 91 Stat. 918; Pub. L. 97-98, title XVI, §1608, Dec. 22, 1981, 95 Stat. 1347; Pub. L. 99-198, title XIV, §1441, Dec. 23, 1985, 99 Stat. 1560.)

AMENDMENTS

1985—Subsec. (b). Pub. L. 99-198 designated first and second sentences as pars. (1) and (2), respectively, and

amended par. (2), as so designated, generally. Prior to redesignation and amendment, second sentence read as follows: "The Secretary shall also include in each such report (1) information on how existing agricultural and agriculture-related programs are being administered to enhance and strengthen the family farm system of agriculture in the United States, (2) an assessment of how tax, credit, and other Federal laws may encourage the growth of nonfamily farm operations and investment in agriculture by nonfamily farm interests, both foreign and domestic, and (3) such other information as the Secretary deems appropriate or determines would aid Congress in protecting, preserving, and strengthening the family farm system of agriculture in the United States."

1981—Pub. L. 97-98 substantially reenacted existing provisions, and inserted reference to tax and credit laws, and investment in agriculture by nonfamily farm interests, foreign and domestic.

The Secretary was authorized to collect such other information as necessary to determine the impact of such a statutory provision and to identify the number and characteristics of producers that would be affected by such a provision.
